

ORDINANCE NO.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF STOCKTON AMENDING CHAPTER 5.98 OF THE STOCKTON MUNICIPAL CODE TO INCREASE THE CITY'S MEDICAL CANNABIS BUSINESS LICENSE TAX RATE, AND AMENDING CHAPTER 5.99 OF THE STOCKTON MUNICIPAL CODE TO INCREASE THE MARIJUANA BUSINESS LICENSE TAX RATE, AND TO MAKE OTHER CONFORMING CHANGES IN LIGHT OF NEW STATE LAW, SUBJECT TO THE APPROVAL OF A MAJORITY OF THE VOTERS VOTING ON THE TAX MEASURE AT THE NOVEMBER 8, 2016 MUNICIPAL ELECTION

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF STOCKTON, AS FOLLOWS:

SECTION I. FINDINGS AND INTENT

The City Council of the City of Stockton finds that:

1. The City currently imposes a business license tax on the gross receipts of medical cannabis dispensaries, in the amount of \$25.00 per \$1,000.00 of gross receipts per year, pursuant to Stockton Municipal Code Chapter 5.98. The City Council is authorized, pursuant to that Chapter, to implement any lower tax rate, and may increase such tax rate, by ordinance or resolution, so long as the rate does not exceed the maximum rate of \$25.00 per \$1,000.00 of gross receipts per year.
2. In 2010, the City's qualified voters enacted Stockton Municipal Code Chapter 5.99, pertaining to "marijuana businesses," in the event that Proposition 19 or any subsequent State or Federal law was approved or adopted to allow for the use of marijuana for any non-medical business, personal, or recreational purpose or activity. Chapter 5.99 authorizes a business license tax on any marijuana business, excluding medical cannabis dispensaries under Chapter 5.98, in the amount of up to \$100.00 per \$1,000.00 of gross receipts per year. Proposition 19 failed to pass at the November 2, 2010 general election, and therefore Chapter 5.99 has never been implemented.
3. Effective January 1, 2016, the Medical Marijuana Regulation and Safety Act ("MMRSA") was enacted by the California legislature to authorize and regulate a comprehensive medical marijuana industry, including commercial cultivation, manufacturing, and distribution of medical marijuana. Additionally, there are numerous proposed and active voter initiatives regarding the legalization, decriminalization and regulation of recreational marijuana use which, if qualified, may be approved by California voters at the November 8, 2016 statewide election.
4. In light of the changes and potential changes to state law, including the additional authorizations and regulations imposed by the MMRSA, the City Council believes amendments to the existing medical cannabis business license tax and marijuana business license tax are timely and necessary. Specifically, the City Council believes amendments to increase to the range of rates which may be imposed on medical cannabis businesses, and updates to the applicable definitions of both Chapters 5.98 and 5.99 in order to better

match new state law, will provide a greater opportunity for the City to generate essential funds for vital City services and facilities, as the existence and operation of medical cannabis businesses in the State continue to expand.

5. The City Council is authorized to impose general and special taxes to fund municipal services and facilities, subject to the requisite voter approval as set forth in Article XIII C of the California Constitution and Government Code section 53720 *et seq.* Additionally, pursuant to Government Code section 53739 an ordinance or resolution presented for voter approval may state a range of rates or amounts so that Council may impose the tax at any rate or amount that is less than or equal to the maximum amount authorized by the voter-approved ordinance or resolution.
6. The City Council has determined that a reasonable and prudent action it can take to preserve fiscal stability in the City and to protect municipal services and facilities is to amend the existing medical cannabis business license tax to increase the applicable tax rate from the current \$25.00 per \$1,000.00 of gross receipts per year, to an authorized range of \$35.00 to \$50.00 per \$1,000 of gross receipts per year, and to make other conforming language changes in light of new state law. Additionally, the City Council has determined that certain language and definitional changes should be made to Chapter 5.99 regarding non-medical related marijuana business, in the event future changes in the law allow for the use of marijuana for non-medical purposes.
7. The medical cannabis business license tax and marijuana business license tax, and amendments thereto, are intended solely to raise revenue for municipal purposes and are not intended for regulatory purposes. The medical cannabis business license tax does not authorize the conduct or continuance of any illegal business or of a legal business in an illegal manner, nor does it authorize any particular business activity to be conducted in the City, unless otherwise authorized and allowed by the State of California and permitted by the City. Likewise, the marijuana business license tax only authorizes a tax in the event such businesses become lawful by local and State law, it does not authorize the establishment and operation of marijuana businesses in the City.

SECTION II. AMENDMENT OF CODE

Title 5, Chapter 5.98 of the Stockton Municipal Code, is hereby amended to read as follows:

Chapter 5.98 MEDICAL CANNABIS BUSINESS LICENSE TAX
