This is in regards to the issuing of an Alcoholic license to the business called
"Beer Zone", located at 2700 Country Club Blvd. Stockton, CA 95204.

It came to our attention that your office is issuing/approving the above business the sale
of alcohol. I'm not sure why your allowing/approving/issuing another business to sale
alcohol when there are the following business that sale alcohol:

Safeway
7-Eleven
Shell
Winchester's
Exxon
People's Market
Country Club Market
And many more,

It may cost the business owner \$500 to apply, but it cost us, the community, the increase
of crimes, poverty, decrease of property value and the opportunity of a possible business
that would serve our community such is a library, medical office etc.

In this area the crimes had increased. We see the police all day especially in this
shopping center. No more, we have enough, we need to clean up and feel safe in our
community and we ask that you not allow another store to sell alcohol. Mr. Harry can
open somewhere else.

Thank you,
Anita

To Whom It May Concern-

My name is Iwona Lynette Reed. I have lived in Stockton for over 30 years, near Country Club. This is where I raised all of my children and bought the home. I will live in for the rest of my days. However, living here has not been as pleasant as I would have hoped. With the opening of liquor stores on every corner, I have watched my community become a place of shootings, break-ins, drug and alcohol abuse — the opposite of what I would like to leave to my children.

I have sat helplessly as property values have decreased, crime has increased, and poverty and homelessness have become an everyday sight. As a dedicated member of this community, I am sick and tired of being silenced. Our community deserves to be governed by individuals who care for the well-being of its citizens, not those who would rather tend to the greed and selfishness of local business owners. Instead of an increased access to alcohol, we need services and establish-

ments that will bring about jobs,
not crime and DUI's. For once,
look to serve Stockton's citizens
in a beneficial, long-term way.
Undo the damage that has
been done, and stop the opening
of liquor stores on Country
Club.

In solidarity,

ILR

To Whom It May Concern,

My name is Doris Whitaker. I've noticed the increase of crimes as well as the increase of liquor stores. Almost every corner of the Country Club area has alcohol sales. The city of Stockton, the Planning Department, mayor, and the city officials need to work on decreasing crimes and stabilizing the health and safety of the residents and offering the community a business that will serve their needs such as day care to allow families to look for jobs and to go to work. A health clinic or dental office would benefit the health of the community and allow possible jobs for the residents. We do not need anymore alcohol sales.

Thank You
