## Interests & Experiences

**Please tell us about yourself and why you want to serve.**

I'm a life-long Stocktonian who now has time to serve on a commission. I have been in healthcare administration for 30+ years so I am familiar with personnel and personnel issues, labor relations, dispute resolution, etc. The healthcare industry is very heavily regulated, so I am adept at working within such constraints as city, county, state and federal regulations. I don't believe I would be intimidated by the civil service rules and regulations.

**Please state the reason you would like to be a member of this board/commission.**

I have always had an interest in labor relations/personnel management (my undergrad degree is in Labor Relations). I also believe I can bring a level of maturity and thoughtfulness to any committee.

**Have you served on an advisory group before?**

☒ Yes ☐ No

**If yes, please explain.**

Not at a governmental level, but in during my working career I was on a vendor/client advisory board, I was the president of a software user group and the treasurer of a local neighborhood recreation association.
