The Special Taxes levied on an Assessor's Parcel shall be the sum of the Special Taxes for all Land Use Classes located on that Assessor's Parcel. If an Assessor's Parcel of Developed Property includes both Residential Property and Non-Residential Property, the Acreage to be assigned to the Non-Residential Property for purposes of establishing the annual Special Tax A shall equal the Non-Residential Floor Area on the Assessor's Parcel divided by Total Floor Area on the Assessor's Parcel multiplied by the Acreage of the Assessor's Parcel. (3) Multiple Land Use Classes

In some instances, an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax B levied on an Assessor's Parcel shall be the sum of the Maximum Special Tax B for all Land Use Classes located on that Assessor's Parcel.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

1. Special Tax A

Commencing with Fiscal Year 2018-2019 and for each following Fiscal Year, the CFD Administrator shall determine the Special Tax A Levy as follows:

First: The Assigned Special Tax A shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax A for Developed Property.

Second: If additional monies are needed to satisfy the Special Tax A Requirement after the first step has been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Final Mapped Property until (i) the total Special Taxes levied under the first two steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on Final Mapped Property equal 100% of the Maximum Special Tax, whichever comes first.

Third: If additional monies are needed to satisfy the Special Tax A Requirement after the first two steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property until (i) the total Special Taxes levied under the first three steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Tax A levied on Undeveloped Property equals 100% of the Maximum Special Tax A, whichever occurs first.

Fourth: If additional monies are needed to satisfy the Special Tax A Requirement after the first three steps have been completed, then the levy of the Special Tax A on each Assessor's Parcel of Developed Property for which the Maximum Special Tax A is determined through the application of the Backup Special Tax A shall be increased in equal percentages from the Assigned Special Tax A up to 100% of the Maximum Special Tax A for each such Assessor's Parcel of Developed Property until (i) the total Special Taxes levied under the first four steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on all Developed Property equal 100% of the Maximum Special Tax A for Developed Property, whichever occurs first.

Fifth: If additional monies are needed to satisfy the Special Tax A Requirement after the first four steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property until (i) the total Special Taxes levied under the first five steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on all Taxable Property Owner Association Property equal 100% of the Maximum Special Tax A for Property Owner Association Property, whichever occurs first.

Sixth: If additional monies are needed to satisfy the Special Tax A Requirement after the first five steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property until (i) the total Special Taxes levied under the first six steps listed in this Section D equal the Special Tax A Requirement, or (ii) the Special Taxes levied on all Taxable Public Property equal 100% of the Maximum Special Tax A for Taxable Public Property, whichever occurs first.

Notwithstanding the above, the CFD Administrator or its designee may, in any Fiscal Year, levy Proportionately less than 100% of the Assigned Special Tax A in the first step (above), when (i) the City is no longer required to levy the Special Tax A beyond the first step (above) in order to meet the Special Tax A Requirement; and (ii) all authorized CFD No. 2018-2 (IA No. 1) Bonds have already been issued or the City has covenanted that it will not issue any additional CFD No. 2018-2 (IA No. 1) Bonds (except refunding bonds), to be supported by the Special Tax A.

2. Special Tax B

Commencing with Fiscal Year 2018-2019 and for each following Fiscal Year, the CFD Administrator shall Proportionately levy the annual Special Tax B on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax B, until the amount of Special Taxes equals the Special Tax B Requirement.

E. EXEMPTIONS

1. Special Tax A

No Special Tax shall be levied on Public Property, and Property Owner Association Property, in CFD No. 2018-2 (IA No. 1) provided that no such exemption shall reduce the total Acreage of Taxable Property to less than 33.26 Acres. Tax-exempt status shall be assigned by the CFD Administrator in the chronological order in which property in CFD No. 2018-2 (IA No. 1) becomes Public Property or Property Owner Association Property. However, should an Assessor's Parcel of Public Property, or Property Owner Association Property no longer be classified as tax-exempt, it will, from that point forward, be subject to the Special Tax. Furthermore, any Assessor's Parcel designated as Public Property or Property Owner Association Property that cannot be exempt from the Special Tax because such exemption would reduce the Acreage of all Taxable Property within CFD No. 2018-2 (IA No. 1) to less than 33.26 Acres shall be designated as Taxable Public Property or Taxable Property Owner Association Property.

