ARTICLE IV EQUIPMENT PROGRAM

4.1. <u>General</u>. Where permitted by law, Bottler will lease to Customer without any additional charge during the Term Bottler approved Dispensers reasonably necessary to enable Customer to dispense a quality Fountain Beverage. No ice makers or water filters will be provided. Equipment innovations that require a separate agreement (such as Coca-Cola Freestyle) will also not be provided without a separate agreement. Customer will not alter or add to any Dispenser provided by Bottler (including using a Dispenser for merchandising) without Bottler's prior written consent.

All Dispensers provided by Bottler will at all times remain the property of Bottler and are subject to the terms and conditions of this Article IV, (referred to as the "Lease").

4.2 Lease Agreement and Term. Pursuant to this Lease, Bottler hereby leases to Customer all Beverage Dispensers provided to Customer ("Equipment"), subject to the terms and conditions set forth in this Lease. Unless otherwise agreed in writing, the Equipment will also include, where applicable, all permanent merchandising, menu boards, refrigeration units, ice makers and water filtration equipment provided by Bottler. Each piece of Equipment is leased commencing on its installation date (the "Commencement Date"). Customer may request the removal of any Equipment upon thirty (30) days prior written notice to Bottler. Removal of Equipment will not affect the term of this Agreement between the parties. If this Lease is terminated with respect to any piece of Equipment prior to 100 months from the Commencement Date for that piece of Equipment, for any reason other than in connection with the termination of this Agreement by Customer pursuant to Article VI, Section 6.1.1(i), Customer will pay Bottler the actual cost of removal (including standard shipping and handling charges) and remanufacturing of that equipment, as well as the unamortized portion of the costs of (i) installation and (ii) non-serialized parts (e.g., pumps, racks and regulators) and other ancillary equipment. Collectively, removal costs and items (i) and (ii) are referred to as "unbundling costs." The terms of this Lease will continue in effect with respect to each piece of Equipment until the Equipment has been returned to Bottler and will survive the expiration or termination of any agreement into which this Lease is incorporated, by not more than 60 days, unless mutually agreed by both parties in writing.

4.3. <u>Title to the Equipment</u>. Title to the Equipment is, and will at all times remain, vested in Bottler. Customer will have no right, title, or interest in or to the Equipment, except the right to quiet use of the Equipment in the ordinary course of its business as provided in this Lease. Customer will execute such title documents, financing statements, fixture filings, certificates and such other instruments and documents as Bottler will reasonably

The City of Stockton and SMG Stockton

request to ensure to Bottler's satisfaction the protection of Bottler's title to the Equipment and Bottler's interests and benefits under this Lease. Customer will not transfer, pledge, lease, sell, hypothecate, mortgage, assign or in any other way encumber or dispose of any of the Equipment. THE PARTIES AGREE, AND CUSTOMER WARRANTS, THAT THE EQUIPMENT IS, AND WILL AT ALL TIMES REMAIN, PERSONAL PROPERTY OF BOTTLER NOTWITHSTANDING THAT THE EQUIPMENT OR ANY PART THEREOF MAY NOW BE, OR HEREAFTER BECOME, IN ANY MANNER AFFIXED OR ATTACHED TO, OR EMBEDDED IN, OR PERMANENTLY RESTING UPON, REAL PROPERTY OR IMPROVEMENTS ON REAL PROPERTY. Customer may perform ordinary maintenance and repairs to the Equipment as required by this Lease, but will not make any alterations, additions, or improvements to the Equipment without the prior written consent of Bottler (including using Equipment for merchandising not approved by Bottler). All parts added to the Equipment through alterations, repairs, additions or improvements will constitute accessions to, and will be considered an item of the Equipment and title to such will immediately vest in Bottler. Customer agrees that Bottler may transfer or assign all or any part of Bottler's right, title and interest in or to any Equipment (in whole or in part) and this Lease, and any amounts due to or become due, to any third party ("Assignee") for any reason. Upon receipt of written notice from Bottler and approval of such assignment, Customer will perform all its obligations with respect to any such Equipment for the benefit of the applicable Assignee, and, if so directed, will pay all amounts due or to become due hereunder directly to the applicable Assignee or to any other party designated by such Assignee.

4.4. <u>Use of Equipment</u>. Customer agrees that if the Equipment is a Dispenser, then the Equipment will be used for the purpose of dispensing fountain beverage products of The Coca-Cola Company, such as Coca Cola®, diet Coke® and Sprite®. If the Equipment is a pump for bag in box or similar container, such pump may be used only to dispense products of The Coca-Cola Company. If the Equipment is other than a dispenser or a pump, then it will be used only in a location where Fountain Beverage products of The Coca-Cola Company are served and where no Fountain Beverage is served that is a Product of PepsiCo.

