Interests & Experiences

Please tell us about yourself and why you want to serve.

As a current Board member serving for the last eight years, I bring continuity, foresight, and experience needed to keep SJRTD a national leader when it comes to innovations and bringing home best practices needed to provide mobility options for the most vulnerable members of our Stockton community. I have helped develop futuristic policies, secure federal and state fundings to meet climate action and sustainable communities mandates; while working on building support for the public transportation systems for those without means. . I have experience studying complex transportation needs and can help tackle new issues; recognize emerging trends and their impacts; create vision and opportunity in the organization's long-term planning; lead the agency's sustainable growth.

Please state the reason you would like to be a member of this board/commission.

My day job provides an opportunity to research and interact with other agencies and learn their best practices. I want to bring that experience back to Stockton, my Home. The Stockton Community has welcomed me as a first-generation immigrant to succeed and provide a decent living to my family. The Stockton community has given me everything and now it is my turn as an engaged and contributing member to improve the quality of life of its residents.