Prior to sixty (60) days before the issuance of a first series of CFD No. 2018-2 (IA No. 1) Bonds, the CFD Administrator may increase or decrease the final number of minimum taxable Acres in CFD No. 2018-2 (IA No. 1) to better reflect the actual tax-exempt acreage within CFD No. 2018-2 (IA No. 1). However, notwithstanding the above, the final number of taxable Acres in CFD No. 2018-2 (IA No. 1) shall not be decreased if it causes an increase in the Special Tax levied on any existing Assessor's Parcel of Developed Property.

2. Special Tax B

No Special Tax B shall be levied on Public Property and Property Owner Association Property.

F. REVIEW/APEAL PROCESS

Any taxpayer may file a written appeal of the Special Tax on his/her property with the City, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator or its designee shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination within sixty (60) days after receipt of the appeal. If the CFD Administrator agrees with the appellant, the CFD Administrator shall make a recommendation to the City to eliminate or reduce the Special Tax on the appellant's property or to provide a refund to appellant. The approval of the City or its designee must be obtained prior to any such elimination or reduction. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has thirty (30) days in which to appeal to the City by filing a written notice of appeal with the CFD Administrator, provided that the appellant is current in his/her payments of the Special Taxes. The second appeal must specify the reasons for the appellant's disagreement with the CFD Administrator's determination. The CFD Administrator shall schedule the appeal to be heard before the City within sixty (60) days after receipt of the second appeal.

Interpretations may be made by the City, without Resolution or Ordinance of the City Council, for purposes of clarifying any vagueness or ambiguity as it relates to the Special Taxes, the Rate and Method of Apportionment, Land Use Classes, or any other definition applicable to CFD No. 2018-2 (IA No. 1).

Without City Council approval, the CFD Administrator may make minor, non-substantive administrative and technical changes to the provisions of this document that do not materially affect the rate, method of apportionment, and manner of collection of the Special Tax for purposes of administrative efficiency or convenience or to comply with new applicable federal, state, or local law.

The City, upon request of an owner of land within the CFD No. 2018-2 (IA No. 1) which is not Developed Property, may also amend this Rate and Method of Apportionment to reallocate the Special Tax applicable to such owner's land in a manner acceptable to the City, without Resolution or Ordinance of the City Council, upon the affirmative vote of such owner and without the vote of owners of any other land within the CFD No. 2018-2 (IA No. 1), provided such amendment (i) only affects the such owner's land, (ii) does not reduce the total annual Maximum Special Tax revenue for the CFD No. 2018-2 (IA No. 1), and (iii) provides for a Special Tax distribution upon development of such land which is reasonably proportional and consistent with Special Tax rates provided for in Section C (including escalations thereto) for similar land uses and is compliant with the tax assessment loan exception contained in U.S. Treasury Regulation Section 1.141-5(d).

G. MANNER OF COLLECTION

The Special Tax Levy will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2018-2 (IA No. 1) may directly bill the Special Tax Levy, may collect Special Tax Levies at a different time or in a different manner

if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. PREPAYMENT OF SPECIAL TAX A

Under this Rate and Method of Apportionment, an Assessor's Parcel within CFD No. 2018-2 (IA No. 1) is permitted to prepay the Special Tax A. The obligation of the owner of an Assessor's Parcel to pay the Special Tax A may be fully or partially prepaid and permanently satisfied as described herein, provided that a prepayment may be made only for Assessor's Parcels of Developed Property, or for an Assessor's Parcel of Final Mapped Property or Undeveloped Property for which a Building Permit has been issued after January 1, 2018, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax A obligation shall provide the CFD Administrator with written notice of intent to prepay. Within thirty (30) days of receipt of such written notice, the CFD Administrator shall notify such owner of the Special Tax A Prepayment Amount (defined below) for such Assessor's Parcel. The CFD Administrator may charge such owner a reasonable fee for providing this service. If there are Outstanding Bonds, prepayment must be made not less than thirty (30) days prior to a date that notice of redemption of CFD No. 2018-2 (IA No. 1) Bonds from the proceeds of such prepayment may be given by the Trustee pursuant to the Indenture.

