## **Interests & Experiences**

**Please tell us about yourself and why you want to serve.**

---

I was born and raised in the Central Valley but have spent the last 9 years living and working in San Francisco. About a year ago my fiancée, Jared Rusten and I came upon downtown Stockton and immediately fell in love with its amazing buildings, welcoming people and unlimited potential. I believe I have a good eye for art and design and also have a talent for connecting artists with opportunities of which they might not have been aware. I am sure that creatives and makers investing and working in Stockton will lead a very important role in its revitalization and would like to be of as much assistance in making that happen as possible.

**Please state the reason you would like to be a member of this board/commission.**

---

After graduating with a BA in American History from UC Santa Cruz, I spent many years honing my skills as a Sales and Event Manager with Joie de Vivre Hospitality. From there, I took the lead as the Director of Marketing and Events for the Disposable Film Festival. Most recently, I have been running my own event business in my woodshop/gallery space in the Mission District of San Francisco and am now utilizing my skills in Event Management and Community Development with the Downtown Stockton Alliance as their Community and Event Manager. I'd like to be a member of the Arts Commission because with my background in both the creative and corporate realms, I would be a passionate and professional advocate for the Arts in Stockton. I'm looking forward to dedicating my time and talent to this beautiful community and to be able to serve on this commission is just one of the many ways I see myself being able to give back.
