Section 1. Recognition

Operating Engineers' Local 3, AFL-CIO, hereinafter referred to as the "Union," is the recognized employee organization for the Trades and Maintenance Unit, certified pursuant to the Employer-Employee Relations Ordinance (Stockton Municipal Code §§ 2-200, *et seq.*).

Section 2. Union Security

2.1 Dues Deduction

(a) **General.** The Union may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Union has the exclusive privilege of dues deduction for its members.

Authorization, cancellation or modification of payroll deductions shall be made upon forms provided or approved by the City. The payroll deduction authorization shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the membership of the Union. Notification of such approval shall be forwarded to the City in the form of written notice on official Union letterhead and signed by the duly authorized Union official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

If an employee is promoted to a position which is represented by another employee organization or to an unrepresented unit, membership dues for the former unit will not be deducted from the employee's paycheck by the City.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Union as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Union members who request it, premiums for group insurance and investment plans sponsored by the Union. Such deductions shall be made in one lump sum

and only upon signed authorization from the employee upon a form satisfactory to the City.

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in pay status during that pay period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made.

In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Union shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Union dues or premiums for benefits. In addition, the Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Agency Fee

(a) Employee Rights

(1) The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall exert pressure upon or discriminate against an employee in the exercise of these alternative rights.

(2) Accordingly, membership in the Union shall not be compulsory. A unit member has the right to choose, either: to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section (f) below.

(b) Unit Members' Obligation to Exclusive Representative

(1) A bargaining unit member who does not fall within one (1) of the exempted categories as set forth in Section (f) below, and who has not voluntarily made application for membership in the Union within the

sixtieth (60) day following the date upon which said employee has been formally hired by the City as a bargaining unit employee, must as a condition of continued employment in the City pay to the Union a representation fee, in exchange for representation services necessarily performed by the Union in conformance with its legally imposed duty of fair representation on behalf of said unit member who is not a member of the Union.

(2) In the event that a unit member does not become a member of the Union or pay such fee directly to the Union, the City shall begin automatic payroll deduction. There shall be no charge to the Union for such mandatory agency fee deductions.

(3) Prior to beginning such automatic payroll deduction, the Business Representative of the Union will certify to the City in writing that the employee whose pay is to be affected by the deduction has: 1) refused to join the Union; and 2) has refused to tender the amount of the agency fee as defined herein; and 3) has not applied for an exemption under Section (f) herein. In addition the Union must also certify that it has provided the employee with a copy of the fee verification required by Section (e) herein.

(c) Definition of Agency Fee

(1) The agency fee collected pursuant to Section (b) above from unit members who are not members of the Union shall be an amount not to exceed the standard initiation fee, periodic dues and general assessments of the Union for the duration of this Agreement, minus any amount which is prohibited by the Constitution because such funds pay for political or ideological purposes not related to collective bargaining.

(2) Any dispute as to the amount of the representation fee shall be resolved pursuant to the provisions of Section (h) herein.

(d) Exceptions. Unit members on leave without pay and unit members who are in laid-off status shall be exempt from these provisions herein; except that the election as to membership or payment of a fee as set forth herein must be exercised within the first ten (10) work days upon return to paid status.

(e) Annual Verification of Agency Fee by the Union. Prior to January 31, of each year and before the collection of an agency fee from any unit member pursuant to these provisions herein, the Union shall submit a written certification to the fee payers verifying that the total amount of its

representation fee conforms to Section (c) above, and itemizing all component parts of such fee which shall provide an adequate explanation for the basis of the fee. Each year such amount shall be verified and submitted in writing to the fee payers by the Union prior to January 31st. The Union will submit a copy of such verification to the Director of Human Resources of the City. The parties agree that such annual verification is a condition precedent to the collection by either the City or the Union of a representation fee from a unit member.

(f) Employees Exempted From Obligation to Pay Union

(1) Any unit member shall be exempt from the requirements of Section (b) above, if such employee has a bona fide religious objection as defined by Section 3502.5 of the Government Code to the payment of any fee in support of a Union or "employee organization" as defined in Section 3540.1(d) of the Government Code.