The Special Tax B may not be prepaid.

The following additional definitions apply to this Section H:

"CFD Public Facilities Costs" means either \$10,400,000 in 2018 dollars, which shall increase by the Construction Inflation Index on July 1, 2019, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide funding for the Authorized Facilities under the authorized bonding program for CFD No. 2018-2 (IA No. 1), or (ii) shall be determined by the City concurrently with a covenant that it shall not issue any more CFD No. 2018-2 (IA No. 1) Bonds (except refunding bonds) to be supported by the Special Tax A levy under this Rate and Method of Apportionment.

"Construction Inflation Index" means the annual percentage change in the Engineering News Record Building Cost Index for the City of San Francisco, measured as of the month of December in the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News Record Building Cost Index for the City of San Francisco.

"Future Facilities Costs" means the CFD Public Facilities Costs minus (i) costs of Authorized Facilities previously paid from the Improvement Fund, (ii) moneys currently on deposit in the Improvement Fund available to pay costs of Authorized Facilities, (iii) monies currently on deposit in an escrow fund established pursuant to the Indenture and expected to be available to fund Authorized Facilities and (iii) the amount the CFD Administrator reasonably expects to derive from the reinvestment of these funds.

"Improvement Fund" means a fund or account specifically identified in the Indenture to hold

funds which are currently available for expenditure to acquire or construct Authorized Facilities.

“Previously Issued Bonds” means, for any Fiscal Year, all Outstanding Bonds that are outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

1. Prepayment in Full

The Special Tax A Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

Bond Redemption Amount	
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
less	Capitalized Interest Credit
Equals Special Tax A Prepayment Amount	

As of the proposed date of prepayment, the Special Tax A Prepayment Amount shall be calculated according to the following paragraphs:

1. Confirm that no Special Tax A delinquencies apply to such Assessor’s Parcel.
2. For Assessor’s Parcels of Developed Property, compute the Assigned Special Tax A and Backup Special Tax A for the Assessor’s Parcel to be prepaid. For Assessor’s Parcels of Final Mapped Property or Undeveloped Property for which a Building Permit has been issued after January 1, 2018, compute the Assigned Special Tax A and Backup Special Tax A for that Assessor’s Parcel as though it was already designated as Developed Property, based upon the Building Permit which has already been issued for such Assessor’s Parcel.
3. (a) Divide the Assigned Special Tax A computed pursuant to paragraph 2 by the total estimated Assigned Special Tax A levy for CFD No. 2018-2 (IA No. 1) based on the Assigned Special Taxes for Developed Property which could be levied on all expected development assuming Buildout of CFD No. 2018-2 (IA No. 1), excluding any Assessor’s Parcels which have been prepaid, and

(b) Divide the Backup Special Tax A computed pursuant to paragraph 2 by the total estimated Backup Special Taxes at Buildout for the entire CFD No. 2018-2 (IA No. 1), excluding any Assessor’s Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Previously Issued Bonds to compute the amount of Previously Issued Bonds to be redeemed (the “Bond Redemption Amount”).
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium, if any, on the Previously Issued Bonds to be redeemed (the “Redemption Premium”).

6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 5 to compute the amount of Future Facilities Costs to be prepaid (the “Future Facilities Amount”).
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Previously Issued Bonds.
9. Determine the Special Tax A levied on the Assessor’s Parcel in the current Fiscal Year which has not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Special Tax A Prepayment Amount, less any interest earnings attributed to the Administrative Fees and Expenses (defined below) from the date of prepayment until the redemption date for the Previously Issued Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the “Defeasance Amount”).
12. The administrative fees and expenses of CFD No. 2018-2 (IA No. 1) are as calculated by the CFD Administrator and include the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2018-2 (IA No. 1) Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the “Administrative Fees and Expenses”).
13. The reserve fund credit (the “Reserve Fund Credit”) shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Previously Issued Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Previously Issued Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. If any capitalized interest for the Previously Issued Bonds will not have been expended as of the date immediately following the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund or account under the Indenture after such first interest and/or principal payment date (the “Capitalized Interest Credit”).
15. The Special Tax A prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11, and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the “Special Tax A Prepayment Amount”).

