Re: Request for Proposal – Bond and Disclosure Counsel Services (PUR 17-046)
FEE PROPOSAL OF JONES HALL

To Whom It May Concern:

As is the customary protocol in the bond industry, our firm does not charge pursuant to hourly rates. Our fee for each bond issue as bond counsel and/or disclosure counsel, excluding reimbursable costs, is computed as a percentage of the aggregate principal amount of such bond issue and is typically contingent upon a successful bond closing. Fees are payable at closing rather than periodically and our fees include reasonable follow-up advice requested by the issuer, so you can expect to pay only once, at bond closing and only from bond proceeds.

Per your request, the completed "Cost Proposal Form" is below. We have included one for Bond Counsel and one for Disclosure Counsel. Fees are based on a variety of factors- anticipated amount of the work involved, complexity and size of the financing, type of bond, type of security, refunding vs. new money, credit features, etc. As such, it is difficult to establish a fee without knowing transaction details, so the fees indicated reflect estimated amounts which are typical for the firm in various types of financings. You will find that we are receptive to discussion regarding fees and we will try to meet our competition and your expectations and acknowledge and are open to the fact that, as you stated in the RFP, fees are subject to negotiation with the City.

Fee Estimates

| BOND COUNSEL | "A" Rated Revenue Bonds | Non-Rated Land Secured Bonds | Short-term Note or Bank Loans | Privately - Placed Leases |
|-------------------------------|-------------------------------|---------------------------------------|----------------------------------|---------------------------------|
| Assumed Par Amounts: | | | | |
| \$2-3 million | \$20-35,000 | \$25-35,000 | \$20,000 | \$20,000 |
| \$10 million | \$30-45,000 | \$40-60,000 | \$25,000 | \$25,000 |
| \$20 million | \$45-55,000 | \$50-65,000 | NA | NA |
| \$30 million | \$50-65,000 | \$60-60,000+ | NA | NA |
| DISCLOSURE COUNSEL | | | | |
| \$2-3 million | \$20,000 | \$25,000 | NA | NA |
| \$10 million | \$25,000 | \$27,500 | NA | NA |
| \$20 million | \$27,500 | \$30,000 | NA | NA |
| \$30 million | \$30,000 | \$35,000 | NA | NA |

In addition to the above fees, we would expect to be reimbursed for actual out-of-pocket expenses associated with the transaction. Reimbursed expenses are expected to primarily include official transcript preparation in paper and/or CD formats, and shipping charges. We do not charge for the time or costs of travel to meetings with our clients within the State of California. It should be noted that the above fee and any payment of expenses are contingent upon a successful bond closing. We cap our out-of-pocket expenses at \$2,500 per transaction. Disclosure Counsel transactions typically do not incur expenses, unless we pay the cost of data obtained from outside sources (for example, California Municipal Statistics).

We are happy to provide a more specific fee proposal for the City in connection with a particular financing proposal.

Very truly yours,

David T. Fama
Vice President
