## **RESOLUTION APPROVING THE 2019 STOCKTON TOURISM BUSINESS IMPROVEMENT DISTRICT BUDGET AND SERVICE PLAN AND THE 2018 ANNUAL REPORT**

In December 2010, the City Council established the formation of the Stockton Tourism Business Improvement District ("District") to provide services to the District, including the promotion of Stockton as a business, conference, sports, and visitor destination; and

The District expired in 2015, but was renewed for an additional ten years, set to expire on December 31, 2025; and

City of Stockton ("City") has contracted with the Stockton Convention and Visitors Bureau ("Visit Stockton") to manage the District's funds and deliver the services; and

The contract requires that Visit Stockton annually submit to the City for review, comment, and approval by the City Council, a report describing the District services, activities, and proposed budget for each year of operation; and

The contract requires review and approval of the prior year's activities as described in the 2018 Annual Report; and

The District serves as an important economic development tool to grow and enhance not only the tourism sector in Stockton, but a positive image of the community to visitors; now, therefore,

**BE IT RESOLVED BY THE COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:**

1. The City Council hereby approves the 2019 Annual Service Plan and Operating Budget, incorporated herein as Exhibits 1 and 3 respectively, in the amount of \$1,827,096 and Annual Assessment of 4% fee per hotel room, per night, as proposed by the Stockton Convention and Visitors Bureau (Visit Stockton) for marketing and promotion of Stockton as a tourist, meeting, and event destination.
