City of Stockton
Carl Hefner, Assistant Director
425 North El Dorado
Stockton, CA 95202

Dear Mr. Hefner,

CSG Consultants, Inc. is a California company with our Regional office within convenient travel to City offices. Founded in 1991, we provide a wide range of municipal services to community development and public works departments, including fire protection plan review and inspection. The majority of the 165+ individuals within our firm have provided public agency services throughout their entire career. Our talented personnel bring a wealth of ideas and experiences having held similar positions with communities dealing with the same development issues as the City of Stockton. We are proud of our current successful partnership with the City and look forward to continuing this relationship.

Our certified and licensed staff consists of building officials, plan review engineers, plans examiners, inspectors, permit technicians, fire plan reviewers and inspectors, code enforcement professionals as well as specialized personnel for planning, grading improvement plan reviewers and inspectors, information technology, program and project managers, engineers, construction managers, and sustainability professionals. Depending upon the needs of our clients, we can serve in either a project specific or on-call staff augmentation capacity. Project Manager assigned to this project will be Bob Latz working out of our Sacramento office.

Our regional office and contact information is as follows:
