**Subject:** Congratulations - Awarded CCEP Grant - City of Stockton

Good afternoon, Dale,

I hope this email finds you well. Congratulations on being granted the CCEP Award in the amount of \$126,997.00! We truly appreciate your continued partnership.

As for the next steps, please review the attached Restricted Grant Agreement (RGA) as soon as possible. The approved RGA template includes sections that need to be updated with the Agency and proposal information. I have already filled in most of your details, so once it's correct, please change the text from red to black. Ensure the Agency includes all required attachments in a PDF as part of the final RGA package for signatures.

Once the updates are completed, send the final RGA package to me for review before routing it for agency signatures. Additionally, fill out the Clean California CCEP Program RGA Package Checklist (attached). The checklist references the Payee Data Record (STD 204) and Electronic Funds Transfer (EFT) Enrollment Form FA 2656, also attached. As you are already in our system, the Payee Data Record (STD 204) is not needed.

If you prefer electronic invoice payments, please include the Electronic Funds Transfer (EFT) Enrollment Form FA 2656.

Meanwhile, HQ will work on executing the Project Request Forms for the grants and will provide the project ID to be incorporated into the RGA as soon as possible.

Thank you once again for your partnership and cooperation. If you have any questions or need further assistance, please don't hesitate to reach out.

Thank you,

**Kelly Loehrer**
