The total amount of release time in the bank, including any carryover, will at no time exceed five hundred (500) hours. At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall not constitute a rejection of the probationer as defined in Civil Service Rules.

This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three (3) times shall have their name removed from this reemployment list unless mutually agreed to by the Department and employee. Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process. Day – shall mean day(s) in which the City's Human Resources Office is open for business.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) working days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) working days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the City Manager or their designee and the Union Business Agent or their designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) working days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists,

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

the procedure hereinafter specified may be invoked. An email will suffice as a formal submission of a Step one (1) Grievance. The Union agrees to state in the subject line of the email "Grievance."

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at Step one (1), then the employee may appeal the grievance to the Director of Human Resources within twenty (20) working days of the receipt of written response at Step one (1). Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) working days to investigate the issues, meet with the complainant, and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) Step 3 - Arbitration. If the parties are unable to reach a mutually satisfactory accord on the grievance at Step two (2), within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) Effect of Decision. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this MOU or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this MOU, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

MOU or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in this MOU or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this MOU shall be considered as grievances and processed pursuant to section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the MOU which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than one-hundred and eighty (180) calendar days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this section.

The provisions of this section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in units represented by the Union shall be processed under this section. If the Stockton Municipal Code and/or the Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

No action under paragraph (c) of Subsection 8.3 above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission or if the complaint or grievance is pending before the Civil Service Commission.

If any award by an arbitrator requires action by the City Council or the Civil Service Commission before it can be placed in effect, the City Manager and the Director of Human Resources will recommend to the City Council or the Civil Service Commission, as appropriate, that it follow such award.

TERM: JULY 1, 2023 - JUNE 30, 2026

annual sick leave accrual in the case of illness or injury in the employee's immediate family when such illness or injury requires personal care that otherwise would not be covered by the Family Medical Leave Act (FMLA) or the California Family Rights Act (CFRA) leaves.

Such leave shall be restricted to the employee's parents, spouse, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent and grandchild, legal dependent, registered domestic partner, and "designated person." For purposes of paid sick leave, a "designated person" means a "person identified by the employee at the time the employee requests paid sick leave." An employee may select one (1) person as a "designated person" in a twelve (12) month period.

In special cases, with the approval of the Director of Human Resources, a department head may grant the use of sick leave in other circumstances.

It is not the intent of this provision to conflict with any state or federally mandated policies, such as FMLA, CFRA, or Pregnancy Disability Leave (PDL).

(d) Reporting Procedures for Sick Leave. When the requirement for sick leave is known to the employee in advance of the absence (for example, including but not limited to scheduled medical, dental or vision appointments), the employee shall request authorization for such sick leave from the department head prior to such absence.

If an employee is not able to report due to illness or injury, the employee shall report as soon as possible to the appropriate supervisor, but in no case more than thirty (30) minutes after the start of the work day, except for extenuating circumstances prohibiting giving notice. Each Supervisor will have the authority to identify acceptable forms of sick leave notification and will provide acceptable forms of sick leave notification in writing to employees; however, at all times the employee must contact their direct supervisor directly when not able to report to work. If the employee's direct supervisor is unavailable, the employee must contact the next-level supervisor.

Failure to notify as soon as possible and in conforming to the thirty (30) minute notification shall be cause for the following disciplinary action:

- (1) For the first time within a six (6) month period, a Memorandum of Discussion.
- (2) For the second time within a six (6) month period, a Letter of Reprimand.
- (3) For any subsequent time within a six (6) month period,

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU**TERM: JULY 1, 2023 - JUNE 30, 2026**

suspension from work; or at any time four (4) or more incidents occur within a six (6) month period, the employee may be discharged.

The six (6) month period will be defined as six (6) months from the most recent incident. If no other incident occurs within six (6) months of the most recent incident, the disciplinary data will be removed from the employee's active file.

(e) Verification Procedures

(1) Before being paid for the use of accrued sick leave, the employee shall submit a request for sick leave form, stating the dates and hours of absence, and the type of sick leave being requested such as sick leave for self, family member and/or FMLA.

