(GLEASON PARK HOUSING)

This Amended and Restated Regulatory Agreement and Declaration of Restrictive Covenants (the "Agreement") is made and entered into as of \_\_\_\_\_, 2016, by and among the Successor Agency to the Former Redevelopment Agency of the City of Stockton, a public body existing under the laws of the State of California (the "Agency"), the City of Stockton, a municipal corporation (the "City"), and Mercy Housing California XXXIX, a California limited partnership (the "Borrower").

RECITALS

A. The Agency, the City and Borrower entered into that certain Development Loan Agreement, dated as of March 26, 2010 (the "Loan Agreement"), pursuant to which the Agency and the City will provide loan funding to the Borrower for the development and construction of ninety-one (91) units of multifamily very low income housing, two manager's units and related improvements (the "Development") to be located on the real property more particularly described in the attached Exhibit A (the "Property").

B.

Pursuant to the Loan Agreement, the Agency and the Borrower executed a Regulatory Agreement and Declaration of Restrictive Covenants ("Original Regulatory Agreement") dated as of March 26, 2010 and recorded against the Property in the Official Records of San Joaquin County on April 2, 2010 as Instrument No. 2010-045638. This Agreement restates in its entirety the Original Regulatory Agreement. The effective date of this Agreement is March 26, 2010.

C. Pursuant to the Loan Agreement, the Agency will provide Borrower a loan in the total amount of up to Four Million Ninety-One Thousand Dollars (\$4,091,000) (the "Agency Loan"). The Agency has agreed to make the Agency Loan to the Borrower on the condition that the Development be maintained and operated in accordance with Health and Safety Code Sections 33334.2 et seq., and in accordance with the

restrictions concerning affordability, operation, and maintenance of the Development, as specified in this Agreement.

D. The City has received Home Investment Partnership Act funds from the U.S. Department of Housing and Urban Development (HUD) pursuant to the Cranston-Gonzales National Housing Act of 1990 ("HOME Funds"). Pursuant to the Loan Agreement, the City has agreed to provide Borrower a loan of HOME Funds in the amount of One Million Nine Hundred Thousand Dollars (\$1,900,000) to assist in the construction of the Development (the "City HOME Loan") which will contain eleven (11) HOME-assisted units. The City agreed to make the City HOME Loan to the Borrower on the condition that the Development be maintained and operated in accordance with the HOME Regulations (defined below), and in accordance with the restrictions concerning affordability, operation, and maintenance of the Development, as specified in this Agreement.

E. Ninety-one (91) of the Units in the Development will be designated as assisted with the Agency housing funds, eleven (11) of which will be designated HOME-Assisted Units.

F. The City also intends to utilize the Development to obtain Housing Element credit toward meeting its fair share of regional housing needs pursuant to California Government Code Section 65583. This Agreement is also intended to implement this requirement. In accordance with Section 65402 of the Government Code, it has been determined that this action is in conformity with the City's General Plan 2003 Housing Element, adopted September 14, 2004.

G. The Development complies with Article XXXIV of the California Constitution as the voters of the City approved Measure W on March 7, 2000, which provides that five hundred (500) affordable housing units may be developed, constructed and acquired annually. The City Council has allocated ninety-two (92) units of such authority for the Development by Resolution No. 07-0269 dated June 26, 2007.

H. In consideration of receipt of the Agency Loan and the City HOME Loan at an interest rate significantly below the market rate, the Borrower has further agreed to observe all the terms and conditions set forth below.

2.5 Termination of Occupancy. Upon termination of occupancy of a Unit by a Tenant, such Unit shall be deemed to be continuously occupied by a Very Low Income Household, until such Unit is reoccupied. Any new Tenant must meet the requirements

The Borrower is responsible for all management functions with respect to the Development, including without limitation the selection of tenants, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. Neither the City nor the Agency shall have any responsibility over management of the Development. The Borrower shall retain a professional property management company approved by the Agency and City in their reasonable discretion to perform its management duties hereunder.

### 5.2 Management Agent.

The Development shall at all times be managed by an experienced management agent reasonably acceptable to the Agency and the City, with demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing (as approved, the "Management Agent"). A full-time employee of the Management Agent, experienced in the on-site management of residential facilities similar to the Development, shall work and reside at the Development at all times, responsible for the on-site management of the Development. The Borrower shall submit for the Agency's and City's approval, the identity of any proposed Management Agent. The Borrower shall also submit such additional information about the background, experience and financial condition of any proposed Management Agent as is reasonably necessary for the Agency and City to determine whether the proposed Management Agent meets the standard for a qualified Management Agent set forth above. If the proposed Management Agent meets the standard for a qualified Management Agent set forth above, the Agency and City shall approve the proposed Management Agent by notifying the Borrower in writing. Unless the proposed Management Agent is disapproved by the Agency and/or City within thirty (30) days, which disapproval shall state with reasonable specificity the basis for disapproval, it shall be deemed approved. The Agency and the City hereby approve Mercy Services Corporation as the initial Management Agent.

