FEE SCHEDULE

FOR

**RESPONSE TO REQUEST FOR PROPOSALS TO PROVIDE BOND COUNSEL
AND DISCLOSURE COUNSEL SERVICES**

presented to the

CITY OF STOCKTON

February 8, 2018

**Fee Schedule
for
Response to Request for Proposals to Provide Bond Counsel
and Disclosure Counsel Services
presented to the
CITY OF STOCKTON**

Set forth below is Quint & Thimmig LLP's fee schedule, to be included as a part of our response to the City of Stockton's Request for Proposals to Provide Bond Counsel and Disclosure Counsel Services. As further described below, the schedules are used by us as guidelines, and we typically agree to a fixed fee for serving as bond counsel, disclosure counsel, or both, for any particular financing that in many cases results in a fee substantially lower than otherwise would be indicated. Our compensation is always fully contingent upon the successful issuance of the bond issue for which we are engaged.

In general, our fees are based upon factors such as the anticipated amount of the work involved and the size of the financing. Our fees include all reasonable follow-up work done at the request of the City, so that the City pays only once, at closing of the financing. We typically do not bill by the hour. *Our fees are charged on a strictly contingent basis.* If the financing is not closed, we receive no compensation.

Our standard bond counsel fees are computed as a percentage of the principal amount of each issue and are generally as follows for the respective types of bond issues:

On General Obligation Bonds:

- 0.5% of the principal issue amount up to \$1,000,000.
- 0.25% of the principal issue amount between \$1,000,001 and \$6,000,000.
- 0.10% of the principal issue amount over \$6,000,000.

On Tax Allocation Bonds, Revenue Bonds and Certificates of Participation and Qualified 501(c)(3) Bonds:

- 0.5% of the principal issue amount up to \$6,000,000.
- 0.25% of the principal issue amount between \$6,000,001 and \$21,000,000.
- 0.125% of the principal issue amount over \$21,000,000.

On Mello-Roos Bonds:

- 1% of the principal issue amount up to \$4,000,000.
- 0.5% of the principal issue amount between \$4,000,001 and \$15,000,000.
- 0.125% of the principal issue amount over \$15,000,000.

On Assessment Bonds:

- 1% of the principal issue amount up to \$4,000,000.
- 0.5% of the principal issue amount over \$4,000,000.

On Tax and Revenue Anticipation Notes:

- 0.05% of the principal issue amount of the Notes (minimum fee to Counsel: \$5,000).

Multifamily Housing Bonds; Small Issue, Exempt Facility and Private Activity Bonds:

- 1% of the principal issue amount up to \$1,000,000.
- 0.5% of the principal issue amount between \$1,000,001 and \$6,000,000.
- 0.25% of the principal issue amount between \$6,000,001 and \$21,000,000.
- 0.125% of the principal issue amount over \$21,000,000.

All of the above fees will include reimbursement for any and all out-of-pocket or other expenses incurred by us.

Our disclosure counsel services are ordinarily quoted as a fixed amount, based primarily upon the anticipated amount of disclosure work necessary in connection with the preparation of the official statement for the bond issue. In most cases, if we are selected as both bond counsel and disclosure counsel for a particular financing, our disclosure counsel fee would be \$30,000 or less, wholly contingent upon the completion of the bond issue. When we are selected solely as the disclosure counsel for a financing, our typical fee would be from \$30,000 up to \$60,000 for a more difficult financing, again wholly contingent upon the completion of the bond issue.

Notwithstanding the foregoing, we use the above-described fee schedules as guidelines, and we typically quote a not-to-exceed fee (inclusive of all expenses) for each particular financing on which we work, once we know the specific bond structure to be used and other primary aspects of the particular transaction. **In many cases, we are able to quote fees at levels substantially lower than would otherwise be indicated by the foregoing.**

We would be pleased to have the opportunity to quote a specific fee for any prospective City financing upon request.

We are available on a continuing basis after closing, *at no additional cost to the City* to answer questions about the financing; however, special post-closing services would be provided pursuant to a separate engagement agreement on terms mutually acceptable to the City and us.
