Dear Community Shareholders,

Pacific Wellness will be hosting a community open house at 7632 Pacific Ave. Stockton Ca. 95207, on Thursday June 1st . The purpose of this meeting is to allow community shareholders a chance to speak with us face to face allowing us to determine the needs and concerns of our neighbors, regarding our Medical Marijuana conditional use permit application (P17-0020).

We understand the majority of our neighbors have a busy work schedule during the day so we will be hosting the meeting at 6:30pm. This meeting will be brief and consist of a few flyers and a presentation board. It will also give all community residents an opportunity to ask any questions directly to us.

Pacific Wellness appreciates your time and looks forward to meeting with you. Please RSVP by May 30th .
