

**CITY OF STOCKTON
COMMUNITY FACILITIES DISTRICT NO. 2018-1
(ARCH ROAD/NEWCASTLE ROAD)**

**CERTIFICATE OF PUBLIC WORKS DEPARTMENT / CITY ENGINEER
(RE: NUMBER OF VOTERS)**

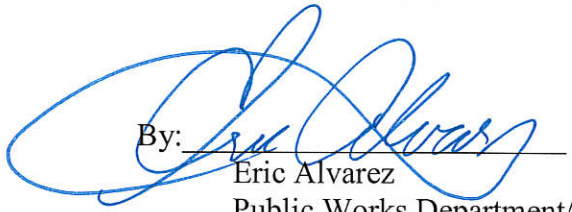

I, Eric Alvarez, City Engineer of Public Works Department of the City of Stockton, hereby declare:

I am familiar with the boundary map of the proposed City of Stockton Community Facilities District No. 2018-1 (Arch Road/Newcastle Road) (the "District"). I also prepared, from County records, the list of private property owners within the District attached hereto. I have also personally, or under my direction, inspected the land in the District. I have personally, or under my direction, cross-checked the records with the County Registrar of Voters, as well as inquired directly of the County Registrar's records. I have done all of this to determine the number of registered voters, if any, residing within the boundaries of the District.

Based on the foregoing, I have determined that, on June 19, 2018, there were fewer than 12 registered voters residing within the District.

Attached to this declaration are the names and addresses of the persons owning private property within the District. The total number of votes to be cast in this election is 60, based on the formula of one vote for each acre, or portion of an acre, owned.

CITY OF STOCKTON
