### DEPARTMENT DESCRIPTION

Community Services has two primary program areas: Library and Recreation.

The Library provides experiences and resources designed to improve the intellectual and educational lives of residents in our community through programs such as story-time, tutoring, and summer/winter reading initiatives focus on literacy, learning, and building strong families and communities. Diverse print and digital Library collections, high-speed internet access, and electronic research tools all support this goal.

The Library system, known as the Stockton-San Joaquin County Public Library, is operated by the City of Stockton and serves all of San Joaquin County through an arrangement to provide a regional, multi-branch system. The system is made up of eight branches within Stockton city limits, eight branches throughout the rest of San Joaquin County, and a bookmobile. This centralized system allows all the sites to circulate materials between one another and benefit from combined administrative and management costs.

General Fund allocations from the City of Stockton and San Joaquin County make up most of the funding for the library system. Operating, system-wide administration, and support costs are tracked separately and assigned to the two agencies in accordance with a contract for services. The Strong Communities (Measure M) initiative provides additional funding for City of Stockton libraries.

Recreation delivers programs that strengthen the community as well as the personal health and well-being of Stockton residents. Programs foster physical health, promote social equity, build life skills, and strengthen community bonds. The Department offers youth and adult sports leagues, senior programs, supplemental food distribution, afternoon meals for youth, day camps, after-school programs for grade school aged children and teens, instructional classes, and a variety of other community engagement events and activities.

Recreation facilities include community centers, a senior center, swimming pools, sports fields and complexes, and Swenson Golf Course. Some facilities and programs are operated by the City directly, while some are jointly used with other agencies, and others are contracted to private and non-profit agencies for full or partial management. Fees and an allocation of General Fund revenue have historically funded operating costs for recreation programs. The Strong Communities (Measure M) initiative provides additional funding for enhanced recreation services.

The department also provides oversight and support to the Parks and Recreation Commission and the Stockton Arts Commission.

### DEPARTMENT STRATEGIC WORK PLAN

The Community Services Department supports the City Council's priority goals to work with partners to reduce crime by expanding youth programming, increasing literacy and improving quality of life. Through expanded storytelling and marketing efforts in multiple languages, the Department will continue to broaden awareness and participation in programs and services that deepen connections to the community.

Department goals for the coming year include:

- Update the Maya Angelou Library interior for a welcoming 21<sup>st</sup> century Library experience and add an emergency exit for safer egress
- Continue to solicit funding for the VanBuskirk Golf Course Reuse Project
- Continue to enhance security for patrons and staff
- Continue to increase accessibility
  - Add new programming at joint use facilities (gyms, multi-purpose rooms, pools)
  - Continue to offer multilingual materials for diverse patrons
  - Increase access to technology kits and hot spots to reduce wait times and bridge the digital divide – providing internet access to disadvantaged communities
  - Implement a new Library website for a better user experience

Department infrastructure improvements include continuing work on capital improvement programs designated in the Strong Communities expenditure plan. Priorities include:

- Repair and renovate pools:
  - Victory Park Pool – Complete previously funded improvements to re-open pool in Summer 2025.
  - McKinley Park Pool – Complete previously funded improvements to repair and upgrade-pool to open in Summer 2025. Funding includes approximately \$2.7 million awarded from California Department of Parks and Recreation Office of Grants and Local Services in March 2022. This supplements the approximately \$8.5 million Proposition 68 grant for upgrades to McKinley Park
  - Oak Park Pool – Complete previously funded improvements to provide a new spray ground for children, replace perimeter fencing and construct a roof enclosure over dressing rooms to mitigate vandalism
- Complete a design plan for the Chavez Central Library remodel.
- Open the Ursula Meyer Library and Community Center in Northeast Stockton, once construction is complete

**COMMUNITY SERVICES DEPARTMENT****STRONG COMMUNITIES FUND (210)****PROGRAM DESCRIPTION**

Passed in 2016, the Strong Communities (Measure M) initiative levies a one-quarter cent sales transaction and use tax for Library and Recreation services.

The initiative went into effect on April 1, 2017, will be in effect for 16 years and is estimated to generate an average of between \$9.4 and \$14.6 million per year.

The measure's revenues are used to add Library and Recreation staff positions and programs for restored and expanded services as well as future capital projects as outlined in the measure's City Council Spending Priorities.

