I am a retired Administrator from the State Department of Developmental Disabilities with 36 years of service! I am a fisherman and hunter. I am a member of a number of organizations that support the environment, National Parks, and water conservation. Friends of the

Please state the reason you would like to be a member of this board/commission.

I have been interested in California's Water issues for many years. I grew up on a farm in Sonoma Co. I have watched the growing issue of not enough water to meet everyone's wishes. I have supported and practiced conserving water for many years. As a fisherman I am concerned for our lakes, streams and the Delta. As a person who lived on a farm I am aware of the significant changes in water usage that has occurred in the last 50 years by agriculture in California. We need to increase our efforts to implement practices that increase the sustainability of our dwindling water supplies.
