This Loan Agreement (the "Agreement") is entered into as of _____, 2015, by and between the City of Stockton, a public body, corporate and politic (the "City") and **San Joaquin Housing Investment Group, LLC**, a California limited liability company (the "Borrower"), with reference to the following facts, purposes and intentions.

RECITALS

A. The City of Stockton was allocated \$12.1 million in Neighborhood Stabilization Program ("NSP1") funds from the U.S. Department of Housing and Urban Development ("HUD") through the Housing and Economic Recovery Act of 2008 ("HERA") and \$4.2 million in a later round of funds ("NSP3") through the 2010 Dodd-Frank Act to acquire, repair and sell vacant, foreclosed properties; offer downpayment and closing cost assistance to low, moderate and middle income homebuyers; and acquire, rehabilitate and rent foreclosed properties to households with incomes at or below fifty percent (50%) of the Area Median Income ("AMI").

B. The City has adopted the 2008-09 Action Plan Amendment ("Action Plan") required by HUD for the allocation of funds and establishment of guidelines for the NSP1 by Resolution No. 08-0460 on November 18, 2008. On May 8, 2012, the City Council, by Resolution 11-0141, approved the allocation of funds and establishment of guidelines for the NSP3 Program.

C. The City has received Home Investment Partnership Act funds from HUD pursuant to the Cranston-Gonzales National Housing Act of 1990 ("Home Funds"). Such funds must be used by the City in accordance with 24 C.F.R. 92. et. seq.

D. The Borrower is the owner of that real property located at **1225 West El Monte Street**, Stockton, California, more particularly described in the attached Exhibit A (the "Property"). The Borrower intends to rehabilitate the improvements on the Property into eleven (11) units of multifamily housing (the "Development") and intends to rent all of the units to households whose incomes do not exceed 50 percent AMI as defined by HUD. The project will contain four (4) HOME-assisted units.

E. The City previously made a loan to Borrower in the amount of **Six Hundred Sixty Thousand Seven Hundred Twenty Five Dollars (\$660,725)** (the "Original City Loan") from HOME funds for the acquisition of the Property. The original City Loan is evidenced by a Predevelopment and Acquisition Loan Agreement dated June 5, 2013 (the "Original City Loan Agreement"), a Promissory Note of the same date (the "Original City Note"), a Regulatory Agreement dated June 5, 2013 and recorded on June 14, 2013 as Instrument No. 2013-079294 in the Official Records (the "Original City Regulatory Agreement"), and is secured by a Deed of Trust dated June 5, 2013 and

recorded on June 14, 2013 as Instrument No. 2013-079295 in the Official Records (the "Original City Deed of Trust"). This Agreement shall also evidence the Original City Loan, and through this Agreement, the Original City Loan shall be terminated as of the Effective Date. The Original City Note shall be canceled and the Original City Deed of Trust and Original City Regulatory Agreement shall be reconveyed to the Borrower as of the Effective Date.

F. Borrower wishes to borrow and the City wishes to extend an additional **One Million Three Hundred Sixty Five Thousand Dollars (\$1,365,000)** (the "Rehabilitation Loan") funded with NSP funds.

G. The parties desire for the Original City Loan and the Rehabilitation Loan to constitute one obligation in the aggregate amount of **Two Million Twenty Five Thousand Seven Hundred Twenty Five Dollars (\$2,025,725)** (collectively the "Loan"). The Loan will be evidenced by a new promissory note executed by the Borrower in favor of the City (the City Note), and secured by a deed of trust to be recorded against the Property (the "Deed of Trust"). In connection with the Loan, the City and Borrower shall enter into a regulatory agreement restricting the future use of the Property, which shall be recorded against the Property (the "Regulatory Agreement").

H. Through this Agreement and the accompanying Regulatory Agreement, the City is imposing occupancy and affordability restrictions on the Development pursuant to the terms of HOME, NSP and HUD guidelines.

I. The City has conducted an environmental assessment of the Project pursuant to the National Environmental Protection Act ("NEPA") and HUD's Environmental Review procedures at 24 CFR Part 58 and has determined that the Development will have no adverse environmental effects.