(2) Doctor's Certificate or Other Proof. The Director of Human Resources may require a doctor's certificate or other reasonable proof of illness as they deem necessary in order for an employee to receive an excused absence from work and sick leave pay. The employee shall be given notice prior to returning to work that they will be required to provide such documentation. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a doctor's certificate or other reasonable proof of illness in order to receive an excused absence and sick leave pay. If an employee's illness results in an absence from work for more than three (3) consecutive days, a doctor's certificate or other reasonable proof of illness may be required. In addition, the City may monitor and control the appropriate use of sick leave by employees and if reasonable cause is articulated, can limit use of sick leave and require additional verification.

(3) If the City has a reasonable basis to believe that an employee is abusing the sick leave benefit, the City or the employee's supervisor must first meet with the employee to: 1) explain the reasonable basis for the believed abuse, and 2) discuss the reasons for the employee's absence. The employee has the right to Union representation at such meeting. After such meeting, and depending on the factual circumstances, the City may:

(a) Place the employee on restricted sick leave for a period of not more than four (4) months, under the direction of the Director of Human Resources pursuant to section (e)(2) above;

(b) Suspend the employee without pay for up to five (5) days for abuse of sick leave; or dismissal from employment if a prior suspension involved abuse of sick leave;

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

(c) Place the employee in an employee assistance program, if agreed to by the employee.

(f) Use of Sick Leave While on Vacation. An employee who is injured or who becomes ill while on vacation may be paid for sick leave in lieu of vacation provided that the employee:

(1) Was hospitalized during the period for which sick leave is claimed, or

(2) Received medical treatment or diagnosis and presents a statement indicating disabling illness or injury signed by a physician covering the period for which sick leave is claimed.

(g) Payment for Unused Sick Leave for Unit Employees. Effective February 17, 2012, all accumulated or future accruals of sick leave shall have no cash value upon separation of employment and employees shall not be allowed to cash out unused sick leave except as provided below.

(h) CalPERS Service Credit for Unused Sick Leave. Employees shall be eligible for CalPERS service credit for any unused sick leave at retirement not otherwise compensated for in (i) below. Employees hired on or after December 29, 2012 shall not be eligible for this service credit.

(i) Sick Leave Retention Benefit. If, after subtracting the equivalent of one (1) full year of service credit (2080 hours), which may be applied to CALPERS service credit, any balance remaining upon separation shall be paid as follows to employees who have remained in City service until the dates specified:

(1) Separation prior to July 1, 2014, no payment of unused sick leave at separation shall occur for separating employees before this date;

(2) Separation between July 1, 2014 and June 30, 2015, payment of unused sick leave which the employee held on February 16, 2012, shall be paid at thirty five percent (35%) of its cash value to separating employees between these dates; and

(3) Separation after July 1, 2015, payment of unused sick leave which the employee held on February 16, 2012 shall be paid at fifty percent (50%) of its cash value to separating employees after this date.

(4) Service credit for unused sick leave shall be in accordance with PERS regulations.

9.3 Other Leaves with Pay

(a) Bereavement Leave. In the event of a death in the immediate family of an employee, the employee shall, upon request, be granted up to three (3) days bereavement leave with pay without charge to their accumulated sick leave or annual leave. The employee shall, upon request, be granted an additional two (2) days bereavement leave which shall be charged against the employee's accumulated sick leave or annual leave. For the purposes of this paragraph, the immediate family shall be restricted to the employee's parents, spouse, mother-in-law, father-in-law, child, stepchild, brother, sister, brother-in-law, sister-in-law, grandparent, grandchild, and registered domestic partner.

In the event of the death of a person not immediately related to an employee as defined above, the employee's department head may grant up to three (3) days bereavement leave, upon request, which shall be charged against the employee's accumulated sick leave or annual leave. If the deceased is the person who is the employee's current "designated person" for purposes of family sick leave pursuant to Section 9.2(c), the request to use sick leave or annual leave shall not be unreasonably denied.

