PLANT OPERATOR-IN-TRAINING

Established: 4/23/02 CC02-0207 Resolution: Spec Adopted: 04/18/02 Resolution: CS02-034 Spec Amended: Resolution: CS06-121 Spec Amended: 1/17/08 Ratifying Resolution: CS08-010 Spec Amended: Resolution: CS Status: Classified Unit: 0&M FLSA Status: Non-Exempt

DEFINITION

Under immediate supervision, performs wastewater inflow, treatment, effluent processing and laboratory sampling operations.

CLASS CHARACTERISTICS

This is a trainee level position in the wastewater treatment Plant Operator series. This position is alternately staffed with Plant Operator I upon acquisition of a California Grade I Wastewater Treatment Certificate.

PRINCIPAL DUTIES (Illustrative Only)

- 1. Learns process control of wastewater treatment.
- 2. Learns to review and record readings, logs, and test results.
- 3. Learns to read, record, interpret and monitor meters, gauges, control panels and laboratory test results.
- 4. Learns to extract wastewater samples; prepares and maintains associated chain of custody and quality control records; transfers samples to laboratory; performs routine laboratory tests and analyses.
- 5. Learns to operate direct and remote controls of manual and automatic equipment.
- 6. Observes the application of chemicals used during treatment processes.
- 7.• Learns to identify and diagnose existing and potential repair requirements to plant, wells, pump stations and associated equipment.

MINIMUM QUALIFICATIONS

Education/Experience:

Possession of a high school diploma or GED. Experience with mechanical, hydraulic, or material process systems is desirable.

Other Requirements:

- Must maintain a valid Class C California Driver's License at all times.
- Upon employment, the City will apply for the California State Water Resources Control Board (CSWRCB) Operator-in-Training Certificate on behalf of the employee. Thereafter, it is the responsibility of the employee to maintain a valid certificate.
- Enrollment in supplemental educational courses as determined by the CSWRCB within one (1) year of employment. Failure to comply with CSWRCB regulations will result in termination of employment.
- As a condition of continued employment with the City of Stockton, must obtain a California Grade I Wastewater Treatment Certificate within two (2) years from date of hire. This position
