Subject: Reinstatement as Supervising Accountant

Dear Rosemary,

I am writing to express my interest in being reinstated as a Supervising Accountant at the City of Stockton. Having previously held this role, I deeply valued the work I did, the colleagues I collaborated with, and the contributions I made. I am eager to return and bring my skills, experience, and dedication back to the team.

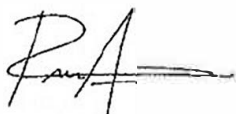

My decision to leave was driven by challenges with the management structure at the time, which I found hindered my ability to perform at my best. Despite this, my passion for the role and my commitment to the City's mission never wavered. I loved overseeing the accounting team, ensuring accuracy in financial reporting, streamlining processes, and fostering a collaborative environment. The opportunity to solve complex financial challenges was immensely fulfilling, and I miss being part of such a dynamic organization.

Since my departure, I have continued to hone my expertise in accounting and leadership, staying current with industry best practices and advancements in financial software. My recent experience has strengthened my skills, which I believe would allow me to seamlessly reintegrate and deliver immediate value. I am confident that the management challenges that once existed have been addressed, and I am excited about the prospect of contributing to a positive and productive work environment.

Reinstating me as a Supervising Accountant would enable me to leverage my proven track record of driving accuracy, efficiency, and team success. I am committed to supporting the City of Stockton's objectives, and ensuring the highest standards of financial integrity.

Thank you for considering my request for reinstatement. [REDACTED]
