Interests & Experiences

Please tell us about yourself and why you want to serve.

I have been a resident of Stockton for the past seven years and have been an active member of the community. I participate in public forums, including city council meetings, San Joaquin County Board of Supervisors meetings, and planning committees. Throughout my undergraduate education, I served on various committees to advocate for the needs of the student body. I also volunteer in the Stockton community in my free time. Both my undergraduate career and community service inspired me to pursue a career in public service. Currently, I am pursuing a Master of Public Policy at McGeorge School of Law to understand the complexities of public sector issues and develop effective strategies to build capacity. I am looking forward to starting my career in public service upon graduation.

Please state the reason you would like to be a member of this board/commission.

My passion to serve and advocate for others drives me to join the Measure W Committee. As a member, I will apply my analytical competencies and knowledge of our community's needs to provide oversight on an integral part of the city of Stockton. I look forward to the opportunity to improve government efficiency while supporting the needs of our first responders and community members.