J. As more fully set forth in Section 7.8, this Agreement does not authorize the granting of the Land Use Approvals for the Development or the rehabilitation of the Development. Such actions may be authorized and will become possible only upon subsequent discretionary action of the City.

NOW, THEREFORE, in consideration of the recitals hereof and the mutual promises and covenants set forth in this Agreement, the parties agree as follows:

(iv) Annual Payments. Commencing on the first May 1 following completion of the rehabilitation of the Development, and on May 1 of each year thereafter for the Term of the Loan, Borrower shall make repayments of the outstanding principal and accrued interest on the Loan equal to fifty percent (50%) of the Residual Receipts from the preceding calendar year. Such annual payments shall be accompanied by the Borrower's report of Residual Receipts (including an independent auditor's report regarding the auditor's review of Annual Operating Expenses). The Borrower shall provide the City with any documentation reasonably requested by the City to substantiate the Borrower's determination of Residual Receipts.

(v) Payment in Full. All principal and accrued interest on the Loan shall be due in full on the earlier to occur of (i) the date of any Transfer not authorized by the City, (ii) the date of any Default (subject to applicable notice and cure rights), and (iii) the expiration of the Term.

(b) Prepayment. The Borrower shall have the right to prepay the loan at anytime. However, the Regulatory Agreement shall remain in effect for the entire Term, regardless of any prepayment.

Section 2.8 Reports and Accounting of Residual Receipts.

a) Audited Financial Statement. In connection with the annual repayment of the Loan, the Borrower shall furnish to the City an audited statement duly certified by an independent firm of certified public accountants approved by the City, setting forth in reasonable detail the computation and amount of Residual Receipts during the preceding calendar year.

b) Books and Records. The Borrower shall keep and maintain on the Property, or elsewhere with the City's written consent, full, complete and appropriate books, records and accounts relating to the Development, including all such books, records and accounts necessary or prudent to evidence and substantiate in full detail Borrower's calculation of Residual Receipts. Books, records and accounts relating to Borrower's compliance with the terms, provisions, covenants and conditions of this Agreement shall be kept and maintained in accordance with generally accepted accounting principles consistently applied, and shall be consistent with requirements of this Agreement which provide for the calculation of Residual Receipts on an accrual basis. All such books, records, and accounts shall be open to and available for inspection by the City, its auditors or other authorized representatives at reasonable intervals during normal business hours. Copies of all tax returns and other reports that Borrower may be required to furnish to any governmental agency shall at all reasonable times be open for inspection by the City at the place that the books, records and accounts of the Borrower are kept. The Borrower shall preserve records on which any statement of Residual Receipts is based for a period of not less than five (5) years after such statement is rendered, and for any period during which there is an audit undertaken pursuant to subsection (c) below then pending.

(c) City Audits. The receipt by the City of any statement pursuant to subsection (a) above or any payment by Borrower or acceptance by the City of any loan repayment for any period shall not bind the City as to the correctness of such statement or such payment. Within three (3) years after the receipt of any such statement, the City or any designated agent or employee of the City at any time shall be entitled to audit the Residual Receipts and all books, records, and accounts pertaining thereto. Such audit shall be conducted during normal business hours at the principal place of business of Borrower and other places where records are kept. Immediately after the completion of an audit, the City shall deliver a copy of the results of such audit to Borrower. If it shall be determined as a result of such audit that there has been a deficiency in a loan repayment to the City, then such deficiency shall become immediately due and payable with interest at the default rate set forth in Section 2.2(b) above, determined as of and accruing from the date that said payment should have been made. In addition, if Borrower's auditor's statement for any calendar year shall be found to have understated Residual Receipts by more than five percent (5%) and the City is entitled to any additional Loan repayment as a result of said understatement, then Borrower shall pay, in addition to the interest charges referenced hereinabove, all of the City's reasonable costs and expenses connected with any audit or review of Borrower's accounts and records.

Section 2.9 Non-Recourse.