### 5.3 Performance Review.

The Agency and City reserve the right to conduct an annual (or more frequently, if deemed necessary by the Agency and/or City) review of the management practices and financial status of the Development. The purpose of each periodic review will be to enable the Agency and City to determine if the Development is being operated and managed in accordance with the requirements and standards of this Agreement. The Borrower shall cooperate with the Agency and City in such reviews.

#### 5.4 Replacement of Management Agent.

If, as a result of a periodic review, the Agency and/or City determine in their reasonable judgment that the Development is not being operated and managed in accordance with any of the material requirements and standards of this Agreement, the Agency and/or City shall deliver notice to Borrower of its intention to cause replacement of the Management Agent, including the reasons therefor. Within fifteen (15) days of receipt by Borrower of such written notice, Agency and City staff and the Borrower shall meet in good faith to consider methods for improving the financial and operating status of the Development, including, without limitation, replacement of the Management Agent.

If, after such meeting, the Agency Executive Director or City Manager recommends in writing the replacement of the Management Agent, Borrower shall promptly dismiss the then Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a Management Agent set forth in Section 5.2 above and approved by the Agency and City pursuant to Section 5.2 above.

Any contract for the operation or management of the Development entered into by Borrower shall provide that the contract can be terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section shall constitute default under this Agreement, and the Agency and/or City may enforce this provision through legal proceedings as specified in Section 6.9 below.

#### 5.5 Approval of Management Plan.

The Borrower shall submit its written management policies with respect to the Development to the Agency and City for their review, which shall include written guidelines or procedures for operation and management of the Development including maintenance and security processes and staffing levels, and implementation of the tenant selection, income certification, reporting, and leasing requirements of this Agreement. Borrower shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this Agreement.

(d) Sidewalks. The Borrower shall maintain, repair, and replace as necessary all public sidewalks adjacent to the Development.

The Agency and City place prime importance on quality maintenance to protect their investments and to ensure that all Agency-assisted and City-assisted affordable housing projects within the City are not allowed to deteriorate due to below-average maintenance. Normal wear and tear of the Development will be acceptable to the Agency and City assuming the Borrower agrees to provide all necessary improvements to assure the Development is maintained in good condition. The Borrower shall make all repairs and replacements necessary to keep the improvements in good condition and repair.

In the event that the Borrower breaches any of the covenants contained in this Section and such default continues for a period of five (5) business days after written notice from the Agency or City with respect to graffiti, debris, waste material, and general maintenance or thirty (30) days after written notice from the Agency with respect to landscaping and building improvements, then the Agency or City, in addition to whatever other remedy they may have at law or in equity, shall have the right to enter

upon the Property and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the Agency and City shall be permitted (but is not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency or City and/or costs of such cure, which amount shall be promptly paid by the Borrower to the Agency and/or City as applicable, upon demand.

#### 5.7 Safety Conditions.

(a) The Borrower acknowledges that the Agency and City place a prime importance on the security of Agency-assisted and City-assisted projects and the safety of the residents and surrounding community. The Agency, City, and the Borrower hereby declare their express intent that the covenants and restrictions set forth in this Agreement shall run with the land, and shall bind all successors in title to the Property, provided, however, that on the expiration of the Term of this Agreement said covenants and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof, shall be held conclusively to have been executed, delivered and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the Agency and City expressly releases such conveyed portion of the Property from the requirements of this Agreement.

#### 6.9 Enforcement by the Agency and City.

If the Borrower fails to perform any obligation under this Agreement, and fails to cure the default within thirty (30) days after the Agency or City has notified the Borrower in writing of the default or, if the default cannot be cured within thirty (30) days, failed to commence to cure within thirty (30) days and thereafter diligently pursue such cure and complete such cure within sixty (60) days, the Agency and the City shall have the right to enforce this Agreement by any or all of the following actions, or any other remedy provided by law:

6.13 Listing of Property in Database.

Borrower hereby acknowledges and agrees that Health and Safety Code Section 33418(c) requires that the Property be listed in a database that shall be made available to the public on the internet and which will include the street address, assessor's parcel number, and other information about the Property. The Borrower must disclose this requirement to all Tenants and prospective Tenants.

6.14 Waiver of Requirements.

No waiver of the requirements of this Agreement shall occur unless expressly waived by the Agency and City in writing. No waiver will be implied from any delay or failure by the Agency or City to take action on any breach or default of Borrower or to pursue any remedy permitted under this Agreement or applicable law. Any extension of time granted to Borrower to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by the Agency or City to any act or omission by Borrower shall not be construed to be consent to any other or subsequent act or omission or to waive the requirement for the Agency's or City's written consent to future waivers.
