This Amendment Number 1 to the above referenced Agreement is entered into on 11/16/2025 between the City of Stockton "City" and Azteca Systems "Contractor".

Article 5, Term and Termination 5.1 states that this License Agreement and its maintenance provisions may then be renewed annually by payment of the then-current maintenance fees for the next annual maintenance period as set forth in Addendum 1.

The City needs to execute the first one-year extension to the Cityworks License and Maintenance Agreement to continue maintenance and support through March 23, 2026, in the amount of \$140,000.

Now, therefore, the City and the Contractor mutually agree as follows:

The termination date in Addendum No. 1, Paragraph 4 is amended to: "March 23, 2026," and;

The annual not-to-exceed amount in Addendum No. 1, Paragraph 4, of the Contract shall be amended to \$140,000. The total Compensation to be paid to the Contractor shall not exceed \$840,000.

All other terms and conditions of the Agreement shall remain unchanged and remain in full force and effect unless modified by a written amendment signed by both parties.

**IN WITNESS WHEREOF, the authorized parties have executed this Agreement.**