Except as provided below, the Borrower shall not have any direct or indirect personal liability for payment of the principal of, or interest on, the Loan or the performance of the covenants of the Borrower under the Deed of Trust. The sole recourse of the City with respect to the principal of, or interest on, the Note and defaults by Borrower in the performance of its covenants under the Deed of Trust shall be to the property described in the Deed of Trust; provided, however, that nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement against all such security for the Note of all the rights and remedies of the City there under, or (b) be deemed in any way to impair the right of the City to assert the unpaid principal amount of the Note as demand for money within the meaning and intendment of Section 431.70 of the California Code of Civil Procedure or any successor provision thereto. The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of and payment of interest on the Note and the performance of the Borrower's obligations under the Deed of Trust, except as hereinafter set forth; nothing contained herein is intended to relieve the Borrower of its obligation to indemnify the City under Sections 4.6(c) and 7.5 of this Agreement, or liability for (i) fraud or willful misrepresentation; (ii) the failure to pay taxes, assessments or other charges which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (iii) the fair market value of any personal property or fixtures removed or disposed of by Borrower other than in accordance with the Deed of Trust; and (iv) the misappropriation of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Property.

Section 2.10 Term.

This Agreement and the Loan shall have a term (the "Term") that commences on the date of this Agreement and expiring fifty-five (55) years from the date of the issuance of the occupancy permit(s) for the Units.

Section 2.11 Repayment of the Loan.

All principal and interest on the Loan shall be due and payable, at the option of the City, upon the earliest of: (i) Transfer of the Development other than a Transfer permitted or approved by the City as provided in Section 4.11; (ii) the occurrence of an Event of Default for which the City exercises its right to cause the Loan indebtedness to become immediately due and payable; (iii) in the event of a Default by the Borrower under the Loan Documents that remains uncured after expiration of the applicable cure period or (iv) the expiration of the Term. Payments received from the Borrower shall be applied first to accrued interest, if any, and the remaining balance, if any, to principal.

Section 2.12 Development Schedule.

The Borrower shall perform the tasks identified on the Development Schedule, among others, with the proceeds of the Loan. The tasks shall be completed no later than the dates set forth in the Development Schedule attached to this Agreement as Exhibit C.

Section 2.13 Relocation Obligations.

If and to the extent that acquisition of the Property and rehabilitation of the Development results in the permanent or temporary displacement of residential tenants, homeowners, or businesses, then Borrower shall comply with all applicable local, state, and federal statutes and regulations (including without limitation California Government Code Section 7260 et seq. and accompanying regulations) with respect to relocation planning, advisory assistance, and payment of monetary benefits. Borrower shall be solely responsible for payment of any relocation benefits to any displaced persons and any other obligations associated with complying with such relocation laws.

Section 2.14 Affordability Restrictions.

Section 3.6 Development Pursuant to Plans and Laws; Prevailing Wages.

(a) Borrower shall develop the Development in conformance with the plans and specifications approved by the City. Borrower shall notify the City in a timely manner of any material changes in the work required to be performed under this Agreement, including any material additions, changes, or deletions to the Scope of Work approved by the City. A written change order authorized by the City must be

(c) The Borrower shall, and shall cause the contractor and subcontractors to, pay prevailing wages in the rehabilitation of the Development as those wages are determined pursuant to Labor Code Sections 1720 et seq. and implementing regulations of the Department of Industrial Relations. In such event, the Borrower shall, and shall cause the contractor and subcontractors to, keep and retain such records as are necessary to determine if such prevailing wages have been paid as required pursuant to Labor Code Sections 1720 et seq. In such case, during the rehabilitation of the Development, Borrower shall, or shall cause the contractor to, post at the Property the applicable prevailing rates of per diem wages. Borrower shall indemnify, hold harmless and defend (with counsel reasonably acceptable to the Agency and the City) the Agency and the City against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Borrower, its contractor and subcontractors) to pay prevailing wages as determined pursuant to Labor Code Sections 1720 et seq. and implementing regulation or comply with the other applicable provisions of Labor Code Sections 1720 et seq. and implementing regulations of the Department of Industrial Relations in connection with rehabilitation of the Development or any other work

undertaken or in connection with the Property. This Section shall survive the repayment of the Loan, and the reconveyance of the Deed of Trust.

Section 3.7 Marketing Plan.

