On August 11, 2016, the City Clerk of the City of Stockton opened, examined, and publicly declared the sealed bids offered for the Traffic Signal Heads Visibility Improvements (8" to 12"), (Project No. PW1422/Federal Project No. HSIPL 5008(134)); and

The project will enhance safety and improve the existing traffic signals to current standards; and

St. Francis Electric, LLC is the apparent low bidder in the amount of \$299,460; and

The project is, therefore, awarded to St. Francis Electric, LLC, the lowest bidder, in the amount of \$299,460, because its bid is regular and responsive in all respects; and

The State of California has determined that this project has no significant impacts on the environment as defined by the National Environmental Protection Act (NEPA) and there are no unusual circumstances as described in 23 C.F.R. 771.117(b); now, therefore,