(2) Such exempt unit member shall, as an alternative to payment of a representation fee to the Union, pay an amount equivalent to such representation fee to:

- a. United Way.
- b. American Cancer Society.
- c. Any charity jointly agreed in writing by the parties.

(3) If a unit member desires to be exempted for reasons set forth in Section (f) herein, the unit member must first request such exemption in writing from the Union setting forth briefly the rationale for the exemption. If the Union notifies the unit member in writing that the Union will not honor the request, then the matter shall be referred automatically to a panel for determination according to the procedure set forth below. The panel shall be composed of one (1) person selected by the Union, one (1) person selected by the unit member, and an arbitrator selected by the parties chosen from a list submitted by the State Conciliation Service. If either one or both parties fail to nominate a panel member, the process of hearing will continue without that party's panel member.

(4) The panel shall first receive arguments and evidence from the unit member requesting the exemption. Thereafter the Union may present any arguments or evidence. The proceedings shall be conducted in an informal manner, and the rules of evidence will not apply. The arbitrator shall act as chair and rule on all matters before the panel with the exception of the final determination of the panel. The panel shall prepare

a written decision within fifteen (15) calendar days of the completion of the hearing which shall be final and binding upon the parties. Any expenses of the panel shall be borne by the parties incurring them.

(5) Upon receipt of the decision of the panel, the City shall release any funds held in escrow to the Union or to the charity. Any decision by the panel shall apply for the duration of this Memorandum of Understanding.

(6) In addition, the Union may require such exempt unit member to submit proof of payment of an amount equivalent to such representation fee to one (1) of the alternative funds or organizations listed above. If the bargaining unit member has not provided payment, the City will institute deductions pursuant to Section (b)(2), and forward such monies to a charity listed in Section (f)(2).

(7) Such payments shall be made on or before January 31, of each year or no more than thirty (30) days after commencing duties for any newly hired employee.

(g) Escrow Account. If any unit member either disputes the amount of the fee or disputes whether or not an exemption was appropriately denied, the City shall deposit the fee which was deducted and place such amount into a special escrow account established by the Union for such purposes.

(h) Procedure for a Unit Member Who Contests the Amount of the Fee

(1) The parties agree that in order to provide a uniform definition of the representation fee, any disputes involving the amount of such fee shall be referred to the Union's procedure for determination, provided that the parties have first complied with the other provisions of this Section.

(2) The Union shall notify the City in writing within twenty (20) days after it becomes aware that any employee disputes the amount of the fee.

(3) The Union will verify in writing to the City that all of the conditions of Section (b)(3) have been met prior to the City's initiation of the fee deductions set forth in Section (b)(2). Thereafter, the City will notify the affected employee in writing that such deductions will commence and a copy of the Union's written verification will be attached to the City's notice. Thereafter, the City will begin the deductions.

The monies held in escrow shall be released to the appropriate party upon the rendering of a final decision by the Union's internal procedure.

(i) Payment Method/Payroll Deduction

(1) A unit member may voluntarily sign and deliver to the City a written assignment authorizing deduction of the properly established representation fee as defined in Section (c) above, subject to the conditions set forth elsewhere in this agreement for payroll deductions, or the amount of the fee will be deducted automatically in accordance with Section (b)(2) herein.

(2) The City is under no obligation to make payroll deductions for the periods during which a unit member is either terminated from active employment, or not on the City's active payroll for any reason, including, but not limited to, layoff and voluntary leave of absence for more than thirty (30) days.

(3) Upon the rehiring of any unit member, or upon the recalling of any unit member from layoff status, the City will resume or initiate dues deductions for such unit member.

(j) Obligations of Parties

(1) City's Obligations. The City's obligation under this Article is to notify any unit member who has failed to comply with the provisions of this Section that, as a condition of continued employment with the City, such unit member must become an Union member, or pay a representation fee, or establish an exemption status and make payment pursuant to provisions of Sections (b) and (f) of this Agreement. Under no circumstances shall the City be required to dismiss or otherwise discipline any unit member for failure to fulfill their obligations to pay the fees established herein.

