BY Brett Jolley

CCJ

TO THE CITY OF STOCKTON:

We support the proposal to allow general off-sale alcohol at the Sinclair fueling station located at 7906 N. El Dorado St. The facility has sold beer and wine since 1976 and the applicants, Mr. and Mrs. Trehan, have successfully operated this safe, clean, and customer-friendly business for over 20 years. Allowing liquor sales in addition to the existing beer and wine will not be detrimental to the area, and will offer added shopping convenience.

PETITION IN SUPPORT OF GENERAL OFF-SALE ALCOHOL USE PERMIT
7906 N El Dorado St
(Sinclair Fueling Station)

TO THE CITY OF STOCKTON:

We support the proposal to allow general off-sale alcohol at the Sinclair fueling station located at 7906 N. El Dorado St. The facility has sold beer and wine since 1976 and the applicants, Mr. and Mrs. Trehan, have successfully operated this safe, clean, and customer-friendly business for over 20 years. Allowing liquor sales in addition to the existing beer and wine will not be detrimental to the area, and will offer added shopping convenience.

Re: Agenda Item 5.2 (P15-0453)

Dear Chair Hernandez:

I am writing to voice my support for the request of Manju Trehan's to have Type 21 alcohol sales at AJ's Mini Mart/Sinclair Gas which will be heard by the planning commission on March 24th. Mr. and Mrs. Trehan are responsible business-owners and their request is to convert their Type 20 (beer and wine) license to Type 21 (general) makes sense and should not be denied.

The staff report recommends that the application be denied because there are 4 off-sale liquor licenses in the area and because the area has a high crime rate. This reasoning may make sense if the Trehans were trying to open a new store, but they are simply trying to improve a store that has sold beer and wine at this location for 40 years. They would also be voluntarily trading in their existing Type 20 license in exchange for their type 21 license - something that ABC does not require. Also, the City approved the A-1 Liquor Store in 2014 when there were actually even more (5) off-sale liquor license in the area. Rite Aid closed afterward so there are actually fewer stores in the area now.

These are good people who have built a successful business at this location. I ask that you support their request and approve the permit request.

Sincerely,

209-665-8918

Subject: Support for Use Permit Application at 7906 N. El Dorado

Dear Mr. Larrouy:

It has come to my attention that the Planning Commission will consider a request to allow liquor sales at the convenience store located at 7906 N. El Dorado. I support this request.

The owners, Mr. and Mrs. Trehan bought this gas station over 20 years ago. At the time it was run down, unclean, and generally not a great location but they have cleaned up the facility and made it a great place to fill-up or grab snacks on the way to dinner with friends.

I would welcome additional shopping choices by allowing limited liquor sales, in addition to beer and wine and support their request.

Regards,

Maria Navarro 209 922-1052

Dear Mr. Hernandez,

Thank you for the opportunity to write this letter in support of Mrs. Trehan to add liquor sales to her store, AJ's Mini Mart. I shop at AJ's regularly and think adding liquor sales would be a good addition to the business. It is a safe place with lots of lighting at night. They work hard to keep the store and gas station clean and to keep people from loitering on the site. I support her request to improve the store.

Dear Planning Commission:

I believe AJ's Mini Mart (Sinclair) should be allowed to sell all types of alcohol – not just beer and wine. Right now the only options in the area are supermarkets like Lyon and Food for Less which are not good for quick shopping or A-1 liquors that does not have good lighting at night and that takes more time to get to than AJ's. I support approving their request.

Sincerely,

Christopher Gense

City of Stockton
Planning Commission
City Hall, 425 N. El Dorado St.
Stockton, CA 95202

Dear Stockton Planning Commission,

I am writing in support of the application to allow general alcohol sales at the Sinclair mini-mart located at 7609 N. El Dorado St. This business has served the area with gas and convenience store for 40 years. It offers a clean, safe, and friendly place to grab small food and drinks while filling up without the need to stand in long lines at the supermarket or having to drive to more isolated liquor stores. Allowing them to add general liquor to their existing beer and wine selection would be seen as a positive vs. a negative change. Please approve their request.

Sincerely,

(209) 271. 4350
