In April 2016, the City of Stockton submitted a Grant Proposal to the State of California Board of State and Community Corrections requesting consideration to participate in the Strengthening Law Enforcement and Community Relations Grant; and

The Program is administered by the State of California Board of State and Community Corrections and funding is provided the State of California's Budget Act of 2015; and

The City's Proposal included funding a collaborative program between the Stockton Police Department, the Office of Violence prevention, and community partners: Friends Outside and Fathers and Families of San Joaquin; and

The City's Proposal also included an allocation of an Administrative Analyst position fully funded by the grant award; and

Under the Strengthening Law Enforcement and Community Relations Grant, the focus of these funds will be to support the Police Department and Office of Violence Prevention in addition to the community partners: Friends Outside and Fathers and Families of San Joaquin, to strengthen police and community relations through three main interlocking initiatives focused on practice and policy, training, and community engagement; and

In June 2016, the City received notification from the State of California Board of State and Community Corrections that its Proposal was accepted for funding in the amount of \$600,000; and

As specified in the application material, the Strengthening Law Enforcement and Community Relations Grant requires a 20 percent local match. The local match amount of \$120,000 is allocated between the General Fund Grant Match account budget and the Police Department budget; now, therefore