(2) Union's Obligations. Except as specified herein, the Union and not the City, shall be responsible for requiring unit members to fulfill obligations defined herein. It is the obligation of the Union to collect any representation fees which may be due and payable to the Union in consideration for its services as the exclusive representative of unit employees.

(k) Hold Harmless Provision. The Union shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any

of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any Section of this Agreement pertaining to representation fee. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorney's fees incurred by the City. The City shall have the right to be represented by its own attorney in any action in which it is a named party to the action. Disputes over the amount of reimbursement shall be automatically submitted to the arbitration provisions of this Memorandum, Section 8.3(e).

2.3 Use of City Facilities

(a) The Union shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Union business, such as times and places of meetings, provided such use does not interfere with the needs of the department. The Union may submit to the City Employee Relations Officer written communications having to do with official Union business for distribution by the City to identified shop stewards. Distribution may be by e-mail.

(b) Any representative of the Union shall give notice to the department head or designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Union business shall be conducted during the non-duty hours of all employees concerned. Pre-arrangement for routine contact may be made with individual department heads and when made shall continue until revoked by the department head.

(c) City buildings and other facilities may be made available for use by City Employees of the Union or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

2.4 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to the Union if affected by any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to negotiate if requested with the designated management representatives prior to adoption.

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such

measures as are required. At the earliest practicable date thereafter the Union shall be provided with the notice described above and be given an opportunity if requested to negotiate changes to said notice with the management representatives designated by the City Manager.

2.5 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of the Union shall be given reasonable time off with pay to attend meetings with City management representatives, or be where matters within the scope of representation or grievances are being considered. Such employee representatives shall submit a request for excused absence to their respective department heads, in a manner satisfactory prior to the scheduled meeting whenever possible. Time spent for these purposes while a representative is not scheduled to work shall not be compensated by the City and shall not be considered as hours worked. Except by mutual agreement the number of the employees excused for such purposes shall not exceed three (3) per recognized bargaining unit.

2.6 Maintenance of Membership

All employees in the Trades and Maintenance unit who are members of the Union, tendering periodic dues at the execution of this agreement, and all employees who thereafter become members of the Union shall, as a condition of employment, pay dues to the Union for the duration of this Memorandum of Understanding, and each year thereafter. For a period of thirty (30) days prior to January 1, 1989, and thirty (30) days prior to any January 1, thereafter, any employee in the aforementioned unit who is a member of the Union shall have the right to withdraw from the Union discontinuing dues payments and retain employment in the City, subject to provisions of Section 2.2. Agency Fee. Said withdrawal shall be communicated by the employee in writing to the City. The provisions of this section shall be operative only to the extent that they are permissible under California law.

2.7 Assignment of Classifications

New job classifications established by the City shall be assigned to the bargaining unit pursuant to section 2-208 of Employer-Employee Relations Ordinance (Stockton Municipal Code §§2-200, *et seq.*) after providing notice and the opportunity to consult with the Union regarding such matters.

Section 3. Compliance with Federal Laws/Safety

- 3.1 Non-Discrimination. The City and the Union agree that there shall be no discrimination of any kind because of age (over 40), race, creed, color, religion, national origin (ancestry), veterans status, physical or mental disability, marital status, sexual orientation, sex (sexual, gender based, pregnancy/childbirth), political affiliation or legitimate union activity or on any other basis prohibited by applicable federal and State law against any employee or applicant for employment.
- 3.2 Fair Labor Standards Act. The Union agrees to cooperate with the City to insure its members' compliance with the provisions of the Fair Labor Standards Act.
- 3.3 Safety. The Union shall cooperate with the City in promoting safety objectives as defined in Federal, State and local regulations by actively supporting safety programs, promoting safe work habits of members and encouraging an ongoing, active participation by its members in safety related procedures and practices as offered and promulgated by the City of Stockton.

