Resolution No. \_\_\_\_\_

**STOCKTON CITY COUNCIL**

---

**RESOLUTION APPROVING AN AMENDMENT TO THE  
2008-2009 ONE-YEAR ACTION PLAN FOR THE ADDITION OF THE  
COMMUNITY DEVELOPMENT BLOCK GRANT RECOVERY PROGRAM  
AND AUTHORIZING THE CITY MANAGER TO TAKE THE APPROPRIATE ACTIONS  
TO CARRY OUT THE PURPOSE AND INTENT OF THE RESOLUTION**

Title XII of Division A of the American Recovery and Reinvestment Act of 2009 appropriated funds for the Community Development Block Grant Recovery ("CDBG-R") Program for communities to carry out, on an expedited basis, eligible activities under the Community Development Block Grant ("CDBG") Program; and

The U.S. Department of Housing and Urban Development ("HUD") established the guidelines for implementation of the CDBG-R Program and determined that each grantee eligible to receive funds already receives an annual Community Development Block Grant allocation and therefore has a Consolidated Plan, an annual action plan, and a citizen participation plan. The Consolidated Plans already discuss the needs related to the major HUD grant programs and the annual action plan describes the activities budgeted under each of these annual programs. HUD has therefore determined that a grantee's use of its CDBG-R Program grant is a substantial amendment to its current approved annual action plan; and

In compliance with 24 CFR, Parts 91, 92, 570, 574, 576 and 968, which address the Consolidated Plan Submission for Community Planning and Development Programs, the City prepared a Consolidated Plan for CDBG, HOME and ESG Programs; and

Each year the City prepares a One-Year Action Plan, which updates the Consolidated Plan; and

The 2008-2009 One Year Action Plan was approved by the City Council on April 29, 2008, and subsequently approved by HUD on June 18, 2008; and

On May 25, 2009, a public notice of the proposed amendment to the 2008-2009 One-Year Action Plan was published in *The Record*, the local newspaper of general circulation and posted on the City's website, thereby beginning a seven-day period for citizens to review and comment on the draft amendment; and

On June 2, 2009, the City Council held a public hearing, during which: (1) staff presented an overview of the proposed amendment to the 2008-2009 One-Year Action Plan, and (2) citizens were provided an opportunity to comment, and all persons requesting to be heard were heard and their comments considered; now, therefore,
