Housing Justice	Minimum 70

Scope of Work

AAAWLC will operate the Housing Justice Program (HJP) to stabilize Stockton residents at imminent risk of homelessness by providing short to medium term rental assistance, eviction prevention supports, move-in assistance, housing navigation, and case management. All households will be referred through the Coordinated Entry System (CES), and all data will be entered into HMIS to ensure alignment with regional homeless response efforts. The program will prioritize households with incomes at or below 30% of the area median income. Services will be delivered through a multidisciplinary team including a Program Director, Intake Specialist, Housing Navigator, and Case Managers, all trained in culturally responsive and trauma-informed care. Core program activities will include:

- enrollment and assessment of CES-referred households;
- provision of rental assistance and eviction prevention funding;
- housing search support and barrier reduction;
- stabilization and aftercare aimed at increasing long-term housing retention;
- coordination with regional partners to ensure comprehensive support and warm handoffs.
