35. Prohibited Use: The expenditure under this program shall not be used to supplant Grantee efforts in other grant programs provided by the State Library.
36. Public Records Act: Material maintained or used by the State Library is considered "public record" under the Public Records Act (PRA) at Government Code, sections 6250, *et. seq.* This includes the Interim and Final reports, and any other written communications between the parties. Grantee agrees to ensure that all content contained in its written reports are appropriate for publication. Said material, along with all other reports, documentation and data collected during the term of the Agreement, will be subject to disclosure unless it qualifies for exemption under the PRA in whole or in part. Grantee agrees to alert the State Library as to a basis for exemption, if any exists.
37. Publicity Obligations: Grantee will notify the State Library of any promotional materials or publications resulting from the grant no later than five (5) days in advance of distribution, whether they are print, film, electronic, or in any other format or medium. Copies of all promotional materials will be provided to the State Library. Grantee will acknowledge the State Library's support as noted above. Grantee agrees that the State Library may include information about this grant and its outcomes in its own annual reports, with specific reference to Grantee, and may distribute such information to third parties.
38. Records: Communications, grant related documents, data, original receipts, and invoices must be maintained by Grantee and shall be made available to the State Library upon request. Grantee agrees to maintain adequate grant program records and adequate financial records consistent with generally accepted accounting practices, and to retain all records for at least five (5) years after the end-of-term. The State Library may monitor or conduct an onsite evaluation of Grantee's operation to ensure compliance with this Agreement, with reasonable advance notice.
39. Reduction of Waste: In the performance of this Agreement, Grantee shall take all reasonable steps to ensure that materials purchased or utilized in the course of the project are not wasted. Steps should include, but not be limited to: the use of used, reusable, or recyclable products; discretion in the amount of materials used; alternatives to disposal of materials consumed; and the practice of other waste reduction measures where feasible and appropriate.
40. Reimbursement Limitations: Under no circumstances shall the Grantee seek reimbursement pursuant to this Agreement for a cost or activity that has been or will be paid for through another funding source. The Grantee shall not seek reimbursement for any costs used to meet cost sharing or matching requirements of any other State Library funded program.

41. Reports and Claims: It is the responsibility of the grantee make the required reports and claims to the California State Library.

- a. The Grantee shall be responsible for submitting to the State Library Narrative Reports detailing progress and activities. The reports are due on the dates specified in the reporting schedule detailed in the Procedures and Requirements section.
- b. The Grantee shall be responsible for submitting to the State Library Financial Reports reflecting Grantee expenditure activity. The reports are due on the dates specified in the reporting schedule detailed in the Procedures and Requirements section.
- c. To obtain payment hereunder, the Grantee shall submit authorized claims provided by the State Library for that purpose, on each of the following mentioned dates for payment, and the State Library agrees to reimburse the Library as soon thereafter as State fiscal procedures will permit.
- d. The final 10% of the grant award (if applicable) is payable only upon approval of all reports and receipt of claim form. Failure to provide timely reports is a serious breach of an award recipient's administrative duty under the award.
- e. Payment will be provided to cover the expenditures incurred by the Grantee for the project in the following manner:
 - 1) \$5,000,000 upon the receipt and approval, by the State Library, of the submission of all required documents as stated in the award letter; execution of the agreement, certification, and claim form by the Grantee organization.
 - 2) The second payment in the amount of \$4,000,000 after the submission and approval of the January 31, 2024 report and receipt, by the State Library, of a completed claim form unless:
 - i. The grantee needs the funding prior to the January date in order for the project to progress. To obtain funding prior to January 31, 2024, the grantee must provide documentation to the grant monitor demonstrating effectively either (a) that the first award payment has been spent, or (b) why the second installment is needed in advance of the scheduled payment.
 - ii. The grantee's January 31, 2024, financial report demonstrates that they have not spent any of their initial payment. The second payment will be held until the Grantee demonstrates effectively that their project is moving forward and additional funding is needed.
 - 3) A final payment in the amount of \$1,000,000 will be made upon submission and approval of the final interim grant report and financial claim form.

