ATTACHMENT B

A wide-angle photograph of a large, single-story industrial building with a grey concrete facade. The word "DEVCON" is visible in large letters on the right side of the building. In front of the building is a paved parking lot and a road. To the left, there are several large, mature trees and a grassy area. A utility pole stands near the center. In the background, industrial structures and a ship are visible under a blue sky with some clouds.

Scale pole to show scale and placement

Existing

Photosimulation of the view looking south-southeast from the nearest view along southbound I-5.

..T..Mobile..

This image is identical to the "Existing" view but includes a proposed 75-foot quad-pole tower. The tower is a tall, slender, grey structure with a square top section. It is positioned to the left of the main building, behind some trees. An arrow points from the text "Proposed 75 ft quad-pole tower" to the top of the tower.

Proposed 75 ft quad-pole tower
