Program Implementation Status

Program Description (By Housing Element Program Names)		Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.	
Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
HE-1 (1): Adequate Sites Monitoring: The City shall biennially update its vacant land inventory, including an updated inventory of potential infill sites (smaller vacant and underutilized parcels). The City shall make the updated inventory available to the public and development community via the City's website.	N/A	Biennially	The City updates www.advantagestockton.com on an ongoing basis.
HE-1 (2): No Net Loss Zoning: For any downzoning or project approval for fewer housing units and/or at lower densities than assumed in the Housing Element, the City shall make findings that there is still adequate capacity to meet the remaining housing need, consistent with "no-net-loss" zoning law (AB 2069).	N/A	Ongoing	All applications for rezones continue to be evaluated and findings are being made to ensure the City's ability to meet its share of the regional housing need.
HE-1 (3): Settlement Agreement Implementation: The City shall develop a comprehensive housing strategy to meet the housing targets identified in the Settlement Agreement. The comprehensive strategy shall include measures to enable development of 4,400 residential units in the Greater Downtown Area by 2035. Potential strategies could include adopting less restrictive zoning in the Downtown and Greater Downtown, or expanding the Commercial Downtown (CD) zoning district to allow greater densities in the Greater Downtown.	4,400 residential units in the Greater Downtown Area by 2035	2018/2019	In August 2016, the adaptive-reuse Cal Weber 40 affordable housing project leased up 40 units. The 51-unit veteran's Anchor Village project is currently under construction. The Medici Artist Lofts, a mixed-income apartment building with commercial space, recently broke-ground on an adaptive-reuse project for 34 residential units, scheduled to be completed by fall of 2019. The Hunter Street Apartments project will provide 74 units of affordable multifamily housing for veterans. The 62-unit affordable Grand View Village project is awaiting round-two funding decisions through the Affordable Housing and Sustainable Communities (AHSC) Program. Building permits applications for approximately 128 multi-family market rate units are currently under review.

HE-2 (4): Public Facilities Repair and Replacement: Through implementation of the Consolidated Plan, and upon funding availability, the City shall continue to identify and target low-income neighborhoods for the expansion of existing facilities/infrastructure, replacement of deteriorating facilities, and construction of new facilities/infrastructure to increase quality of life for Stockton residents.	10 public facility/ infrastructure projects	Annually	Since FY 2015-16, the City has funded 19 public facility projects with CDBG funds. In addition, the City has allocated \$900,000 in CDBG funds FY 2018-19 for the Downtown Infrastructure Infill Incentive Program.
HE-3 (5): Study Fee Deferral Program for Affordable Housing: The City shall develop a program for consideration of adoption by the City Council to defer fees for affordable housing until certificate of occupancy.	N/A	2016	Study to be completed in 2019.
HE-3 (6): Coordination with the Housing Authority of San Joaquin County: The City shall continue to work closely with the Housing Authority of San Joaquin County in providing assisted housing through the Housing Voucher Program (Section 8), and in providing housing and supportive services to special needs households and individuals.	5,000 households countywide	Ongoing.	Sierra Vista Phase I includes 36 previously demolished homes and demolition of an additional 27 homes – to be replaced with 115 new energy efficient apartments in a multi-phased development. 54 of Conway Homes units pulled permits for rehabilitation in 2017. In addition, Housing Choice Vouchers pay the difference between current fair market rent and what tenant can afford.
HE-3 (7): State and Federal Funding: The City shall continue to apply annually for Federal entitlement funds under the CDBG, HOME and ESG Programs, and shall pursue additional State and Federal funding that becomes available during the planning period. The City shall support housing organizations and affordable housing developers by assisting in applications for funding, drafting letters of support and resolutions, and identifying potential sites for affordable housing.	200 extremely low-, 400 very low-, 450 low-income units	Ongoing.	Funding sources are evaluated annually. In FY 2017-18, the City of Stockton received the following entitlement allocations from HUD: CDBG - \$3,451,760; HOME - \$1,190, 818; and ESG - \$283,028, plus a special "extra" allocation of \$607,521. HOME funds are allocated as gap financing for affordable housing developers through an annual competitive application process. CDBG funds are used for the Single Family Repair Loan Program, the Single Family Emergency Repair Program, and to support housing organizations, such as San Joaquin Fair Housing. ESG funds are allocated to local emergency shelters homeless services, and for rapid re-housing and rental assistance services. In FY 2017-18, the City also received \$648,417 in Redevelopment Successor Agency Repayments to CDBG, a portion of which was allocated to the Housing Loan Pool.

HE-3 (8): Continue to Operate Down Payment Assistance Program: The City shall continue to administer its Down Payment Assistance Program for low-income first-time homebuyers using a variety of funding sources including CDBG and HOME funds.	75 low-income households	Ongoing.	The program lends up to \$10,000 in assistance (or 5 percent of the purchase price plus the closing costs) toward the purchase of the home, plus accessibility repairs to residences for handicapped persons. The City continues to evaluate the Down Payment Assistance Program as recent increases in market values have made it difficult for buyers to find eligible affordable homes.
HE-3 (9): Priority Sewer and Water Service for Affordable Housing: The City shall adopt policies and procedures to provide priority sewer and water service for developments that include lower income housing units, consistent with State law (Government Code Section 65589.7).	N/A	2016/2017	To be completed by 2019.
HE-3 (10): Inclusionary Housing Evaluation: The City shall conduct a study to investigate the feasibility of an Inclusionary Housing Program. The study shall include an analysis of the potential options and requirements, such as the appropriate percentage of affordable units, income eligibility criteria, methods by which developers could meet the requirements, appropriate resale restrictions on ownership units, and time frame for affordability of units. Based on the findings of the study, the City Council shall consider adoption of an inclusionary housing program, as appropriate.	N/A	2018/2019	Study to be completed in 2019.
HE-4 (11): Infill Strategy: The City shall develop a strategy to facilitate the development of infill projects in the Downtown and Greater Downtown Areas. The Infill Strategy shall identify actions and incentives to promote infill development. These strategies and incentives could include allowing less restrictive height limits, setbacks, and parking requirements; planning infrastructure improvements; and streamlining the permitting process.	N/A	2018/2019	In progress. The City has allocated \$900,000 in CDBG funds FY 2018-19 for the Downtown Infrastructure Infill Incentive Program. Additionally, the City was recently awarded a FY2019 \$600,000 Environmental Protection Agency (EPA) Brownfields Assessment Grant as a coalition in partnership with San Joaquin Council of Governments (SJCOG) and the City's Successor Agency.