(a) No later than the commencement of rehabilitation of the Development, Borrower shall submit to the City for approval its plan for marketing the Development to income-eligible households as required pursuant to the Regulatory Agreement including information on affirmative marketing efforts and compliance with fair housing laws.

(b) Upon receipt of the Marketing Plan, the City shall promptly review the Marketing Plan and shall approve or disapprove it within thirty (30) days after submission. If the Marketing Plan is not approved, Borrower shall submit a revised Marketing Plan within thirty (30) days. If the City does not approve the revised Marketing Plan because Borrower has not incorporated specific revisions reasonably requested by City, Borrower shall be in default hereunder.

Section 3.8 Equal Opportunity.

During the rehabilitation of the Development there shall be no discrimination on the basis of race, color, creed, religion, age, gender, sexual orientation, marital status, national origin, ancestry, or disability in the hiring, firing, promoting, or demoting of any person engaged in the construction work.

Section 3.9 Quarterly Progress Reports.

Until such time as Borrower has completed rehabilitation of the Development, Borrower shall provide the City with quarterly progress reports regarding the status of the rehabilitation of the Development.

Section 3.10 Construction Responsibilities.

(b) Borrower shall be solely responsible for all aspects of Borrower's conduct in connection with the Development, including (but not limited to) the quality and suitability of the plans and specifications, the supervision of construction work, and the qualifications, financial condition, and performance of all architects, engineers, contractors, subcontractors, suppliers, consultants, and property managers. Any review or inspection undertaken by the City with reference to the Development is solely for the purpose of determining whether Borrower is properly discharging its obligations to the City, and should not be relied upon by Borrower or by any third parties as a warranty or representation by the City as to the quality of the design or construction of the Development.

Section 3.11 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Property or a stop notice affecting the Loan is served on the City or any other lender or other third party in connection with the Development, then Borrower shall, within twenty (20) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the City a surety bond in sufficient form and amount, or provide the City with other assurance satisfactory to the City that the claim of lien or stop notice will be paid or discharged.

(b) If Borrower fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section, then in addition to any other right or remedy, the City may (but shall be under no obligation to) discharge such lien, encumbrance, charge, or claim at Borrower's expense. Alternately, the City may require Borrower to immediately deposit with the City the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. The City may use such deposit to satisfy any claim or lien that is adversely determined against Borrower.

(c) Borrower shall file a valid notice of cessation or notice of completion upon cessation of rehabilitation on the Development for a continuous period of thirty (30) days or more, and take all other reasonable steps to forestall the assertion of claims of lien again the Property. (b) Subject to the requirements of senior lenders, and if economically feasible in the City's reasonable judgment, if any improvement now or in the future on the Property is damaged or destroyed, then Borrower shall, at its cost and expense, diligently undertake to repair or restore such improvement consistent with the plans and specifications approved by the City with such changes as have been approved by the City. Such work or repair shall be commenced no later than the later of one hundred twenty (120) days after the damage and shall be complete within one (91) year thereafter, or such longer period for the commencement and completion as may be extended by the City in its reasonable discretion. Any insurance proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration.

ARTICLE 7 GENERAL PROVISIONS

The provision of this Section 7.5 shall survive the expiration of the Term and the reconveyance of the Deed of Trust.

Section 7.6 Non-Liability of City and City Official, Employees and Agents.

No member, official, employee or agent of the City or the City shall be personally liable to the Borrower, or any successor in interest, in the event of any Default or breach by the City, or for any amount which may become due to the Borrower or its successor or on any obligation under the terms of this Agreement.

Section 7.7 No Third Party Beneficiaries.

There shall be no third party beneficiaries to this Agreement.

Section 7.8 Discretion Retained by City.

The City's execution of this Agreement in no way limits the discretion of the City in the permit and approval process in connection with rehabilitation of the Development.

Section 7.9 Action by the City.

Except as may be otherwise specifically provided herein, whenever any approval, notice, direction, consent, request, extension of time, waiver of condition, termination, subordination, or other action by the City is required or permitted under this Agreement, such action may be given, made, or taken by the City Manager without further approval by the City Council and any such action shall be in writing. The City hereby authorizes the City Manager to deliver such approvals or consents as are required by this Agreement, or to waive requirements under this Agreement on behalf of the City.