(b) Court Appearance. Upon approval by the department head, an employee, other than a provisional or temporary employee, shall be permitted authorized absence from duty for appearance in Court because of jury service, in obedience to subpoena or by direction of proper authority, in accordance with the following provisions:

Said absence from duty including necessary travel time, will be for actual hours served on jury duty or testifying as a witness in a criminal case, other than as a defendant. This shall include the time from when the employee is ordered to appear until the time the employee is released from the court. As a condition of receiving such pay, the employee must remit to the City, through the employee's department head, within fifteen (15) days after receipt, all fees received except those specifically allowed for mileage and expenses.

If an employee is not due to appear for jury duty or as a witness until an afternoon court session, the employee will be expected to work their usual morning schedule. If an employee is required to appear for a morning court session and is sent home before noon and not required to return in the afternoon, the employee will be expected to work his usual afternoon schedule.

Said absence from duty will be without pay when the employee appears in private litigation to which the City of Stockton is not a party.

Any fees allowed, except for reimbursement of expenses incurred, shall be remitted to the City through the employee's department head.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

Notwithstanding the foregoing, attendance in court in connection with an employee's official duties or on behalf of the City of Stockton in connection with a case in which the City of Stockton is a party, together with travel time necessarily involved, shall not be considered absent from duty within the meaning of the section.

(c) Military Leave. An employee of the City who is a member of the National Guard or Naval Militia or a member of the Reserve Corps or Force of the Federal Military, Naval or Marine Service and is ordered to duty shall be granted leave with pay while engaged therein, provided the leave does not exceed thirty (30) days in any calendar year.

All regular status employees in the service of the City shall be allowed a leave of absence without pay for duration of a national emergency who have been inducted into the Army, Navy, Marine Corps, Air Force or any other branch of the Military Service of the United States or the State of California. Said employees shall be reinstated in the position they held when they were inducted into Military Service, except as hereinafter stated, providing they are physically fit as shown by a medical examination by the City Physician or other physician appointed to make a medical examination.

In the case of a probationary employee having served a minimum probationary period of six (6) months at the time of induction, it shall be optional with the department head and the City Manager to grant regular status to said employee before induction.

All probationary employees inducted into Military Service not having served the minimum probationary period of six (6) months, or having served the minimum probationary period of six (6) months, but not having received regular status shall be allowed a leave of absence without pay for the duration of a national emergency, but said employees shall be placed at the head of the eligible list for such position in the order of their seniority of employment and when appointed to a vacant position, they must be physically fit as above specified and shall serve the balance of their probationary period before attaining the status of a regular status employee.

Two (2) or more regular status employees granted a military leave of absence without pay from the same position shall be reemployed according to their seniority of employment providing they are physically fit as above specified.

9.4 Workers' Compensation Leave

(a) Workers' Compensation Benefits shall be provided in accordance with State law and schedules whenever an employee is absent from duty because of

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

disability caused by illness or injury arising out of and in the course of employment which has been declared to be compensable under the Workers' Compensation Law. An employee on Workers' Compensation may use accrued leave, if needed, to supplement benefits, up to the amount required to receive a full paycheck.

(b) Forms and Procedures. Workers' compensation processing shall be consistent with City procedures and in accordance with state workers' compensation regulations. An employee who sustains a work-related injury or illness shall immediately inform their supervisor no matter how minor an on-the-job injury may appear. An employee who sustains a work-related injury or illness is required to seek medical care at facilities designated by the City unless they have filed a pre-designation of personal physician prior to sustaining the work-related injury or illness. For a list of City designated medical care facilities and/or physicians, please contact the Human Resources department.

9.5 Leave of Absence Without Pay

(a) Entitlement. Employees shall not be entitled to a leave of absence without pay as a matter of right, but only upon the determination of the City that the granting of such leave is in the best interest of public service and that there is a presumption the employee intends to return to work upon the expiration of the leave of absence. Leaves of absence are subject to eligibility in accordance with state and federal guidelines. The granting of a leave of absence provides the employee the right to return to the position vacated.

(b) Approval. All leaves of absence without pay must be recommended by the department head and approved by the Director of Human Resources. No such leave may extend beyond twelve (12) months, except in the case of absence due to job incurred disability where a determination may be made based upon the needs of public service, or in the event an application for service connected disability retirement has been filed.

