

Dear Customer:

I have applied to relocate Fremont Center Market from its current location to 2550 E Fremont Street. I have applied for a use permit which would allow me to sell beer and wine as we do now but also expand the store to be able to sell spirits. I am collecting signatures from all of my loyal customers that support me as a small business owner in expanding Fremont Center Market to a cleaner and better store with more discounts back to you my loyal customer.

Thank you,

Daljit S Dhami