Section 4. Probation

4.1 Purpose

The probationary period shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to a position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

4.2 Original Entrance and Promotional Positions

All original ~~and promotional~~ appointments shall be tentative and subject to a probationary period of ~~six (6) months one (1) year with a review completed after 6 months from date of promotional original appointment. Promotional appointments shall be subject to a probationary period of 6 months. unless a longer probationary period is stated in the class specification. The probationary period may be extended up to an additional six (6) months in those cases where the appointing authority and the Director of Human Resources agree that such extension would be beneficial to the employee and the City. The probationary period for original and promotional appointments will not be extended.~~

4.3 Retention/Rejection of Probationer

At the end of the probationary period, if the service of the probationary employee has been satisfactory to the appointing authority, then the appointing authority shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such employee in the service is desired. The City will make a good faith effort to notify a probationary employee two (2) weeks before the end of the probationary period whether or not regular status is granted; however, a failure on the part of the appointing authority to file such a statement at the end of the probationary period shall constitute a rejection of the probationer as defined in Civil Service Rules.

During the probationary period an employee may be rejected at any time by the appointing authority. Any employee rejected during the probationary period following a promotional appointment, shall be reinstated to the position from which promoted unless charges are filed and the employee is discharged in the manner provided in Section 7 of this Memorandum of Understanding and in the Civil Service Ordinance and Civil Service Rules, which are consistent therewith.

4.4 Alcohol and Drug Testing.

The order of layoff among employees not having regular status shall be according to the following categories:

- (1) Limited term (i.e., part-time, provisional, and temporary)

The following provisions shall apply in computing total continuous service:

- (1) Time worked in a regular or probationary status shall count as service.
 - (2) Time spent on military leave shall count as service in the event the leave was taken subsequent to entry.
-

- (3) Time worked in a limited term status (i.e., part-time, provisional, and temporary) shall not count as service.

If two (2) or more employees have the same seniority, the order of seniority shall be determined by their respective ranking on the eligibility list for hire.

If two (2) or more employees have the same seniority but were not hired from a ranked eligibility list, the order of seniority shall be determined by lot.

If two (2) or more employees have the same seniority, but were hired from separate ranked eligibility lists, the order of seniority shall be determined by lot.

(b) Any employee in the Trades and Maintenance Unit who is laid off may complete a City employment application for any position currently staffed by a part time, provisional, or temporary employee. The Human Resources Department will evaluate the employment application. If the laid off employee meets the minimum qualifications of that position, he/she shall have the option of displacing the part time, provisional, or temporary employee.

5.5 Employee Options

Employees laid off shall have any of the following choices:

(a) Displacing the employee in the same department and in the same or clearly comparable classification as determined by the Director of Human Resources as having the least (total service) seniority. This option shall be exercised before any other option.

(b) Taking a voluntary demotion within the department to a classification in which the employee had prior regular status, thus displacing the employee working in the classification who has the least (total service) seniority.

5.6 Health and Welfare Benefits during Layoff

Regular employees who are laid off will have an option of maintaining their existing health and welfare benefits for thirty-six (36) months from the date of layoff, provided timely payments of the premiums by the employee are made to the City, according to City regulations, and provided the employee otherwise meets the requirements of Federal and State regulations.

Section 6. Reemployment

(a) The name of each employee who is laid off in accordance with Section 5. shall be placed at the head of the eligibility list for the class of positions which that employee held, and shall be given preference in filling vacancies in that class.

(b) An employee laid off in accordance with this Section shall be placed on the eligibility list or lists for any lower or comparable class or classes in the same department, provided that the appointing authority and the department head in charge of this lower or comparable class determine that the employee is competent to perform the duties thereof in strict accordance with the class specifications. This right of a laid off employee shall remain effective for two (2) years from the date of latest separation from the service. The employee shall not be placed on said eligibility list or lists without first submitting a written request. Employee's place on said list or lists shall be at the head of the eligibility list for the class of positions for which qualified as hereinabove set forth and shall be given preference in filling vacancies except for those persons placed on said list or lists of reemployment in the same positions previously held. An employee who waives reemployment to a full time position three times shall have his/her name removed from this reemployment list unless mutually agreed to by the Department and employee. Upon certification for appointment to a new position never having been held by this employee, the probationary period must be completed as required in this Memorandum of Understanding.