4.5. **Inspection and Notification**. Bottler will have the right during Customer's regular business hours to inspect the Equipment wherever the Equipment may be located and to review all records that relate to the Equipment with the prior consent of the Customer. Consent shall not be unduly withheld from Bottler, but may not interfere with an event. Customer will promptly notify Bottler of all details arising out of any change in location of the Equipment, any alleged encumbrances thereon or any accident allegedly resulting from the use or operation thereof.

4.6. **WARRANTY DISCLAIMER**. CUSTOMER ACKNOWLEDGES THAT BOTTLER IS NOT A MANUFACTURER OF THE EQUIPMENT AND THAT BOTTLER HAS MADE NO REPRESENTATIONS OF ANY NATURE WHATSOEVER PERTAINING TO THE EQUIPMENT OR ITS PERFORMANCE, WHETHER EXPRESS OR IMPLIED, INCLUDING (WITHOUT LIMITATION) ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER WARRANTIES RELATING TO THE DESIGN, CONDITION, QUALITY,

The City of Stockton and SMG Stockton

CAPACITY, MATERIAL OR WORKMANSHIP OF THE EQUIPMENT OR ITS PERFORMANCE, OR ANY WARRANTY AGAINST INTERFERENCE OR INFRINGEMENT, OR ANY WARRANTY AGAINST INTERFERENCE, OR INFRINGEMENT, OR ANY WARRANTY WITH RESPECT TO PATENT RIGHTS, IF ANY, PERTAINING TO THE EQUIPMENT. BOTTLER WILL NOT BE RESPONSIBLE FOR ANY LOSS OF PROFITS ANY DIRECT, INCIDENTIAL OR CONSEQUENTIAL LOSSES OR DAMAGES OF ANY NATURE WHATSOEVER, RESULTING FROM THE DELIVERY, INSTALLATION, MAINTENANCE, OPERATIONS, SERVICE OR USE OF ANY EQUIPMENT OR OTHERWISE.

Notwithstanding the foregoing, nothing in this Article IV, Section 4.6 shall limit Bottler's liability for direct damages arising out of Bottler's negligence or willful misconduct in connection with the Bottler's delivery, installation, maintenance, operations, or service of the Equipment.

4.7. <u>Taxes</u>. Bottler will pay all assessments, license fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary and other taxes) and all other governmental charges, fees, fines or penalties whatsoever, whether payable by Bottler or Customer, on or relating to the rental, shipment, transportation, delivery, or of the Equipment.

4.8. <u>Conformance to Applicable Laws.</u> Bottler shall comply with all applicable Federal, State, and Municipal laws, rules, and ordinances. Bottler shall not discriminate in the employment of persons or in the provision of services under this Agreement on the basis of any legally protected classification, including race, color, national origin, ancestry, sex or religion of such person.

4.9. <u>Licenses, Certifications and Permits</u>. Prior to the City's execution of this Agreement and prior to the Bottler's engaging in any operation or activity set forth in this Agreement, Bottler shall obtain, at its expense, a City of Stockton business license, which must be kept in effect during the term of this Agreement. Bottler covenants that it has obtained all certificates, licenses, permits and the like required to perform the services under this Agreement.

4.10. <u>Maintenance and Repairs</u>. Customer will, at its expense, keep the Equipment in good condition, repair, and working order. Customer will pay all costs incurred in connection with the shipment, use, operation, ownership, or possession of the Equipment during the term of this Lease. Customer's recourse against Bottler with respect to service provided by Bottler or its agents to the equipment is that Bottler will correct any defective workmanship at no additional charge to Customer, provided that Bottler is given prompt notification of any defective workmanship. Bottler will not be otherwise liable for negligent acts or omissions committed in regard to maintenance or repair of the Equipment, and assumes no responsibility for incidental, consequential or special damages occasioned by such negligent acts or omissions.

4.11. <u>Service Program</u>. Customer may use Bottler's service network without any additional charge for a total of fifty (50) regular mechanical repair calls for

The City of Stockton and SMG Stockton

Fountain Beverages Dispensers provided by Bottler for each twelve month Year (which will be prorated for each Year less than twelve months). These calls are calculated sequentially on a per outlet basis and may not be aggregated. Parts required for these regular mechanical repair calls will also be provided without any additional charge. Any special service calls for ("Special Service Calls") are not considered regular service and will not be provided free of charge. Charges for Special Service Calls or for regular mechanical repair calls in excess of those available without any additional charge under this program will be charged at Bottler's then current rates. Charges will include labor, travel time, parts, and administrative costs. All such charges will be invoiced to Customer.