**KEY CONSIDERATIONS**

The Strong Communities Expenditure Plan is being updated to reflect changes in anticipated revenues and expenditures. The City anticipates moving forward with capital improvement projects and providing program support for expanded Library and Recreation programming as described below:

- Pending completion of construction of the new Ursula Meyer Library & Community Center in Northeast Stockton, redeploying operating funds to offer enhanced programs and services to residents
- Deploying a new bookmobile that will offer ADA compliance and programming opportunities
- Completing the design plan for the Chavez Central Library renovation
- Continuing to expand teen programming to include day trips, career development, etc.
- Continuing the popular youth theater program and expanding seasonal camps
- Breaking geographic boundaries by expanding mobile library and recreation programs in parks across the City
- Completing the construction and renovation of Victory Park and McKinley Park Pools

**COMMUNITY SERVICES DEPARTMENT****GENERAL FUND  
LIBRARY SUBFUND (100-120)****PROGRAM DESCRIPTION**

This fund tracks the financial activities for the Stockton-San Joaquin County Public Library.

- Under City of Stockton management, library services have been made available County-wide since 1910.
- Currently, eight City and eight County facilities are open to the public between 25 and 56 hours per week.
- Resources for operations recorded in this Fund are provided from the City of Stockton General Fund, San Joaquin County General Fund, contracts for automation services, support from outlying cities, donations from individuals and charitable organizations, and fines and fee revenues.

**KEY CONSIDERATIONS**

While many expanded services are funded through Strong Communities, the General Fund supports core library services and centralized functions with an allocation to the Library Fund. The strong communities ordinance states the General Fund allocation for library and recreation services may not be lower than FY 2014-15 allocations unless there is a decrease in overall General Fund revenues, in which case the City Council may decrease support only to the level of the decrease in General Fund revenue. This maintenance of effort requirement is reviewed annually to ensure compliance with the measure.

In FY 2025-26, the Library will continue to focus on identifying services, resources, and programming that is responsive and reflective of community interests and needs. Goals include:

- Enhance customer experiences by implementing a new website
- Complete the design plan for the Chavez Central Library remodel project
- Initiate a renovation of the Linden Library
- Deploy a new bookmobile that will offer ADA compliance and programming opportunities

**COMMUNITY SERVICES DEPARTMENT****GENERAL FUND  
RECREATION SUBFUND (100-125)****PROGRAM DESCRIPTION**

This fund records the activities related to recreation facilities and programs that are funded by an allocation from the General Fund.

Arnold Rue, Stribley, and Van Buskirk community centers are open to the public 62 hours per week. Seifert Community Center is open 36 hours per week. Oak Park Senior Center is open to the public 45 hours per week. Recreation programs and facilities are enjoyed by thousands of Stockton residents and visitors every year. Facility rentals and registration fees, admissions, and the City's General Fund are used to support these programs.

**KEY CONSIDERATIONS**

The strong communities ordinance states that the General Fund allocation for library and recreation services may not be at any level lower than FY 2014-15 unless there is a decrease in overall General Fund revenues, in which case the City Council may decrease support only to the level of the decrease in General Fund revenue. This maintenance of effort requirement is reviewed on an annual basis to ensure compliance with the measure.

Recreation staff will continue to provide quality programming while focusing on expansion of youth services. Goals include:

- Increase social media presence and broaden marketing efforts
- Provide free swim lessons through a grant from the Brian M Stocker Fund from the San Joaquin Community Foundation
- Partner with MUSD and SUSD to provide increased public pool access and youth programming opportunities
- Increase safety measures at all recreation facilities

**COMMUNITY SERVICES DEPARTMENT****GOLF FUND (100-126)****PROGRAM DESCRIPTION**

Formerly enterprise fund 650, this fund tracks the financial activities related to the operation and maintenance of the Swenson Golf Course and the former golf course property at Van Buskirk. In January 2020, due to declining golf play and increasing General Fund subsidy, the City contracted with Kemper Sports Management, Inc. for a 15-year lease to operate the Swenson golf course, eliminating the General Fund subsidy and transitioning all profit and loss to Kemper Sports. While Kemper Sports is currently responsible for overall maintenance and repair of the golf course, the City is responsible for 25 percent of the cost to maintain, repair, or replace the water pump used primarily for the golf course, but also serves the adjacent city-owned Swenson Park. The City is also responsible for any required ADA compliance upgrades and potential capital improvements projects affecting Kemper Sports' ability to operate the golf course.

**KEY CONSIDERATIONS**

The Department oversees the 15-year lease agreement with Kemper Sports Management, Inc. for the City's Swenson Golf Course. The Department also continues to oversee the transition of Van Buskirk Golf Course into public recreational space. The City continues to maintain the land while staff plans the future re-use of the property as a recreation amenity. City Council approved a master plan and biological resources and ecosystem values report in August 2023, and recently accepted a Statewide Park Development and Community Revitalization Grant Award in the amount of approximately \$7 million for the Van Buskirk property. City staff will continue to seek additional grant funding opportunities.

General Funds are used for landscaping maintenance agreements, security, repairs, and support for Swenson Golf and the Van Buskirk property. With the current operating agreement, there is minimal financial risk to the City associated with this fund and the General Fund is the only source of funds. For this reason, a minimal fund balance is maintained in the fund.
