**6:30 PM**

Dear Community Resident,

We at Stagecoach Wellness Center invite you to an open house at 2403 Stagecoach on Monday the 18<sup>th</sup> of May @ 6:30 to discuss our conditional use permit for dispensary operations. For the past several weeks our volunteers have been in your community, wearing bright yellow vests picking up trash and helping with neighborhood beautification. We would also like to speak with you on an individual basis to help us understand the unique needs and concerns of your community.

We would like to provide a more formal forum and invite you into the facility to further discuss our plans for providing safe access to patients in the area as well as answering your individual questions.

Knowing many of you work during the week and have busy personal lives, we will try to keep the presentation brief and focused on providing information relevant to you and your community. Refreshments and food will be provided along with detailed brochures and handouts containing more detailed information about the operation.

We look forward to the opportunity to connect and look forward to your presence.