4.12. <u>Risk of Loss</u>. After acceptance of the Equipment by Customer, all risk of loss, including damage, theft or destruction, to each item of Equipment will be borne by Customer. No such loss, damage, theft or destruction of Equipment, in whole or in part, will impair the obligations of Customer under this lease, all of which will continue in full force and effect.

4.13. Intentionally Deleted

4.14. Default. The occurrence of any of the following will constitute a "Default" by Customer (i) nonpayment by Customer when due of any amount due and payable under this Lease, (ii) failure of Customer to comply with any provision of this Lease, and failure of Customer to remedy, cure, or remove such failure within ten (10) days after receipt of written notice thereof from Bottler, (iii) any statement, representation, or warranty of Customer to Bottler, at any time, that is untrue as of the date made, (iv) Customer's becoming insolvent or unable to pay its debts as they mature, or Customer making an assignment for the benefit of creditors, or any proceeding, whether voluntary or involuntary, being instituted by or against Customer alleging that Customer is insolvent or unable to pay its debts as they mature, (v) appointment of a receiver, liquidator, trustee, custodian or other similar official for any of the Equipment or for any property in which Customer has an interest, (vi) seizure of any of the Equipment, (vii) default by Customer under the terms of any note, document, agreement or instrument evidencing an obligation of Customer to Bottler or to any affiliate of The Coca-Cola Company, whether now existing or hereafter arising, (viii) Customer taking any action with respect to the liquidation, dissolution, winding up or otherwise discontinuing the conduct of its business, (ix) Customer transferring all or substantially all of its assets to a third party or (x) the transfer, conveyance, assignment or pledge of a controlling interest or ownership of Customer to a third party without Bottler's prior written consent.

4.15. <u>Remedies</u>. Upon the occurrence of any Default or at any time thereafter, Bottler may terminate this Lease as to any or all items of Equipment, may enter the premises where the Equipment is located and retake possession of the Equipment at Customer's expense, and will have all other remedies at law or in equity for breach of the Lease. Customer acknowledges that in the event of a breach of Sections 4.4 or 4.5 under this Article IV or a failure or refusal of Customer to relinquish possession of the Equipment in breach of this Section 4.15 following termination or Default, Bottler's damages would be difficult or impossible to ascertain, and Customer therefore agrees that Bottler will have the

7

The City of Stockton and SMG Stockton

right to an injunction in any court of competent jurisdiction restraining said breach and granting Bottler the right to immediate possession of the Equipment.

4.16. <u>Liquidated Damages</u>. If Customer acts in violation of the prohibitions described in Section 4.3 of this Article IV, or is unable or unwilling to return the Equipment to Bottler in good working order, normal usage wear and tear excepted, at the expiration or termination of the Lease, Customer will pay the replacement cost of said equipment.

4.17. Other Terms. Customer represents and warrants that it complies with all applicable laws and regulations and all appropriate practices with respect to food safety including the storing, preparation and serving of food. Furthermore, Customer acknowledges and agrees to comply with all equipment manufacturer specifications and product dispensing and preparation instructions and specifications. No failure by Bottler to exercise and no delay in exercising any of Bottler's rights hereunder will operate as a waiver thereof; nor will any single or partial exercise of any right hereunder preclude any other or further exercise thereof or of any other rights. This Article IV constitutes the entire agreement of the parties with respect to the Lease of the Equipment and supersedes all prior oral and written agreements between the parties governing the subject matter thereof.

Electrical installation costs and utilities for the Cold Drink Equipment will be at Customer's expense. ARTICLE VI MISCELLANEOUS

6.1 **Termination and Damages**.

6.1.1 Once both parties sign this Agreement, it may be terminated before the scheduled expiration date only in the following circumstances (i) either party may terminate the Agreement if the other party fails to comply with a material term or condition of the Agreement and does not remedy the failure within 90 days after receiving written notice specifying the non-compliance or (ii) Bottler may terminate the Agreement if, at any time during the Term or over the course of the Term, there is a transfer or closing of more than 10 percent Covered Outlets or a transfer of more than 10 percent of the assets of Customer.

6.1.2 Upon expiration or termination, Customer must return any equipment owned by Bottler and the marketing program will no longer be made available to Customer. In addition, if any piece of equipment other than Cold Drink Equipment is removed from a Covered Outlet prior to 100 months from the installation date for that piece of equipment, Customer will pay Bottler the actual cost of removal (including standard shipping and handling charges) and remanufacturing of the equipment, as well as the unamortized portion of the costs of (i) installation and (ii) non-serialized parts (e.g., pumps, racks and regulators) and other ancillary equipment.