(c) All leaves without pay must be recommended by the department head and approved by the Director of Human Resources. Leaves of absence approved in accordance with state and federal guidelines may be taken without pay for illness following the exhaustion of entitlement of sick, vacation, and other accrued leave hours.

9.6 Absence Without Official Leave (AWOL)

(a) Refusal of Leave or Failure to Return after Leave. Failure to report for duty or failure to report for duty after a leave of absence request has been disapproved, revoked, or canceled, or at the expiration of a leave, shall be considered an absence without official leave.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU**TERM: JULY 1, 2023 - JUNE 30, 2026**

(b) Voluntary Resignation. Any employee in this bargaining unit absent without official leave for two (2) or more consecutive scheduled days without a satisfactory explanation as approved by the Director of Human Resources shall be deemed to have voluntarily resigned from the City of Stockton. An employee must provide a written statement to the Human Resources Department regarding a "satisfactory explanation", within ten (10) calendar days after the City mails a notice of voluntary resignation to the employee's last known address.

Section 10. Days and Hours of Work**10.1 Workweek**

The normal work week for employees is defined as either the traditional work week consisting of eight (8) hours per day, five (5) days per week; the alternate 9/80 work schedule consisting of 9 hour work days Monday through Thursday, 8 hour workday on Friday with every other Friday off; or the twelve (12) hour workday shift schedule. Employees assigned to the eight (8) hour and twelve (12) hour schedules have a defined work week that starts at 12:00 a.m. Sunday through 11:59 p.m. Saturday; the 9/80 schedule work week starts mid-shift Friday through the following mid-shift Friday. Where operational requirements of a department require deviations from these schedules, the department head with City Manager approval may institute alternate work schedules as long as the City meets with the Union over the impact of such schedules and conforms to work period requirements of the FLSA. Twelve (12) hour workday employees are not set up in the City's payroll system as "salaried" and therefore are paid for actual hours worked each pay period (i.e. no salary adjustment); however when the City implements its new payroll system, all employees may be paid for actual hours worked each pay period only (i.e. no more salary adjustment).

10.2 Meal Periods and Rest Periods

(a) Employees shall receive a one (1) hour or one half-hour (1/2) meal period, without pay, each day and a fifteen (15) minute paid rest period during the first half of the work day and a second fifteen (15) minute paid rest period during the second half of the work day. Employees who exceed the time limits prescribed above for lunch and/or rest periods shall have their pay reduced accordingly.

(b) Where operational requirements of a department require deviations from this schedule, meal periods of other durations and alternate rest periods may be instituted with the approval of the Department Head or Designee.

10.3 Reporting to Work

Repeated failure to report to work on time may result in appropriate discipline as set forth below:

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

- (a) For the first time in a six (6) month period, a Memorandum of Discussion.
- (b) For the second time within a six (6) month period, a Letter of Reprimand.
- (c) For any subsequent time within a six (6) month period, suspension from work; or at any time four (4) or more incidents occur within a six (6) month period, the employee may be discharged.

If an employee reports to the work site after the designated starting time, the employee will be paid only for time actually worked; however, the employee may be allowed to utilize annual leave for lost pay, provided the employee's supervisor approves.

Any Memorandum of Discussion or Letter of Reprimand regarding tardiness which is more than six (6) months old will be removed from the personnel file upon request.

Section 11. Overtime

11.1 Overtime Authorization

All compensable overtime must be authorized by the department head or their designated representative in advance of being worked. If prior authorization is not feasible because of emergency conditions, a confirming authorization must be made on the next regular working day following the date on which the overtime was worked.

11.2 Definition

The following provisions pertaining to authorized or statutorily required overtime work shall apply to non- FLSA exempt employees.

