C. Mel Lytle, Director
City of Stockton Municipal Utilities Department
2500 Navy Dr.
Stockton, CA 95206

Dear Mr. Lytle,

Thank you for taking the time to read my request, I am writing to ask for reinstatement to my former position of Collection Systems Operator with the City of Stockton Municipal Utilities Department.

As you know, I recently accepted a position within the City of Antioch. The increase in pay, retirement benefits and medical insurance were too enticing to pass up, however the new job is not fulfilling and does not seem to be worth the extra money or benefits. I miss being engaged with my duties, my peers and the overall variety the job had to offer.

I truly regret my decision to leave the City of Stockton, if you chose to reinstatement me I can assure you that I can offer a long-term commitment to the company.

Thank you in advance for your consideration. I look forward to hearing from you and I'm available at your convenience for conversation. I can be reached at 209-608-2454.

Respectfully,

Joseph Dollar