6.1.3 Furthermore, in the event of any early termination of this Agreement, Customer will pay Bottler the unamortized cost of installation and the entire cost of removal of all Cold Drink Equipment. Collectively, removal and remanufacturing costs and items (i) and (ii) and the unamortized cost of installation and entire cost of removal of all Cold Drink Equipment are referred to as "unbundling costs." Upon termination, Customer must also pay the following amounts (a) all paid but unearned funding plus (b) interest at the rate of 1%, compounded monthly, or such lesser percentage as required by law, accrued from the date funds were paid or unbundling costs were incurred through the date of repayment.

6.1.4 The parties acknowledge that in addition to the liquidated damages outlined above, either party may pursue other remedies or damages if the other party breaches the terms of the Agreement. Nothing herein will be construed as a waiver of any right of Bottler to prove consequential damages as a result of a breach by Customer including, but not limited to, lost profits, and other damages allowable. To determine Lost Profits, the parties would multiply the remaining number of years left in Agreement by the sales volumes for the Agreement Year preceding termination.

6.1.5 The parties acknowledge that in addition to the liquidated damages outlined above, either party may pursue other remedies or damages if the other party breaches the terms of the Agreement. Nothing herein will be construed as a waiver of any right of either party to prove consequential damages as a result of a breach by the other party including, but not limited to, lost profits, and other damages allowable.

The City of Stockton and SMG Stockton

6.2 <u>Non-Complying Outlets</u>. In the event a Covered Outlet has not achieved compliance within 60 days from receipt of written notice of non-compliance, Bottler will have the option to terminate this program with respect to such Covered Outlet on 30 days' additional written notice. In the event 10% or more of the Covered Outlets fail to comply with this Agreement, Bottler will have the right to terminate this Agreement for breach, and the termination remedies set forth above will apply. Nothing in this paragraph will operate to restrict any of Bottler's other remedies in the event of a material breach by Customer.

6.3 <u>Governing Law; Dispute Resolution</u>. This Agreement will at all times be governed by the laws of the State of California. Should there be a dispute between Bottler and Customer relating in any way to the Agreement, the breach of the Agreement, or the business relationship of the parties, the parties agree that they will make a good faith effort to settle the dispute in an amicable manner. If the parties are unable to settle the dispute through direct discussions, at that time they will attempt to settle the dispute by mediation held before a mediator agreed upon by both parties in writing before pursuing any available remedies in a court of law. If litigation is pursued, the exclusive venue(s) for such litigation will be in the State Court, County of San Joaquin, Stockton Branch or the Federal Court, Eastern District, and the parties agree to submit to the personal jurisdiction of the courts in the State of California.

6.4 Transfers and Assignments.

6.4.1 If there is a transfer of more than 10 percent of the Covered Outlets, or a transfer of more than 10 percent of the assets of Customer, and Bottler does not elect to terminate the Agreement under the "Termination and Damages" section above, then, upon mutual agreement between Customer and Bottler, Customer will cause the acquiring, surviving or newly created business to assume all of Customer's obligations under the Agreement with regard to the acquired assets or business. The Agreement will not be otherwise assignable without the express written consent of Bottler. Nothing contained herein will be construed as a waiver of Bottler's termination rights pursuant to this Agreement.

6.4.2 If Customer transfers or closes any Covered Outlets, Customer will pay Bottler the cost to remove equipment other than Cold Drink Equipment located in such Covered Outlet installed less than 100 months prior to the transfer or closure, unless Customer causes the new owner or operator at the location to assume the lease of the equipment on terms acceptable to Bottler in its reasonable discretion.

6.4.3 Notwithstanding anything herein to the contrary, Bottler hereby agrees that in the event the Management Agreement is terminated or expires, SMG's liability and obligations under this Agreement shall terminate as of the date of such termination or expiration. Further, this Agreement may be assigned by City to SMG's successor, subject to Bottler's prior written consent, which consent shall not be unreasonably withheld or delayed.

6.4.4. <u>Non-Assignability.</u> The Bottler shall not assign, sublet, or transfer this Agreement or any interest or obligation in the Agreement without the prior written consent of the City, and then only upon such terms and conditions as City may set forth in writing. Bottler shall be solely responsible for reimbursing subcontractors; provided however that Bottler may assign this Agreement to a licensed bottler of The Coca-Cola Company.

6.5 <u>**Trademarks**</u>. Neither Customer nor Bottler will make use of TCCC's or the other party's trademarks or logos (either alone or in conjunction with their or another party's trademarks or logos) without the prior written consent of that party, and all use of the other party's trademarks will inure to the benefit of trademark owner.