Section 7. Discipline

Disciplinary action, including discharge, suspension, reduction in pay or demotion, may be taken against any employee for cause.

7.1 Pre-disciplinary Rights

An employee facing potential disciplinary action will be entitled to the following pre-disciplinary rights:

 - (b) Date(s) proposed discipline will be effective.
 - (c) Reasons for the proposed discipline, the specific grounds and particular facts upon which the action is taken.
-

The City may place an employee on administrative leave pending the completion of the pre-disciplinary process.

7.3 Provisions

The appointing authority may discharge, suspend or demote any employee in the classified service provided the Stockton Municipal Code provisions and the rules and regulations of the Civil Service Commission and any applicable provisions of law are followed. Such provisions allow the employee suspended, demoted or discharged to appeal such action. The employee may take only one (1) of the following actions:

- (a) File no appeal.
- (b) File an appeal with the Civil Service Commission within ten (10) calendar days of written notification of the action. (Such filing will foreclose use of the grievance procedure.)
- (c) File a grievance as provided for in Section 8 within ten (10) calendar days of written notification of the action.

If the employee fails to do (b) or (c) above within the prescribed time frames, these rights will have been waived.

Section 8. Grievance Procedures

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

(a) No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) calendar days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

(b) With written consent of the City Manager or his/her designee and the Union Business Agent or his/her designee, time limits may be extended and/or Steps 1, 2 and/or 3 of the Grievance Procedure waived.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within twenty (20) days from the day of presentation or if the employee elects to submit the grievance directly to the Union recognized as the representative of that employee's classification, or if the employee/Union official notifies the Director of Human Resources, in writing, that a grievance exists, the procedure hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within twenty (20) calendar days of the receipt of written response at level one. Such appeal must state with particularity: 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Union may file and process grievance(s) on behalf of the specifically named employee. The Director of Human Resources shall have twenty (20) calendar days in which to investigate the issues, meet with the complainant and attempt to reach a satisfactory resolution of the problem. No grievance may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph, except for the resolution of compensation complaints.

(c) Step 3 - Arbitration. If the parties are unable to reach a mutually satisfactory accord on the grievance at Step 2, within twenty (20) calendar days either the Union or the City may require that the grievance be referred to an impartial arbitrator mutually selected by the parties, or if the parties are unable to

mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by ~~the Union and City~~ both parties. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(d) Effect of Decision. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

(a) No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union and unless such dispute falls within the definition of a grievance as set forth in paragraph 8.1.

(b) Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator selected pursuant to this Section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

(c) No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

8.5 Other Provisions

If the Director of Human Resources or City Manager, in pursuance of the procedures outlined above, resolves a grievance which involved suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if the findings are that the City had such right, the arbitrator may not order reinstatement and may not assess any penalty upon the City.

Complaints which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances and processed pursuant to Section 8.3. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than ~~thirty (30)~~ **one hundred and eighty (180)** days from the date upon which the complaint was filed.

Specified time limits may be modified only in writing. All appeals and responses must be provided in writing.

A grievant will be provided release time without loss of pay for all required meetings with management. The City cannot discriminate or retaliate in any manner against an employee for filing a grievance or exercising rights under this Section.

The provisions of this Section shall not abridge any rights to which an employee may be entitled under the Stockton Municipal Code and/or Civil Service Rules and Regulations, nor shall it be administered in a manner which would abrogate any power which, under the Stockton Municipal Code, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in representation units represented by the Union shall be processed under this Section. If the Stockton Municipal Code and/or Civil Service Rules and Regulations requires that a differing option be available to the employee, no action under paragraph (c) of Subsection 8.3 above shall be taken unless it is determined that the employee is not utilizing such option.

absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a doctor's certificate or other reasonable proof of illness in order to receive an excused absence and sick leave pay. If an employee's illness results in an absence from work for more than three (3) consecutive days, a doctor's certificate or other reasonable proof of illness may be required. In addition, the City may monitor and control the appropriate use of sick leave by employees and if reasonable cause is articulated, can limit use of sick leave and require additional verification.

