| Item Number | Protest Summary | Recommendation and Rationale |
| 89 | There are three correct answers for Question 89. B - help with decreased budgets. C - decrease response times. D- sharing of limited or specialized equipment. | <p>Recommendation: Allow the protest: triple key for B, C, D.</p> <p>Rationale: The item is correct as keyed, and is supported by the source document, and is the best and most correct of the choices presented. However, in reviewing the source document, an argument can be made for allowing distractors to be viewed as also correct.</p> |
| 98 | There are two correct answers for Question 98. The question was ambiguous and confusing by using a sentence that covered all 3 forms and by adding words to the definition. Answers A and B are correct and possibly answer C. | <p>Recommendation: Deny protest.</p> <p>Rationale: Item is correct as keyed, and was correctly written from source. Only the keyed answer is correct per the source.</p> |
