6	This mural is great. You are using actual Oak Park people. Inside the building would be better.	5/3/2023 9:31 AM
7	Does this show the original Oak Park from an old picture or something like that?	5/3/2023 9:30 AM
8	I don't feel like this is a senior park mural. No walkers, canes, and we don't ride the train. Maybe a travel bus.	5/3/2023 9:29 AM
9	Needs to be more modern.	5/3/2023 9:25 AM
10	Few more older people. A bit to like a cartoon.	5/3/2023 9:24 AM
11	Excellent, shows history and ongoing use.	5/3/2023 9:23 AM
12	Needs more life on building. Good!	5/3/2023 9:23 AM
13	I would like a more realistic and futuristic depiction of Stockton Life and Stockton interest. We are a multi-culture City and we appreciate all cultures and collaboration. The name of the City showed in the picture.	5/3/2023 9:23 AM
14	Figures crudely drawn.	5/3/2023 9:21 AM
15	Good idea and so relieved a mural will not be tagged.	5/3/2023 9:21 AM
16	I don't really feel strongly one way or the other. If people who use the building like it, I guess it's fine. I think we could find a better picture. It's very old timey and not modern.	4/13/2023 5:26 PM
17	Tnis looks like a school project. I don't get what's going on in this picture. I think a nice landscape would be better or something that shows all the things at the park.	4/12/2023 1:02 PM
18	Nice images showing the diverse populations in the area. Gives you the feeling of having fun in the activities selected.	4/11/2023 4:34 PM
19	It should be more modern for our large active senior community who are still working in the tech field and don't identify with the 1900's.	4/11/2023 9:18 AM
20	This looks a bit amateur...fine for a small painting in your home, but needs a higher quality of painting for a big wall mural.	4/10/2023 6:47 PM