- (a) Statutory overtime shall be paid on actual time worked in excess of forty (40) hours in any workweek. Such overtime shall be paid for at time and one-half (1-1/2) including employees employed on a per hour or per day basis or except as provided elsewhere herein. Observed holidays, floating holidays, jury duty leave, bereavement leave, and sick leave hours taken shall be considered as time worked for overtime calculation purposes. Vacation, or other compensated time off shall not be considered as actual time worked.
- (b) On a holiday observed by the City an employee who is not regularly scheduled to work holidays shall be paid for a regular work day (pursuant to holiday benefit under section 12) plus time and one-half (1-1/2) for actual time worked including employees employed on a per hour or per day basis, or except as

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

provided elsewhere herein.

(c) The City may require mandatory overtime when operational needs exist and if the City dictates the need to work such overtime. Work in excess of forty (40) hours worked as defined in (a) above in any workweek that qualifies for overtime will be paid or taken as Compensatory Time-off (CTO) in accordance with section 11.5(b).

(d) Notwithstanding subparagraph "(a)" above, effective September 1, 2024 and continuing for a period of twelve (12) months, vacation leave taken within the work period shall also count as actual time worked. The parties agree that the cost value of this modification is approximately zero point three percent (0.3%) of salary for the bargaining unit and is funded by the delay in the 2023 COLA. This pilot program will sunset at the end of twelve (12) months. However, during the pilot program, the parties agree to evaluate the economic and operational impacts of this change and will negotiate over modifications to or continuation of this structure as part of successor contract negotiations.

(e) Temporary Upgrade Pay. Employees assigned to work overtime in a position or classification other than the position or classification to which they are permanently appointed to, will be paid overtime at the hourly rate attached to the position or classification in which they are performing such overtime work.

11.3 Standby Duty

When warranted and in the interest of City operation, department heads or their designee may assign employees to "standby" status.

(a) Application of "standby" shall be as follows:

(1) Each employee so assigned to "standby" shall be provided with a communication device while on standby and shall be able to report to the work site with best efforts within thirty (30) minutes; in no event longer than forty-five (45) minutes. Employees on Standby shall ensure that they are available and able to return to work to perform their assigned duties.

(2) Employees on standby shall have the option to trade hours of standby status with another qualified employee in the same unit or division with departmental approval.

(3) Standby shall be assigned in a minimum of eight (8) hour blocks., i.e., Monday - Friday work week standby can be eight (8), sixteen (16), twenty-four (24) hour blocks. The block of standby will be to one (1) person per a twenty-four (24) hour period.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

Standby for weekends i.e., Saturday, Sunday or extended holiday weekends (Friday – Sunday, or Saturday – Monday) will be assigned 8 - 48 hour blocks to one (1) person per weekend (up to seventy-two (72) hours for holiday weekend).

(b) Compensation of "standby" shall be as follows:

(1) Effective May 1, 2024, employees assigned to standby duty shall be paid four dollars (\$4.00) per hour while assigned to be on standby. An employee shall earn time and one-half (1-1/2) for all actual time worked while on standby duty status only if eligible for overtime as defined in section 11.2 above. An employee shall not continue to receive the "standby" premium during actual time worked, or for any hours paid as overtime or call back. Standby is not considered as time in "paid status because of work performed" for purposes of calculating overtime.

11.4 Call Back

Employees called back to work from off duty status, shall be compensated for a minimum of two (2) hours and forty-five (45) minutes pay at time and one-half (1-1/2) or actual time worked at time and one-half (1-1/2), if eligible for overtime as defined in section 11.2, above, whichever is greater.

When authorized by the department, employees who are contacted and who provide remote support via telephone, Internet, or network connection will be paid time and one-half (1-1/2) for time worked in fifteen (15) minute intervals, if eligible for overtime as defined in section 11.2 above. Intervals cannot be compounded or overlapped.

To be eligible for call-back pay, both of the following conditions must be met:

- (a) The call-back must occur outside of the employee's regular work hours; including overtime.
- (b) The call-back time worked must not be contiguous to the employee's regular work hours; including overtime.
- (c) An employee is ineligible to receive a premium for both standby and call back. For example, employees shall not receive standby pay for hours in which they are paid overtime or call back pay.

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

(a) Definition. As used in this section, the term Compensatory Time refers to that time which an employee is entitled to be absent from duty with pay for hours worked in addition to or excess of their normal work schedule.

