Interests & Experiences

Please tell us about yourself and why you want to serve.

In 2008 I left a 41 year career in banking to serve as a City Councilman for the City of Surprise Arizona. I wanted to contribute and found a way to use my experience to serve. In January of 2014 we relocated back to Stockton to be near our family. The time I spent in community service, working for my constituents was the best experience I have ever had. I previously lived in Stockton for almost 10 years and I am very familiar with the area. I believe I can be of service here in Stockton, and use my experience for the benefit of my community.

Please state the reason you would like to be a member of this board/commission.

Citizen input is extremely important as well as transparency on any board or commission. I believe I have the background and experience to assist the Charter Review Advisory Commission and help make a positive contribution.

Interests & Experiences

Please tell us about yourself and why you want to serve.

I moved to Stockton in 1983 from San Jose because of a promotion within the United States Postal Service. After 41 years working for the Postal Service, I retired from my position as Postmaster of Rancho Murieta in 2011. Last year, I began working with PMZ Real Estate as a sales associate. I like to hike, camp, ride my bike, kayak, and spend time in the Delta. I volunteered as a Visitor Information resource for a month at Touloume Meadows for the Yosemite Conservancy in 2012. Last year, I worked as a volunteer crew member for OARS, a commercial expedition company, for 15 days running rapids through the Grand Canyon. I am a veteran and a member of the VFW.

Please state the reason you would like to be a member of this board/commission.

I would like to help Stockton become a destination city. I have lived in the community for more than 27 years. This city has seen its resources dwindle and its image tarnished. (look up Stockton in Wikipedia, not good) I would like to contribute to the community by contributing my time to improve or help it.

I receive emails from the City of Stockton. One of the emails advertised boards, commissions, and committee vacancies and applications.

Charter Review Advisory Commission

Interests & Experiences

Please tell us about yourself and why you want to serve.

As the only LGBT member of the commission, I do hope that I can continue to serve and represent my diverse background and experience as we make the final recommendations to our City. It's been an honor to work with my fellow commissioners and it was a huge surprise and honor to be asked and voted as the commission's Vice Chair. As a minority within a minority, the top reason for serving on the Commission was to restore our elections to a district level election process. I am also interested in seeing some level of campaign finance reform and I have really enjoyed working with my fellow commissioners to streamline the language in the charter and make the document a living breathing set of processes that can be used for generations to come (rather than being the reactionary document it currently is.)

Please state the reason you would like to be a member of this board/commission.

While the bulk of our work has been completed, We are now just fine tuning certain language and I want to complete the work we have started. While we all don't agree with each other, we as a commission due

respect each other's opinions and we are all willing to listen to each other's ideas and work as a team to build consensus and final decisions. I would like to continue working with this great team and deliver the document we promised ourselves we would complete.

Which Boards would you like to apply for?

Charter Review Advisory Commission

Interests & Experiences

Please tell us about yourself and why you want to serve.

With the exception of serving in the military and attending graduate school, I have resided in Stockton since 1982. Because my family and I live in Stockton, I want to see it continue to grow and thrive. Having a representative and well-functioning City Council is a key element to having a vibrant and healthy city. Over the past 18 years, I have served in a variety of executive-level positions with the State of California, so I have a good deal of experience sorting through information and perspectives in order to come to a decision, achieving consensus, and presenting and defending that decision. I also help out in the community by serving on the Board of Directors for the Spanos Park East Homeowners Association. I would like to serve on the Charter Review Advisory Commission to lend my experience and perspectives to the Commission's work.

Please state the reason you would like to be a member of this board/commission.

Revising the City of Stockton's charter to possibly change the composition of the city council and how council members are elected will have long-term ramifications on how the citizens of Stockton are represented and

how the City will be governed. I would like to be a member of the Charter Review Advisory Commission because I believe the work it is undertaking is very important to the future of the city and I believe my experience and perspective would be beneficial to the Commission.

Have you served on an advisory group before?

Yes No

If yes, please explain.

How did you hear about the position?

I heard about the 3 vacancies through the Stockton Record.

Yes No

If yes, please explain

Interests & Experiences

Please tell us about yourself and why you want to serve.

As a legislative staffer and legal scholar, I believe I have the community experience and analytical skills necessary to effectively serve and advocate for our city. In my official capacity as a public servant with the California State Senate, I strive to address community needs big and small. I carry this spirit and outlook with me at all times and would love to do my part as a citizen to be a voice and a resource for the City of Stockton.

Please state the reason you would like to be a member of this board/commission.

Our city has come a long way since it was first founded and since prior charters were revised. As a community, we're at a crossroads and ensuring that our city's Constitution is consistent with current law, beneficial public policy goals, and a concerted vision of prosperity is more important than ever. As an existing member of the commission, I believe continuity is vital because so many of the charter's provisions are intricately tied into one another and have been discussed over the course of the existing commission's

tenure.

Have you served on an advisory group before?

Yes No

If yes, please explain.

I'm a member of the City of Stockton's Charter Review Advisory Commission and the California Health Care Facility's Citizen's Advisory Commission. I have also served on the Deuel Vocational Institution's Citizen's Advisory Commission and the Parent Leadership Training Advisory group for Charterhouse for Families.

How did you hear about the position?

At a prior Charter Review Advisory Commission meeting.
