Is this on the upcoming Planning Commission agenda? If so, you may want to print a copy for the meeting folder.

Subject: Transitional Housing- Case #P15-0275

Good morning,

I'm writing to express my opposition for the transitional housing facility proposed for 801 S. California Street (Case # P15-0275). The proposed location is less than a mile from our school and is in the direct walking path for our students to and from school. I do not believe approving this facility would be in the best interest of our students, family, and surrounding community.

I thank you for your time and consideration.

Respectfully,
Danielle Valtierra