(b) Accrual. For hours worked in excess of forty (40) hours in a seven (7) day work period as defined in section 11.2(a), Compensatory Time may be earned at the rate of time and one-half (1-1/2). No more than one hundred (100) hours (forty [40] hours worked at time and one-half [1-1/2]) may be carried on the books at any time.

(c) Use. Use of Compensatory Time shall be scheduled with due consideration for the wishes of the employee and so as to not interfere with the normal operation of City business. Approval of requests for use of Compensatory Time shall be at the sole discretion of the department head, but once approved, cannot be changed unless an emergency situation arises.

(d) Payment. Once one hundred (100) hours of Compensatory Time is accrued on the books, all other hours worked in excess of forty (40) hours in a seven (7) day work period will automatically be paid.

At the end of each calendar year, all CTO will be carried forward (40 hours maximum), unless the employee elects to have the compensatory balance paid. Carryover CTO cannot exceed the forty (40) hours maximum.

Any CTO balance in excess of forty (40) hours remaining at the end of the calendar year will automatically be paid to the employee.

Such a salary may not be more than the maximum salary for the class to which that employee is appointed.

15.3 Salary Equivalents

Any monthly, daily or hourly rate of pay may be converted into an equivalent rate of pay, or to any other time bases when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases the City shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates. Overtime rate and premium pay shall be calculated according to the provisions of the FLSA.

15.4 Salary Step Plan

- (a) There shall be five (5) to seven (7) salary steps in each range.

The first step shall be the minimum rate and shall be the normal hiring rate for the class. (In a case where a person possesses unusual qualifications, the Director of Human Resources may authorize appointment above the first step after receiving the recommendation of the department head. The same provision shall apply to hourly paid and part-time employees.)

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

If a department head recommends withholding increases to salary steps two (2) through seven (7) because an employee has not achieved the level of performance required, notice must be received by the City Manager at least four (4) weeks in advance of the employee's eligibility date. The affected employee shall be furnished a copy of the department head's recommendation. Failure to abide by the above four-week limitation shall not automatically cause a step increase to be granted; however, if an employee does not receive notice by the actual anniversary date, the increase shall be automatically granted.

The second step shall be paid upon the satisfactory completion of six (6) months service at the first step.

The third step shall be paid upon the satisfactory completion of one (1) year service at the second step.

The fourth step shall be paid upon the satisfactory completion of one (1) year service at the third step.

The fifth step shall be paid upon the satisfactory completion of one (1) year service at the fourth step and upon written recommendation of the department head.

The sixth step shall be paid upon the satisfactory completion of one (1) year service at the fifth step and upon written recommendation of the department head.

The seventh step shall be paid upon the satisfactory completion of one (1) year service at the sixth step and upon written recommendation of the department head.

Regardless of an employee's length of service, step advancements in any given class may be made upon recommendation of the department head with the approval of the Director of Human Resources, but not above Step 7 for a given range.

Salary step increases shall be effective the first day of the pay period following appointment or revision. If the date of appointment or revision is the first day of a pay period, salary step increases shall be as of that date.

Changes in an employee's salary because of promotion, demotion, postponement of salary step increase or special merit increase will set a new salary anniversary date for that employee, which date shall be as stated in the preceding paragraph.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

(b) Salary Step Entry-Level Classifications. The City Manager may create a

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU
TERM: JULY 1, 2023 - JUNE 30, 2026

15.6 Salary Step When Salary Range is Increased

Whenever the monthly schedule of compensation for a class is revised, each incumbent in a position to which the revised schedule applies shall be entitled to the step in the revised range which corresponds to the employee's step held in the previous range, unless otherwise specifically provided for by the Director of Human Resources.

15.7 Salary Step After Promotion or Demotion

(a) When an employee is promoted from a position in one class to a position in a higher class, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher class, that employee shall be entitled to the next step in the salary scale of the higher class which is at least five percent (5%) above the employee's current base salary, except that the next step shall not exceed the maximum salary of the higher class. Add pays are not included in the calculation of base salary for purposes of this section. When an employee is promoted into another bargaining unit, the new bargaining unit's salary on promotion rules shall apply.

