Any such changes will be set forth in a contract change order which will specify, in addition to the work done in connection with the change made, adjustment of contract time, if any, and the basis of compensation for such work. A contract change order will not become

effective until approved by the City Manager and/or the City Council.

CONTRACTOR further warrants that it will follow the best current, generally accepted and professional practices to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding this project.

7. **TERMINATION.** This Agreement is effective on the Effective Date. The City may terminate this Contract and work pursuant to any of all SOW's at any time by mailing a notice in writing to Contractor. The Contract shall then be deemed terminated and no further work shall be performed by Contractor. If the Contract is so terminated, the Contractor shall be paid for that percentage of work actually completed at the time the notice of termination is received.

8. **CONTRACTOR STATUS.** In performing the obligations set forth in this Contract, CONTRACTOR shall have the status of an independent contractor and CONTRACTOR shall not be considered to be an employee of the City for any purpose. All persons working for or under the direction of CONTRACTOR are its agents and employees, and are not agents of the CITY. Subcontractors shall not be recognized as having any direct or contractual relationship with the CITY. The persons engaged in the work, including employees of subcontractors and suppliers, will be considered employees of CONTRACTOR. The CONTRACTOR shall be responsible for the work of subcontractors, which shall be subject to the provisions of this Contract. The CONTRACTOR is responsible to the CITY for the acts and omissions of its subcontractors and persons directly or indirectly employed by them.

a. If in the performance of this Contract any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. All terms of employment including hours, wages, working conditions, discipline, hiring, and discharging or any other term of employment or requirement of law shall be determined by CONTRACTOR.

i. It is further understood and agreed that CONTRACTOR must issue W-2

forms or other forms as required by law for income and employment tax purposes for all of CONTRACTOR'S personnel.

- ii. As an independent contractor, CONTRACTOR hereby indemnifies and holds CITY harmless from any and all claims that may be made against the CITY based upon any contention by any third party that employer-employee relationship exists by reason of this Contract.

9. **ASSIGNMENT.** CONTRACTOR shall not assign, sublet, or transfer this Contract or any interest or obligation in the Contract without the prior written consent of the CITY, and then only upon such terms and conditions as CITY may set forth in writing. CONTRACTOR shall be solely responsible for reimbursing subcontractors.

10. **INDEMNITY AND HOLD HARMLESS.** With the exception that this section shall in no event be construed to require indemnification by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, CONTRACTOR shall indemnify, protect, defend with counsel approved by CITY and at CONTRACTOR'S sole cost and expense, and hold harmless CITY, its Mayor, Council, officials, representatives, agents, employees, and volunteers from and against any and all claims, causes of action, liabilities, judgments, awards, losses, liens, claims, stop notices, damages, expenses, and costs (including without limitation attorneys' fees, expert and consultant fees, and other expenses of litigation) of every nature, including, but not limited to, death or injury to persons, or damage to property, which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement, or from any violation of any federal, State, or municipal law or ordinance, or City Policy, by CONTRACTOR or CONTRACTOR'S officers, agents, employees, volunteers or subcontractors. CONTRACTOR shall not be obligated to indemnify or defend CITY for claims finally determined by a court of law or arbitrator to arise from the active negligence or willful misconduct of the CITY. It is the intent of the Parties that this indemnity obligation is at least as broad as is permitted under California law. To the extent California Civil Code sections 2782, et seq., limit the defense or indemnity obligations of CONTRACTOR to CITY, the intent hereunder is to provide the maximum defense and indemnity obligations allowed by CONTRACTOR under the law. The indemnity set forth in this section shall not be limited by insurance requirements or by any other provision of this Agreement.

With exception that this section shall in no event be construed to require indemnification, including the duty to defend, by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, the parties agree that CONTRACTOR'S duty to defend CITY is immediate and arises upon the filing of any claim against the CITY for damages which arise out of or are in any way connected with the work performed, materials furnished, or services provided under this Agreement by CONTRACTOR or CONTRACTOR'S officers, agents, employees, volunteers or subcontractors. CONTRACTOR'S duties and obligations to defend the CITY shall apply regardless of whether or not the issue of the CITY'S liability, breach of this Agreement, or other obligation or fault has been determined. CONTRACTOR shall be immediately obligated to pay for CITY'S defense costs of the claim, including, but not limited to, court

