Dear Ms. Solina

City of Stockton Municipal Utilities Department Operations & Maintenance Unit held an election asking its members to vote on the following matter:

*SDI is a partial wage-replacement insurance plan that provides affordable, short-term benefits to eligible workers. The program is funded through employee payroll deductions at a cost of .009% of salary up to a maximum of \$960.68 per employee, per year \$106.742x .009%. If approved. All MUD O&M represented employees must participate.*

*I vote to approve the implementation of the SDI Program*

*I vote to reject the implementation of the SDI Program*

The results are as follows:

Total votes received:	43

I request the SDI matter be placed on the City Council's Agenda for approval.
