Interests & Experiences

Please tell us about yourself and why you want to serve.

Why I want to serve on a board; I have lived in Stockton all my life except for a 10 years when I lived in Fresno. I was able to come back home where I belong with my family. My parents family has been in Stockton for over 4 generations, I was able to raise my child here and I know Stockton can be better for our children. My daughter is now away at collage and my mom of 86 years has passed and now its my time to give back to the city I love so much. I am a Realtor in Stockton I work very hard on communication and I have very good negotiation skills. Listening to people every day and determining what they are saying with interviewing skills and checking for understanding. To gain their trust in me. I negotiate with people to get a win-win on each side with each party giving a little to solve the problem. I am a Stockton native and believe that Stockton is a great city. I am committed to citizen participation to make sure others feel the same way about our city.

Please state the reason you would like to be a member of this board/commission.

The leadership demonstrated incresible corage declaring bankruptcy and made significant changes to lead us out on insolvency. We have a new members on our council and a new Mayor and active citizen involvemont is paramount increating trusting relationships to move the ciry forward into prosperity. I am committed to the concept of : "promises made, promises kept". I think the vision of Stockton for our Urban growth and the in-fill growth is very very important to everyone in City of Stockton. I see voids in our city in quality of life, sense of community and transpertation. I work very hard on working and listening to others probing into their ideas and concerns bringing a true direction and a plan to the city council would be something that I can truly enjoy. I would feel like I have giving back a true part of me to the city I love so much. I would take this appointment very seriously and work for the best of everyone in the City of Stockton. I feel that we will grow to a very large city and we have a good plan. Thanks You: Julie Cox