costs, attorney's fees and costs, expert consultant and witness fees and costs, other witness fees, document reproduction costs, arbitration fees, and, if after final judgment an appeal is pursued, all of such costs for the appeal. At the conclusion of the claim, if there is any determination or finding of sole active negligence or willful misconduct on the part of the CITY, CITY will then reimburse CONTRACTOR for amounts paid in excess of CONTRACTOR'S proportionate share of responsibility for the damages within 30 days after CONTRACTOR provides CITY with copies of all bills and expenses incurred in the defense of the claim(s). It is agreed between the parties that this reimbursement provision assures CONTRACTOR is not obligated to defend or indemnify CITY in an amount greater than provided for under California law, including, without limitation, California Civil Code sections 2782, 2782.6, and 2782.8.

With the exception that this section shall in no event be construed to require indemnification by CONTRACTOR to a greater extent than permitted under the public policy of the State of California, and in addition to the other indemnity obligations in this Agreement, CONTRACTOR shall indemnify, defend, and hold harmless CITY, its Mayor, Council, officials, representatives, agents employees and volunteers from and against all claims, losses, expenses, and costs including, but not limited to attorneys' fees, arising out of any claim brought against the CITY by an employee, office, agent, or volunteer of CONTRACTOR, regardless of whether such claim may be covered by any applicable workers compensation insurance. CONTRACTOR'S indemnification obligation is not limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the CONTRACTOR under workers' compensation acts, disability acts, or other employee benefit acts.

CONTRACTOR'S obligation to defend, indemnify, and hold the CITY, its agents, officers, and employees harmless under the provisions of this paragraph is not limited to or restricted by any requirement in this Contract for CONTRACTOR to procure and maintain a policy of insurance.

CONTRACTOR/Subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this agreement for the full period of time allowed by law.

If any section, subsection, sentence, clause or phrase of this indemnification is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this indemnification.

11. INSURANCE. During the term of this Contract, CONTRACTOR shall maintain in full force and effect at its own cost and expense the insurance coverage as set forth in the attached **Exhibit C** which is attached to this contract and incorporated by this reference, and shall otherwise comply with the other provisions of **Exhibit C**. Maintenance of proper insurance coverage is a material element of this contract and that failure to maintain or renew coverage or to provide evidence of renewal may be treated as a material breach of contract.

CONTRACTOR shall not commence any work before obtaining, and shall maintain

in force at all times during the duration and performance of this contract, the policies of insurance specified in **Exhibit C**, which is attached to this contract and incorporated by this reference, and as provided in the "contract documents" including Section 7-1.12 of the City of Stockton Standard Specifications and Plans as adopted on November 25, 2003, by Council Resolution No. 03-0707, effective December 1, 2003.

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named Insured; whichever is greater.

The Additional Insured coverage under the CONTRACTOR's policy shall be "primary and non-contributory" and will not seek contribution from the City of Stockton's insurance or self-insurance and shall be at least as broad as ISO CG 20 01 04 13.

The limits of insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the City of Stockton (if agreed to in a written contract or agreement) before the City of Stockton's own insurance or self-insurance shall be called upon to protect it as a named insured.

All self-insured retentions (SIR) must be disclosed to the CITY's Risk Management for approval and shall not reduce the limits of liability. Payment Bond in the amount of the self-insured retention (SIR) may be required.

Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or the CITY.

The CITY reserves the right to obtain a full certified copy of any insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

CONTRACTOR shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event contractor fails to obtain or maintain completed operations coverage as required by this agreement, the CITY at its sole discretion may purchase the coverage required and the cost will be paid by CONTRACTOR.

CONTRACTOR agrees to include with all Subcontractors in their subcontract the same requirements and provisions of this agreement including the indemnity and insurance requirements to the extent they apply to the scope of the Subcontractor's work. Subcontractors hired by CONTRACTOR agree to be bound to CONTRACTOR and the CITY in the same manner and to the same extent as CONTRACTOR is bound to the

CITY under the Contract Documents. CONTRACTOR further agrees to include these same provisions with any subcontractor regardless of tier. A copy of the CITY Contract Document Indemnity and Insurance provisions will be furnished to the Subcontractor upon request. The CONTRACTOR shall require all Subcontractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to commencement of any work and contractor will provide proof of compliance to the CITY.