2. Prepayment in Part

The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (PE - A) \times F + A.$$

These terms have the following meaning:

PP = the partial prepayment

PE = the Special Tax A Prepayment Amount calculated according to Section H.1

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax A.

A = the Administration Fees and Expenses from Section H.1.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax A and the percentage by which the Special Tax A shall be prepaid.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section H.3, and (ii) indicate in the records of CFD No. 2018-2 (IA No. 1) that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage $(1.00 - F)$ of the remaining Maximum Special Tax A, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

3. General Provisions Applicable to the Prepayment of Special Tax

(a). Use of the Special Tax Prepayment Amount

The Special Tax A Prepayment Amount, less the Administrative Fees and Expenses calculated according to Sections H.1 and H.2 which shall be retained by CFD No. 2018-2 (IA No. 1), and less the Future Facilities Amount calculated according to Section H.1 which shall be deposited into the Improvement Fund, shall be deposited into specific funds established under the Indenture, to fully or partially redeem as many Outstanding Bonds as possible, and, if amounts are less than \$5,000, to make debt service payments on the Outstanding Bonds (collectively designated as the "Bond Retirement Funds").

(b). Full Prepayment of Special Tax A

Upon confirmation of the payment of the current Fiscal Year's entire Special Tax A obligation, the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid in accordance with Section H.1, the CFD Administrator may cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation to pay the Special Tax for such Assessor's Parcel shall cease.

(c). Partial Prepayment of Special Tax A

With respect to any Assessor's Parcel that is partially prepaid, the CFD Administrator shall (i) distribute or cause to be distributed the funds remitted to it according to Section H.2. and (ii) indicate in the records of CFD No. 2018-2 (IA No. 1) that there has been a partial prepayment of the Special Tax A and that a portion of the Special Tax A with respect to such Assessor's parcel, equal to the outstanding percentage (1.00 – F) of the Maximum Special Tax A, shall continue to be levied on such Assessor's Parcel pursuant to Section D herein.

(d). Debt Service Coverage

Notwithstanding the foregoing, no prepayment of the Special Tax A shall be allowed unless the amount of Special Tax A that may be levied on Taxable Property (assuming Buildout) within CFD No. 2018-2 (IA No. 1) in each future Fiscal Year (after excluding, Taxable Public Property and Taxable Property Owner Association Property as set forth in Section E herein), after the proposed prepayment, is at least equal to the sum of (i) 1.10 times the debt service necessary to support the remaining Outstanding Bonds in each corresponding Fiscal Year, and (ii) the Administrative Expenses as defined in Section A herein. Similarly, no prepayment of the Special Tax A shall be allowed if the amount of Special Tax A that may be levied on Taxable Property (assuming Buildout) within CFD No. 2018-2 (IA No. 1) in each future Fiscal Year (after excluding Taxable Property Owner Association Property and Taxable Public Property as set forth in Section E herein), after the proposed prepayment, does not at least equal to 1.10 times the debt service necessary to support the share of Outstanding Bonds that are secured by the Special Taxes.

I. TERM OF SPECIAL TAX

The Special Tax A shall be levied until the final series of CFD No. 2018-2 (IA No. 1) Bonds have matured, provided that the Special Tax A shall not be levied after Fiscal Year 2068-2069. The Special Taxes will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on the CFD No. 2018-2 (IA No. 1) Bonds have been paid and the City has covenanted that it will not issue any more Bonds (other than refunding Bonds) to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D. The Special Tax B shall be levied as long as necessary to meet the Special Tax Requirement for Services.
