Any such changes will be set forth in a Contract Change Order which will specify, in addition to the work done in connection with the change made, adjustment of contract time, if any,

and the basis of compensation for such work. A Contract Change Order will not become effective until approved by the authorized City official.

The Contract shall then be deemed terminated and no further work shall be performed by Consultant. If the Contract is so terminated, the Consultant shall be paid for that percentage of work actually completed at the time the notice of termination is received.

9. CONSULTANT STATUS. In performing the obligations set forth in this Contract, Consultant shall have the status of an independent contractor and Consultant shall not be considered to be an employee of the City for any purpose. All persons working for or under the direction of Consultant are its agents and employees, and are not agents of the City. Subcontractors shall not be recognized as having any direct or contractual relationship with the City. The persons engaged in the work, including employees of subcontractors and suppliers, will be considered employees of Consultant. The Consultant shall be responsible for the work of subcontractors, which shall be subject to the provisions of this Contract. The Consultant is responsible to the City for the acts and omissions of its subcontractors and persons directly or indirectly employed by them.

- a. If in the performance of this Contract any third persons are employed by Consultant, such persons shall be entirely and exclusively under the direction, supervision, and control of Consultant. Consultant shall be solely responsible for reimbursing subcontractors.

11. INDEMNITY AND HOLD HARMLESS. With the exception that this section shall in no event be construed to require indemnification by Consultant to a greater extent than permitted under the public policy of the State of California, Consultant shall indemnify, and hold harmless City, its Mayor, Council, officials, and

employees from and against any and all claims and causes of action which result in liabilities, judgments, awards, losses, damages, expenses, and costs (including reasonable attorneys' fees, expert and consultant fees, and other expenses of litigation) including, but not limited to, death or injury to persons, or damage to property, which arise out of any violation of federal, state, or municipal law or ordinance, to the extent damages are caused by the Consultant's negligent services provided under this Agreement, or are in any way caused by the negligent performance of work by the Consultant or Consultant's officers, agents, employees, or subconsultants. Consultant shall not be obligated to indemnify or defend City for claims finally determined by a court of law or arbitrator to arise from the negligence or willful misconduct of the City. It is the intent of the Parties that this indemnity obligation is at least as broad as is permitted under California law. To the extent California Civil Code sections 2782, et seq., limit the defense or indemnity obligations of Consultant to City, the intent hereunder is to provide the maximum defense and indemnity obligations allowed by Consultant under the law. The indemnity set forth in this section shall not be limited by insurance requirements or by any other provision of this Agreement.

With the exception that this section shall in no event be construed to require indemnification by Consultant to a greater extent than permitted under the public policy of the State of California, and in addition to the other indemnity obligations in this Agreement, Consultant shall indemnify, defend, and hold harmless City, its Mayor, Council, officials, representatives, and employees from and against claims, losses, expenses, and costs including, but not limited to, reasonable attorneys' fees, arising out of any claim brought against the City by an employee of Consultant, regardless of whether such claim may be covered by any applicable workers compensation insurance. Consultant's indemnification obligation is not limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Consultant under workers' compensation acts, disability acts, or other employee benefit acts.
