Interests & Experiences

Please tell us about yourself and why you want to serve.

I am a retired educator. I worked at UOP as Vice president for Student Life for 27 years. During that time, I supervised a large staff, worked for 6 University Presidents, and spent lots of time with countless generations of university students. I believe my background would help me in matters that come before the Commission. In addition, I have many friends who have served in public office and I have always wanted to be a part of helping Stockton grow and prosper.

Please state the reason you would like to be a member of this board/commission.

As I mentioned, my years in education provided me with lots of opportunities to deal with employment matters. I have also had experience in dealing with judicial issues of a wide variety. I believe I can be fair and have the ability to see both sides of any issue.