(b) When an employee is demoted, whether such demotion is voluntary or otherwise, that employee's compensation shall be adjusted to the salary prescribed for the class to which demoted.

(1) If the salary of the employee is reduced for cause or disciplinary reasons, the employee shall receive the salary at the same step prior to promotion.

(2) If the salary of the employee is reduced through no fault of the employee (i.e., layoff), the salary at demotion shall be at the nearest lower salary to that which was received prior to the demotion.

15.8 Transfer

OPERATIONS AND MAINTENANCE UNIT SUCCESSOR MOU

An employee may be transferred from a class in one department, or to a position of the same class in another department, or to a comparable class, with the approval of both the employee and Department Heads. In the case of a comparable class, the employee must be qualified, as determined by the Director of Human Resources. The Director of Human Resources, in making such a determination, must assure that the maximum salary rate for the classes in question must be equal to or less than the employee's current top step salary, and shall consider, among other things, whether the employee possesses the minimum qualifications for such class, and is able to demonstrate through education, experience, or successful completion of pertinent tests, that they are qualified for the transfer. If the transfer involves a change from the jurisdiction of one appointing authority to another, both must consent thereto.

15.9 Salary on Reinstatement

If a former employee is reinstated in the same position previously held or to one carrying a similar salary range, the employee's salary shall not be higher than the salary at the time of separation unless there has been an increase within the salary range.

If a former employee is reinstated to a position in a lower class, the employee's salary shall be set at the same step previously held, but in the pay range of the lower classification.

15.10 "Y" Rate

When an employee's classification is changed to a lower paid classification as the result of a classification study or other action, the employee may be placed on a "Y" rate. A "Y" rate means that the monthly compensation for the employee shall remain in effect until such time as further changes in the pay range of the new classification exceeds the "Y" rate.

15.11 Acting Pay

(a) General Provisions. Any employee in this unit who is assigned by a supervisor to work in a higher paid classification for two (2) or more hours in one (1) day, shall receive the rate of pay in the step of the higher classification which would have been received if the employee had been promoted into that classification, or at least five percent (5%) more than the employee's salary in the present classification, whichever is greater. Out-of-class assignment pay during overtime status will commence at the first hour worked.

(b) When there is an existing promotional eligibility list, and acting pay assignment is expected to be for more than twenty (20) work days, acting pay shall be assigned from the top three (3) on the promotional eligibility list. If the

In the event that Federal legislation changes the current applicability of the FLSA, both parties agree to consult and/or confer on the impacts of such legislation to the extent required by law.

Appendix C. Side Letter of Agreement
Longevity Incentive

1. The provisions of this APPENDIX C Side Letter of Agreement only to Employees identified in the corresponding attachment marked as APPENDIX C and cannot be amended, changed, or deleted unilaterally by either party. However, nothing contained herein prohibits the parties from mutually agreeing to changes, but neither party can be compelled to negotiate and/or agree to any changes to this Side Letter of Agreement.
2. Effective March 1, 2008, employees identified in APPENDIX C shall be entitled to receive the amounts noted for each year of service up to a maximum of 5 years. The total amounts shown are intended to be paid on a monthly basis by the date shown (e.g., for amounts totaling \$15,000, \$1,250.00 shall be paid monthly, so the total amount noted shall have been paid out by 3/1/2009).
3. Employees listed in APPENDIX C shall be entitled only to the amount earned (in paid status) for that month. If an employee terminates employment or is in an unpaid status for a period less than one month, the amount noted shall be prorated for the days in paid status, including paid sick and annual leave. Employees shall not be entitled to payment not earned (unpaid leaves of absences, termination).
4. The amounts noted herein shall not be subject to cost-of-living increases, promotions or other increases to base pay that said employees may earn during the term of this Agreement. Employees who sever their employment relationship with the City and are subsequently reinstated or re-employed, shall not be eligible for any payment herein upon reinstatement or re-employment, except as may be awarded by a court of law or arbitrator.
5. The Longevity Incentive shall be reported to PERS as "PERSable" income by the City.