42. Self-Dealing and Arm's Length Transactions: All expenditures for which reimbursement pursuant to this Agreement is sought shall be the result of arm's-length transactions and not the result of, or motivated by, self-dealing on the part of the Grantee or any employee or agent of the Grantee. For purposes of this provision, "arm's-length transactions" are those in which both parties are on equal footing and fair market forces are at play, such as when multiple vendors are invited to compete for an entity's business and the entity chooses the lowest of the resulting bids. "Self-dealing" is involved where an individual or entity is obligated to act as a trustee or fiduciary, as when handling public funds, and chooses to act in a manner that will benefit the individual or entity, directly or indirectly, to the detriment of, and in conflict with, the public purpose for which all grant monies are to be expended.
43. Severability: If any part of this Agreement is found to be unlawful or unenforceable, such provisions will be voided and severed from this Agreement, but the remainder of the provisions in the Agreement will remain in full force and effect.
44. Site Visits: The Grantee shall allow the State Library to access and conduct site visits, with reasonable notice, at which grant funds are expended and related work being performed at any time during the performance of the work and for up to ninety (90) days after completion of the work, or until all issues related to the grant project have been resolved. A site visit may include, but not be limited to, monitoring the use of grant funds, providing technical assistance when needed, and visiting the State funded project.
45. Termination: The Agreement shall be subject to termination by the State Librarian or designee upon notice to the Grantee at least thirty (30) days prior to the effective date of termination. In the event this Agreement is terminated, the Grantee shall deliver to the State Librarian copies of all reports, accounting, data, and materials prepared up to the date of termination. The State Librarian shall determine and pay the Grantee for necessary and appropriate expenditures and obligations up to the date of termination which have not been covered by prior installments previously paid to the Grantee. Upon such termination, the unused portion of the grant award must be returned to the State Library within 45 days. If funding has been advanced to the Grantee, any unobligated balances, as determined by the State Librarian, shall be returned to the State Library within 45 days of the notice of termination.
46. Timeline: Time is of the essence to this Agreement. It is mutually agreed between the parties that the Budget and the implementation plan included therein are part of the Agreement.

47. Unused Funds: At the end-of-term Grantee agrees to return any unexpended or unaccounted for funds to the State Library, or to submit a written request for an extension of the grant period. Funds will be considered unexpended or unaccounted if they were: (1) not used for their intended purpose, or (2) used inconsistent with the terms of this Agreement.

Funds will also be considered unaccounted for, and must be returned, if the proposal outcomes or deliverables are materially incomplete by the end-of-term or earlier termination, as determined by the State Library in its sole discretion.

48. Waiver of Rights: The State Library shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by State Library. No delay or omission on the part of State Library in exercising any rights shall operate as a waiver of such right or any other right. A waiver by State Library of a provision of this Agreement shall not prejudice or constitute a waiver of State Library's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by California State Library, nor any course of dealing between the State Library and Grantee, shall constitute a waiver of any of State Library's rights or of any of Grantee's obligations as to any future transactions. Whenever the consent of State Library is required under this Agreement, the granting of such consent by State Library in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of the State Library.

49. Work Products: Grantee shall provide the State Library with copies of all final products identified in the Work Plan and Application. Grantee shall also provide the State Library with copies of all public education and advertising material produced pursuant to this Agreement.

50. Worker's Compensation: The State of California will not provide Workers' Compensation insurance for Grantee or Grantee's employees or contract personnel. If Grantee hires employees to perform services required by this Agreement, Grantee shall provide Workers' Compensation insurance for them. The Grantee is aware of Labor Code Section 3700, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Labor Code, and the Grantee agrees to comply with such provisions before commencing the performance of the work of this Agreement.

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in Response to Russia's Actions in Ukraine

Dear Grantee,

You are receiving this notification because you currently have an active grant through the California State Library.

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO) regarding sanctions in response to Russian aggression in Ukraine. The EO is located at <https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf>.

The EO directs all agencies and departments that are subject to the Governor's authority to take certain immediate steps, including notifying all contractors and grantees of their obligations to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more, a separate notification will be sent outlining additional requirements specified under the EO.