(3) If the City has a reasonable basis to believe that an employee is abusing the sick leave benefit, the City or the employee's supervisor must first meet with the employee to: 1) explain the reasonable basis for the believed abuse, and 2) discuss the reasons for the employee's absence. The employee has the right to Union representation at such meeting. After such meeting, and depending on the factual circumstances, the City may:

~~Union Proposal to Assume Administration of City Medical Plans (agreement between City and coalition representing all city Unions).~~

~~The City is supportive in concept of the unions taking over responsibility for providing medical insurance plan, and pledges its full cooperation in providing the necessary data to permit the Unions to assess the viability of such a plan. Acceptance of the plan by the City shall be subject to the following terms and conditions:~~

- ~~1. Such plan would not be City sponsored and the City would not have any responsibility for such plan including administration of the plan and client services, and unions/vendor will hold city harmless for any actions taken by vendor or union in its management of their plans. The City will pay it's contributions for employee insurance coverage as set forth in individual MOUs and remit them to the plan administrator per any administrative agreement. City will process employee's deductions and remit to vendor and such costs of providing this service is part of administrative expense to be paid by union per any agreement achieved pursuant to #12 below.~~
 - ~~2. Plan participants to pay all administrative costs of the plan, including HR support and computer/data transfer/integration.~~
 - ~~3. Such plan would include all city employees and eligible retirees. All plan enrollees would have same benefits, plan choices, eligibility, access to the network and premium costs and be treated in the same manner, provided, however, that retirees and active employees may remain in separate risk pools. The only exception would be for over age 65 retirees where plan benefits would be integrated with Medicare. In addition, the Union plan may discontinue Original Plan benefits for retirees.~~
 - ~~4. The plan would be fully insured, such that all risks would be borne by the insuring company without the possibility of underfunding the benefit~~
 - ~~5. The Unions will not propose CalPERS medical plans.~~
 - ~~6. Implementation shall be by January 1, 2013, provided the Unions provide at least 90 days notice to the City (i.e. not later than October 1, 2012).~~
 - ~~7. The City will pay all run out claims from the Modified and Original medical plans with respect to any claim incurred prior to January 1, 2013, regardless of when the claim is paid. The City shall make all reasonable efforts to insure that all claims received are processed timely during the claims run out period. If any funds remain in the ISF fund, the parties will meet to discuss the status of the funds.~~
-

- ~~8. It is understood that the union plans would stay in effect for at least five years, and the Unions will give the City at least 1 year's notice if they intend to terminate this arrangement. The City may only terminate the agreement with good cause regarding the failure of the plan to provide agreed upon benefits, and with evidence of continuing coverage for affected employees and retirees in the succeeding City sponsored plans. The City makes no commitment to any future arrangement of City administered medical insurance should the union plans be discontinued by the union's actions.~~
- ~~9. The City retains the right to terminate the sponsorship by the unions of any health plan as a result of any legislation that would require the City to provide plans to its employees or pay penalties in lieu of providing such plans, for example, as under the Affordable Care Act or any additional or successor legislation.~~
- ~~10. Existing limits on City contributions to medical/dental/vision (agreed or imposed) remain unchanged.~~
- ~~11. It is understood that once the unions obtain quotes for coverage, the parties will meet and confer regarding significant issues regarding the implementation and viability of such plan, including, but not limited to the following:~~
 - ~~• Coverage of "tail" claims; Fully fund all reserves for Incurred but Not Reported and Pending Claims;~~
 - ~~• Calculation and method of paying administrative costs;~~
 - ~~• Hold harmless to City for any actions taken by vendor/union coalition;~~

~~The City retains the right to accept or reject any union proposals on a union sponsored plan(s) during meet and confer following union receipt of bids, based upon financial, operational, legal or coverage concerns.~~
