Petition in support of Type 20 off sale Beer & Wine License

MAR - 3 2016

Community Development
Permit Center/Building Division

United Gasoline

3440 East Main Street, Stockton, CA 95205

The above mentioned business has applied for a conditional use permit with the City of Stockton. The property is commercial / retail zoned and currently operates as a gas station and will so indefinitely. The proposed application would allow the business to sell beer and wine for consumption off the premises. The Department of Alcoholic Beverage defines the proposed license as:

"Type: 20 OFF SALE BEER & WINE - Authorizes the sale of beer and wine for consumption off the premises where sold. Minors are allowed on the premises."

By providing my signature below I acknowledge I am at least 21 years old and strongly support the issuance of a use permit and liquor license to United Gasoline located at 3440 East Main Street, Stockton, CA 95205. I urge the City of Stockton Planning Commission to approve the application to permit United Gasoline to sell beer and wine under a type 20 ABC license.
