(a) Due Organization, Existence and Authority. The City is a municipal corporation and general law city organized and existing under and by virtue of the Constitution and laws of the State of California, and has, and on the Closing Date will have, full legal right, power and authority:

When executed and delivered, the City Documents will constitute the legally valid and binding obligations of the City enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally.

(c) Compliance with City Documents. The City has complied, and will at the Closing Date be in compliance in all respects, with the terms of the City Documents.

(d) No Conflicts, Breaches or Defaults. The execution and delivery of City Documents and the Reassessment Bonds, the adoption of the Resolutions and compliance with the provisions of each thereof, and the carrying out and consummation of the transactions contemplated by the Official Statement, will not conflict with or constitute a breach of or a default under any applicable law or administrative regulation of the State of California or the United States, or any applicable judgment, decree, agreement or other instrument to which the City is a party or is otherwise subject.

To the knowledge of the City, at the time of the City's acceptance hereof and at all times subsequent thereto up to and including the Closing Date, with respect to information describing the City, the District, the City Documents and the Resolutions and other resolutions relating to the District, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(i) affect the creation, organization, existence or powers of the City or the titles of its members and officers to their respective offices,

(ii) enjoin or restrain the issuance, sale and delivery of the Reassessment Bonds, the levy and receipt of the reassessments which secure the Reassessment Bonds, or the pledge thereof,

(i) Any certificate signed by any official of the City authorized to do so shall be deemed a representation and warranty by the City to the Authority as to the statements made therein.

(m) The City has furnished some, but not all, of the information contained in the Official Statement and hereby authorizes the use of that information by the Authority in connection with the public offering and sale of the Authority Bonds.

(n) The Reassessments have been confirmed and a notice of reassessment has been filed with the Superintendent of Streets and recorded with the County Recorder in accordance with Streets & Highways Code Section 3114 and are secured by a lien on the property on which they have been levied.

(o) Each Reassessment District Fiscal Agent Agreement creates a valid pledge of, and first lien upon, the respective Reassessment installments deposited thereunder and the moneys in certain funds and accounts established thereunder, subject in all cases to the provisions of the Reassessment District Fiscal Agent Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(p) Except as disclosed in the Final Official Statement, there are, to the best of the City's knowledge, after reasonable and diligent investigation of records made available by the County of San Joaquin, no entities with outstanding bonded assessment or special tax liens against any of the properties within each respective District.

(q) Except as disclosed in the Official Statement, the City and the Districts have not failed to comply with prior undertakings under Rule 15c2-12 during the previous five years.
