

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE AMENDING TITLE 5 TO ADD CHAPTER 5.106, AND AMENDING CHAPTER 5.08, SECTION 5.08.280 OF THE STOCKTON MUNICIPAL CODE REGARDING STREET AND SIDEWALK VENDOR REGULATIONS.**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

**SECTION I. FINDINGS AND INTENT.**

On, or about, September 17, 2018, the California Legislature approved, and the Governor signed, Senate Bill 946, which created new provisions for the licensing, activities, and enforcement regulations relating to Street and Sidewalk Vendors throughout the State, regardless of whether the City is a General Law or Chartered City. The provisions created by this Bill prohibit a municipality from forbidding Street and Sidewalk Vendors from operating, with certain exceptions, in public parks and upon public sidewalks. The Bill also authorizes municipalities to assess licensing rules and other regulations to ensure Street and Sidewalk Vendors comply with other State and Local licensing authorities. With an ever-growing number of Street and Sidewalk Vendors operating within the City since the new laws took effect, the City Council finds it necessary to incorporate these rules and regulations to ensure vendors are providing their services in a safe and sanitary manner, safeguard the health and safety of the general public being served by vendors, and create standards to protect public resources.

The proposed creation of this Chapter, and amendment of other existing code, will bring the City into compliance with changes in State Law, give Street and Sidewalk Vendors clear and concise direction for providing their services in accordance with State and Local regulations, and provide methods to preserve the public's health, safety and enjoyment of public grounds where vendor activities occur. The provisions of this ordinance are intended to ensure compliance with Senate Bill 946 (signed into law on September 17, 2018).