HE-4 (12): Infill Site Assembly: The City shall actively work with local property owners and developers to assist in the consolidation and assembly of small infill parcels for residential projects, particularly as it related to parcels listed in the sites inventory and parcels with multiple owners. The City shall process lot mergers ministerially, and shall offer incentives, such as expedited processing, in addition to the incentives already offered to infill development.	N/A	Ongoing	Ongoing
HE-4 (13): Development Outside Infill Areas: The City shall submit for City Council adoption amendments to the General Plan to ensure that development outside City limits as of the effective date of the Settlement Agreement does not occur in a manner that is out of balance with infill development (i.e., development within existing city limits). These proposed amendments shall include measures limiting the granting of entitlements for projects (i.e., specific plan, master plan, or other projects of significance) outside the City limits until firm, effective milestones that will assure that specified levels of infill development, jobs-housing balance goals, and greenhouse gas (GHG) and vehicle miles traveled (VMT) reduction goals, once established, are met. As part of this process, the City shall consider the impacts on the cost, supply, and affordability of housing.	N/A	2018/2019	The City is in the process of a General Plan update that will be addressing goals and policies on greenhouse gas (GHG) and vehicle miles traveled (VMT) reduction, which is expected to be completed at the end of year 2018.
HE-5 (14): Development Code Amendment for Compliance with State law: The City shall amend the Development Code to allow care homes for six persons or fewer in the RE zone to fully comply with State law, which requires State licensed group homes for six or fewer to be treated as a single family home.	N/A	2018/2019	The city is on track to complete this program by 2019

<p>HE-5 (15): Review Development Code Standards for Possible Revision: Following the Comprehensive General Plan Update, the City shall review and evaluate the Development Code for consistency, and shall explore ways to maximize housing opportunities on small lots. Possible changes to the Development Code might include:</p> <ul style="list-style-type: none"> * Reducing the minimum lot area required for a PUD or the possibility of creating an alternative zoning designation for smaller lot developments of less than 2 acres. The purpose of this alternative zoning designation would be to allow different development standards to permit higher densities in infill areas. * Reviewing site development standards to see if there are ways to use space more effectively in order to develop more units and usable open space. * Only permitting single-family homes within RM and RH zones for isolated parcels that cannot feasibly be developed in a more intense fashion. * Reviewing development standards for homes on small lots (e.g., reduced setbacks, parking, yard requirements). * Removing the AUP requirement for high density residential development in the Greater Downtown 	N/A	2018/2019	<p>The City amended the Development Code to remove AUP requirements for high multi-family residential development City-wide. The Development Code was also amended to establish standards for Accessory Dwelling Units which streamlines the review process and reduces barriers, such as eliminating parking requirements and reduced setback to encourage the construction of ADUs. The City expects additional changes to its housing standards to occur in 2019 to encourage residential development.</p>
<p>HE-5 (16): Monitor Article 34 Authorization: The City shall request voter approval on a future ballot for its Article 34 Authorization, which expires in 2020. Thereafter, the City shall annually monitor the number of remaining units allowed under its Article 34 authorization and schedule a new election when needed to limit the lack of authorization as a constraint to the development of affordable housing.</p>	N/A	2020	To take place in 2020.

<p>HE-5 (17): Fiscally-Positive Impact Fees: The City shall develop and adopt impact fees on new development or other ongoing funding mechanisms (e.g., community facilities districts) in accordance with State law to ensure that all development outside the existing City limits as of the effective date of the Settlement Agreement (i.e., non-infill areas) is fiscally-positive to the City. Specific details of the fee structure shall be determined as part of the comprehensive strategy for implementing the Settlement Agreement. As part of this process, the City shall consider the impacts on the cost, supply, and affordability of housing and ensure that fees do not unduly constrain housing development.</p>	<p>N/A</p>	<p>2018</p>	<p>The City is in the process of a General Plan update that is expected to be completed at the end of year 2018. Following, the City will be initiating a comprehensive study of its impact fee program to determine an appropriate fee structure, which may consider different fee rates for different zones within the City.</p>
<p>HE-6 (18): Preserve At-Risk Units: The City shall continue to work with owners of "at risk" projects to discuss the timing of a possible sale and potential sales price. The City shall ensure owners have met the tenant noticing requirements as set forth in California Government Code Sections 65863.10 and 65863.11. The City shall contact non-profit housing providers that work in the Stockton area to see if any are interested in acquiring and rehabilitating "at-risk" projects. Assuming there is interest, the City shall provide technical assistance as needed and funding as available to these housing providers.</p>	<p>552 at-risk units</p>	<p>Upon receipt of notice of intent to convert</p>	<p>Ongoing.</p>
