To Whom It May Concern:

I reside in the neighborhood - just a couple blocks away - from El Dorado Liquor Store owned by Mr. Shergill. I've become to know Harry (Mr. Shergill) as I am a patron of his store. Harry has always extended me and my licensed medical alert service canine courtesy.

Harry has told me he desires to open another store in the Country Club area of Stockton. Undoubtedly, I believe Harry will give such a store, or any other business for that matter, the same sense of community, cleanliness and professionalism as he does with the El Dorado Liquor Store.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Dear City Council Commissioners,

I am pleased to have this opportunity to write this letter to attest to the character of Harry Shergill and to recommend him in his new venture, The Liquor Zone, at 2700 Country Club Blvd Stockton, CA. 95204.

I have been a neighbor to Mr. Shergill's business, El Dorado Liquor, for several years and have had the pleasure of personally getting to know him. Harry evokes a sense of community in our neighborhood, a place where people of all ages come, either to get a cup of coffee and pick up the morning paper or a place to chat with the other local residents. Harry is hard working, energetic, kind hearted, takes a genuine interest in all of his patrons and conscientious of his store and keeping it clean and safe.

In closing, I highly recommend Harry Shergill, given the opportunity, will give the residences of the Country Club area the same contribution to their neighborhood as he has given to us in the UOP area. If you would like further elaboration, feel free to contact me.

Respectfully,

To whom it may concern:

My name is Anita Villalpando and I am writing on behalf of Harry Shergill. I currently work at Stockton Hematology and Oncology Medical Group, and Harry owned the liquor store next door. Due to the close proximity of our businesses, I have had the pleasure of getting to know Harry as a business owner, and well as a friend for the past 16 years.

Mr. Shergill has owned and operated two liquor stores in the community, even in the toughest of economic times. His businesses have succeeded not only because of his hard work ethic and strong business sense, but also due in-fact to his ability to build an incredible rapport with his customers and maintain that standard of business over the years. Harry goes above and beyond to ensure that safety is of the upmost priority in his stores (for patrons as well as his staff), keeps his store well stocked, goes the extra mile and makes special orders for his regulars, and most importantly, he takes the time to speak with each and every customer, or at least flash them a smile, to let them know that they are appreciated.

Harry is not only a phenomenal business owner, but also a wonderful family man. Most of our conversations at the store are centered on our families. He is always telling me that his long hours and want for additional business ventures are just his hopes and dreams of continuing to better his future for his wife and children.

Harry is not just "the guy who owns the liquor store," but he is a friend of mine, as well as my families. After a long day, I know that my granddaughter and I can always stop in, and have a safe place and a friendly place to pick up a few items and have a friendly conversation. I can always count on him to have what I am looking for, ask how the family and I are doing, offer a helping hand (if need be), and put a smile off my face. Harry is a hardworking, dependable, family man who is looking for an opportunity to continue to grow and flourish. Anybody would be lucky to embark on a business journey with him, and I believe that his current staff as well as other patrons would say this as well. If you have any questions, feel free to contact me at (209) 471-9569.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anita Villalpando', written in a cursive style.

City of Stockton

Dear City Council Commissioners,

It is my privilege to attest to the Character and Integrity of my friend and businessman, Harry Shergill.

I have known Harry for the past 10 years and have had the opportunity to see the function and operation of several of his business ventures. I assisted him in several phases of construction upgrades on these projects and had the pleasure of seeing his personal dedication and sincere interest in the welfare of his customers. Harry runs a tight ship and always maintains a clean safe environment with a constant eye for improvement.

It is my firm belief that Harry Shergill brings a level of quality and dedication to his business ventures that reflect positively in the community he serves. I support his investment in the Country Club area and feel the added value of his presence will be greatly appreciated.

Kind Regards,

John Reusche

**PETITION IN SUPPORT OF THE
CONDITIONAL USE PERMIT
FOR HARRY SHERGILL
AT 2700 COUNTRY CLUB BOULEVARD**

Attachment B

We live in the area around 2700 Country Club Boulevard and have been made aware of the existing application for a liquor store at 2700 Country Club Boulevard. We have met Harry Shergill and we are in support of his application. His business background and experience is very good and we think that the City should approve his request for a Conditional Use Permit.
