

CENTRAL STOCKTON LIGHTING MAINTENANCE ASSESSMENT DISTRICT

FY 2024-25 Annual Engineer's Report
Public Hearing

Stockton City Council Meeting
June 4, 2024
Item No. 16.7

Central Stockton Lighting Maintenance Assessment District

- District established to fund increased costs to maintain 278 total decorative streetlights that exceed City standard
- Operation and Maintenance funded:
 - Electricity
 - Replace Broken Fixtures
 - Replace Burned Out Bulbs
 - Re-paint Poles
 - Replace Damaged or Knocked Down Poles
 - Administration

Central Stockton Lighting Maintenance Assessment District

- Each year Council adopts the following:
 - Engineer's Report
 - Maximum Allowable Assessment
 - Annual Budget/Actual Assessment
- Provides funding for:
 - Operation, maintenance, and preparation of an annual Engineer's Report and tax rolls; legal review; collection of assessments on San Joaquin County property taxes and City administration

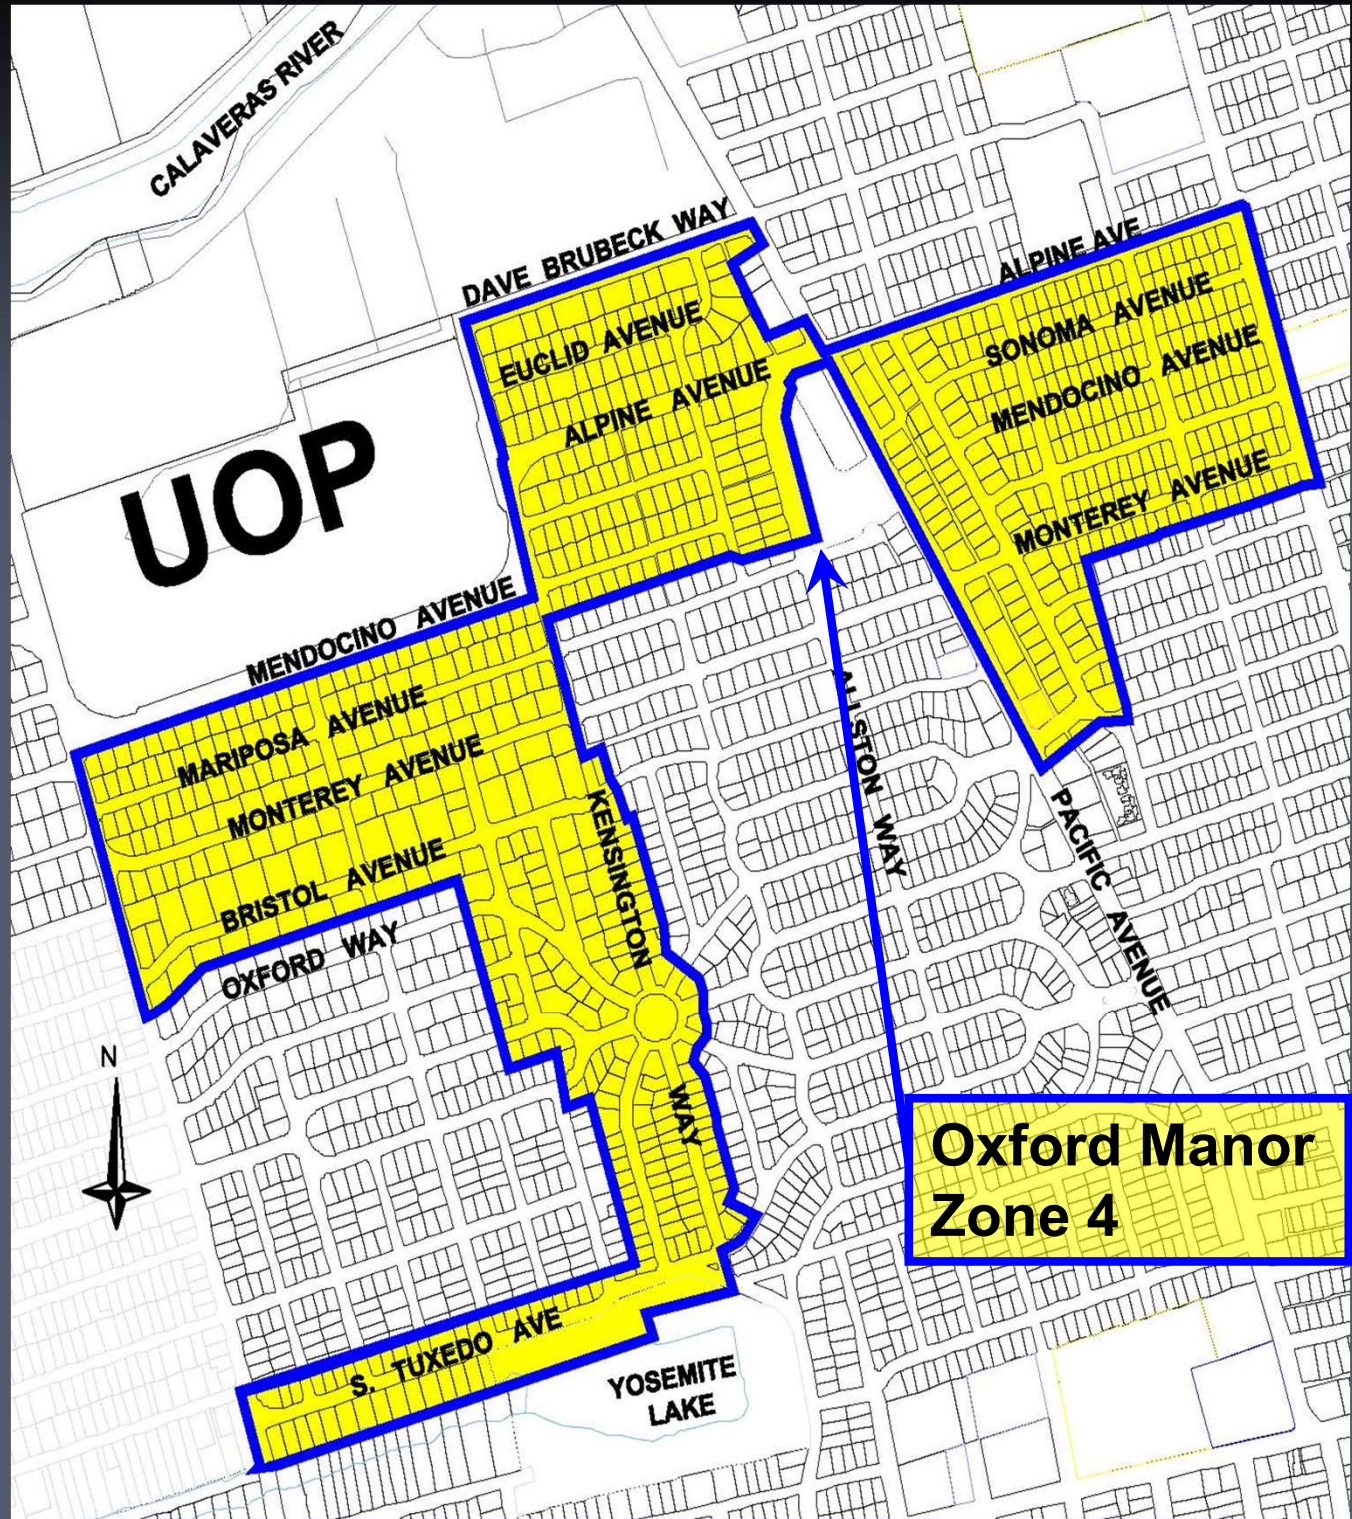

Maximum Allowable

VS

Actual Assessments

- Original Engineer's Report approved by landowner ballot – allows for annual Cost of Living Adjustment
- Approves annual maximum allowable, but collects only what is needed for anticipated operational costs
- Allows for unanticipated emergencies – to collect only if necessary
