Attachment A - Measure P Maps

Attachment B - Proposed Ordinance - Redline Version

Proposed Ordinance - Medical Cannabis

Around the Bench Memo - Agenda Item 5.1-Measure P Maps

Public Comment

Howard Seligman - supports limiting the number of conditional use permits; opposes setting limits as it eliminates potential, qualified applicants for consideration; suggested setting maximum 30 day time limit to which applicants can submit applications

Adam Pressler-Smith - spoke in opposition to the suggestion of raising the citywide dispensary capacity to 6

Ron Bernasconi - supports proposed capacity limit; favored a time limit for applications

Bobby Bivens - spoke to experience gained during service on a previous selection committee; monitoring program; suggested five-year ban for violators

George Boyadjian - spoke to Colorado statistics; previous inquiry about City of Stockton application process; Medical Cannabis Regulatory and Safety Act as of January 1, 2018 State of California application process available online; existing local dispensaries license status;

Ron Bernasconi - opposes first come first served selection process; suggested having background checks as part of security plan and not after application approval process

Bobby Uppal - shared information on other jurisdiction's processes followed; establish set criteria and timelines; application selection to be based on performance and merit

Douglas Chloupek - referenced language in ordinance outlining application process for cultivation sites; states no physical application exists to follow process; proper background checks imperative

Bobby Bivens - spoke to prior selection process; the number of dispensary and cultivation site applications; urged Council to pause before making decisions; expressed opinion that current field of applicants too narrow, not a level playing field

Motion: Approve Motion to Limit the number of Conditional Use Permit (CUP) applications that may be processed consistent with the number of available Operator Permits under the applicable cap.

Moved by: Elbert Holman, seconded by Susan Lofthus.

Motion fails - needing 4/5's vote
